About RRCE: RajaRajeswari College of Engineering (RRCE), established in the year 2006 under the shelter of Moogambigai Charitable and Educational Trust, established in the year 1992 with the sole objective for starting institutions of higher education of exemplary stature in the State of Karnataka. RRCE is recognized by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka & accredited by NAAC with "A" grade. The Institute offers six UG courses (Electronics & Communication, Civil, Computer Science, Information Science, Mechanical, Electrical & Electronics Engineering) and seven PG courses, Master of Technology in Digital Electronics & Communication, Communication Systems, Computer Science & Engineering, Computer Network Engineering, Thermal Power Engineering, Master of Business Administration & Master of Computer Applications, also 7 R&D programs. The college has unique well equipped laboratories, library, digital library computing and sports facilities along with other

amenities. The college is located at a distance of 18kms from Bengaluru City Railway Station on Mysore road.

About Department: The Department of Electronics and Communication has been functioning with efficient leadership since 2006. The Department offers UG, PG and Ph.D. Programs under VTU. The program is accredited by NBA. The objective of the Department is to develop professionals having good skills, self-learning ability and confidence to support

and contribute to the growth of relevant industries. The students have strong base in basic science, mathematics and inter disciplinary engineering and advances that are being made in this rapidly changing field and provided opportunities to gain vital practical experience. Project based learning is been given much weightage. Theoretical Knowledge is supplemented with ability to analyze, design and provide technical solutions that have real life value. The department is also providing consultancy in design and development of embedded systems for smart furniture and kitchen.

Expert Talk Objective: Objective of the Expert Talk is to create awareness about skill required for the software jobs and importance of learning Java. As many software jobs require the knowledge of Java, a thorough understanding of Java is imparted subsequently through job oriented training program.

Date and Venue: 18th February, 2017

11.30AM - 1.00 PM

Sathyendranath Bose Seminar Hall,
Department of ECE,RRCE

Resource Person: **Mr. Venkata Reddy P S,**

Technical Lead, Accenture, Bangalore

Participants:

Faculty, student of ECE,CSE,EEE and allied Branches are invited to participate.

Registration forms are available in the college website.
