About the Institution: RajaRajeswari College of Engineering (RRCE) was started in the year 2006 and is managed by Moogambigai Charitable and Education Trust (MCET), Bangalore. The College is approved by All India Council for Technical Education (AICTE), New Delhi, Govt. of Karnataka and is affiliated to Visvesvaraya Technological University (VTU) Belgaum.

The Institute offers 7 UG courses (Civil, Electronics, Computer Science & Engineering, Information Science & Engineering, Mechanical, Telecommunication & Electrical Engineering) and 5 PG courses Master of Business Administration, Master of Computer Applications, M.Tech in ECE, M.Tech in CSE and M.Tech in Mechanical and also 7 VTU affiliated R&D centers. All the Departments have well qualified staff and well equipped laboratories, library, central computing and sports facilities along with other amenities. This institution organizes international and national conferences, FDPs, Seminars and technical talks on a regular basis

About CSE: Dept. of CSE was established in 2006 with an intake of 60. It has been raised to 180. CSE department is rich enough to organize and encourage Students, teaching & non teaching staffs by conducting various events like Workshops, Technical Seminars, Expert Lectures, FDPs, Industry Visits and Symposiums etc. Postgraduate for CSE was established in 2013-14 with an intake of 18, which is affiliated

to VTU and approved by All India Council for Technical Education (AICTE). The M.Tech programme in Computer Science and Engineering imparts a breadth of advanced knowledge in various areas of computer science. The programme is designed such that a student can complete it based on advanced coursework alone. However, the students are given the option to concentrate on a problem by substituting some of the courses with equivalent project work. Postgraduate for Computer Networking and Engineering was established in 2014 with an intake of 18, which is affiliated to VTU and approved by All India Council for Technical Education (AICTE).

Departmental Vision:

“To Emanate as prime source of Technical Education in the field of Engineering”

Departmental Mission:

“The Department of CSE will provide transformative education and research to create, contribute innovators and leaders for society and industry.”

Program Objective:

This program will be a platform for Government school students to learn and explore about Computer and its applications like Microsoft word, Excel and Power-point presentation.

The **Educational Outreach Program** is intended to encourage learning and this will lead to enhance the generic knowledge among student communities and to inspire the developing students with better exposure of computer and its applications.

Participants:

Students of 5th and 6th standard of Government Higher Primary School.

Report on Education awareness Program organized on 01st Oct 2018 at Kambipura, Mysore Road, Bangalore.

The Education awareness program was organized at kambipura, Mysore Road, Bangalore on 01st Oct 2018.

Education is a prerequisite for human development. Employment opportunities and income levels can be increased with the help of education. Individual development and progress of a nation depends on educational development. As education is an important factor of development, illiteracy and ignorance among the disadvantaged groups hampers their process of development. Lack of education of the disadvantaged youth inspires them to engage in informal economic activities rather than in formal engagement.

The RRCE NSS unit volunteers and NSS Programme Officer Mr.K S Ananda Kumar meet the 25 students those who are not going to schools at kambipura, Mysore road. we are discussed the importance of education and role of education in a current scenario with parents and students, they are agree to join their childrens to nearby schools and Anganavadies, We are suggested following schools - Govt primary School, Challagatta; Govt.Primary School, Anchepalya; Anganavadi, Challagatta.

NSS Volunteers actively participated in this event.
