CIRCULAR

Dear Student/Parent,

Warm greetings from RajaRajeswari college of Engineering, Kumbalagodu, Ramohalli Cross, Mysore Road, Bengaluru-560074.

We are very much pleased to welcome you that the Student Induction Program for the **Academic year 2019-20** will be held from **09/08/2019 to 20/08/2019**.

This induction program will help the students to have a smooth transition to the Engineering course. The sound grasp of the fundamentals of the engineering subjects lays the strong foundation for the entire four-year program.

The objective of the Induction program is to demystify what is expected of students in intermediate level and to provide adequate foundation in the core applied science subjects limited to moderate level so that students do not face any difficulty when the classes commence.

All the Heads, staff and coordinators are requested to make appropriate arrangements so that the first year students attend the Student Induction Programme.

Student Induction Program for the newly admitted students for the **Academic year 2018-19** will be conducted from **13/08/2018 to 07/09/2018**.

This induction program will help the students to have a smooth transition to the Engineering course. The sound grasp of the fundamentals of the engineering subjects lays the strong foundation for the entire four-year program.

The objective of the Induction program is to demystify what is expected of students in intermediate level and to provide adequate foundation in the core applied science subjects limited to moderate level so that students do not face any difficulty when the classes commence.

All the Heads, staff and coordinators are requested to make appropriate arrangements so that the first year students attend the Student Induction Programme.

Dear Student/Parent,

Warm greetings from RajaRajeswari college of Engineering, Kumbalagodu, Ramohalli Cross, Mysore Road, Bengaluru-560074.

We are very much pleased to welcome you that the Student Induction Program for the **Academic year 2019-20** will be held from **09/08/2019 to 20/08/2019**.

This induction program will help the students to have a smooth transition to the Engineering course. The sound grasp of the fundamentals of the engineering subjects lays the strong foundation for the entire four-year program.

The objective of the Induction program is to demystify what is expected of students in intermediate level and to provide adequate foundation in the core applied science subjects limited to moderate level so that students do not face any difficulty when the classes commence.

All the Heads, staff and coordinators are requested to make appropriate arrangements so that the first year students attend the Student Induction Programme.
