Report On Green Day

The annual Green day was celebrated on 23 April 2018 at Raja Rajeswari College of Engineering in an instructive way where the students are aware about the importance of green and how it positively affects in our lives. The campus buzzed with a series of activities like creative plantation, nature drawings, poster making etc.

Attractive charts and drawings were displayed in the office lobby and the highlight of this celebration was Creative plantation. It was done in waste things like plastic bottles, bowls, old shoes etc. Specially it gives an idea how to utilize our surroundings /small area beautifully with green.

As a part of the day plantation was done in the college premises. It was headed by the Principal Dr. R. Balakrishna, Prof. Prabhakar and all Heads of the departments.
