About RRCE: RajaRajeswari College of Engineering (RRCE), established in the year 2006 under the shelter of Moogambigai Charitable and Educational Trust, established in the year 1992 with the sole objective for starting institutions of higher education of exemplary stature in the State of Karnataka. RRCE is recognized by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka. The Institute offers six UG courses (Electronics & Communication, Civil, Computer Science, Information Science, Mechanical, Electrical & Electronics Engineering) and seven PG courses, Master of Technology in Digital Electronics & Communication, Communication Systems, Computer Science & Engineering, Computer Network Engineering, Thermal Power Engineering, Master of Business Administration & Master of Computer Applications, also 8 R&D programs. The college has unique well equipped laboratories, library, digital library computing and sports facilities along with other amenities.

About Department: Dept. of ECE is established in the year 2006 with an intake of 60 and increased to 120 in the year 2013. The Department has **accredited by NBA and NAAC**. Dept. organized many International/ National Conferences, FDPs, Workshops in the past. The Dept. is well equipped with laboratories and highly qualified and dedicated faculty members with vast experience and expertise in their respective domains. In addition the department runs 2 M.Tech programs and Ph.D program of VTU. We are also collaborating with industries such as Karnataka Hybrid Micro Devices, Gemini Electro Corporation, ARP & VGI, Research in CS and Electronics Engg., Win global Tech, Saakshin Technologies Pvt Ltd. Our student projects are selected for VGST/ KSCST Project funding.

About NCVCS—2017: The primary objective of NCVCS-2017 is to establish an effective platform for Institutions and Industries to share ideas and to present the works of Scientists, Engineers, Academicians and Research Scholars in the fields of VLSI design, Communication Technologies and Signal Processing.

CALL FOR PAPERS AND POSTER PRESENTATION:

Original papers and posters are invited in the following areas but not limited to:

- **Adhoc/Sensor Networks**
- **Nano Technology/ Nano Electronics**
- **Biomedical Imaging**
- **Image and Video Processing**
- **Low power VLSI/CAD VLSI**
- **Pattern Recognition**
- **Internet Of Things (IOT)**
- **Big Data and Data Mining**
- **Optimization Techniques in electrical systems**
- **Renewable Energy Sources**
- **Soft Computing Techniques**
- **Mobile / Wireless Communications**

PAPER FORMAT : Full Paper must be submitted in single column format must not exceed 5 pages. **Send papers to ncvcs_ece@rrce.org.**

All the papers are published in International Journal IJARIE (ISSN 2395-4396) . www.ijarie.com
