About RRCE : RRCE was established in the year 2006 and is managed by Moogambigai Charitable and Educational Trust (MCET), Bengaluru. The college is highly committed with a mission to impart high quality education enabling graduates to excel in their career. The institution offers six UG programmes, five PG programmes, MCA and MBA programmes and seven R&D centers recognized by VTU. All departments are equipped with highly qualified and dedicated teaching faculty. RRCE has received "Engineering College of the year 2015" award by higher education Review. This institution organizes FDP's, Workshops, Seminars, National and International conferences on a regular basis. The institution works with a number of innovative methods for the betterment of the students.

About CSE : Computer Science & Engineering was established in the year 2006 with an objective of giving high quality technical education in the area of Information Technology. The department has well equipped laboratories to assist both UG & PG graduates. The department is having an excellent R&D center recognized by VTU. The department inherits dynamic spirit of RRCE & thrives for excellence to offer the best of the benefits to the students.

Objective of the Conference :

The objective of this National Conference is to provide researchers, academicians, practicing engineers, and industry leaders from all over India to share high quality information on common platform. This platform will provide high quality

discussions over the Recent Technologies in Computer Engineering. The purpose of the Conference is to identify the challenging problems of Computer Engineering to shape the future directions of research by soliciting and reviewing high quality, applied and theoretical research findings.
