

International Conference on Emerging Trends in Engineering, Management & Technology (ICETEMT -2022)

RajaRajeswari College of Engineering, Bengaluru successfully hosted the International Conference on “*Emerging Trends in Engineering, Management & Technology*” (ICETEMT -2022) from 21st to 22nd June 2022. The presence of dignitaries, scholars, well researched and presented papers on the relative subjects all came together to help the ICETEMT -2022 team to conclude this endeavor. This two-day event offered opportunities to the participants to interact with academicians across the globe, scholars, experts and covered the topics around the issues they faced for their research. The views and comments expressed on this platform by the session chairs and paper presenters were valuable and thoughtful.

Date: 21st and 22nd June, 2022

Venue: Dr. A.P.J Abdul Kalam Hall, RRCE, Bengaluru

Objective of the Conference: To provide a world class platform to share and discuss all the latest research of Scientists, Engineers, Academicians and Research Scholars. This conference provides opportunity for the different areas of delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Number of papers received: 380

Number of papers registered: 244

Conference Accepted and Presented Papers published in

- i. NeuroQuantology (An Interdisciplinary Journal of Neuroscience and Quantum Physics)- Scopus Indexed
- ii. Journal of Algebraic Statistics (Web of Science)
- iii. International Journal of Research and Analytical Reviews (IJRAR) - UGC Indexed -

The Conference owes its success to the able guidance of Dr. T Chandrashekar, Principal, Conference Chair and the hard work put in by the entire ICETEMT -2022 team led by Dr. R Balakrishna, Dean, Programme Chair, Dr. S. Usha, Dean , R & I, Programme Chair & Dr. L. Rangaiah, Prof & HoD-ECE, Convener, as well as with faculty and student Coordinators.

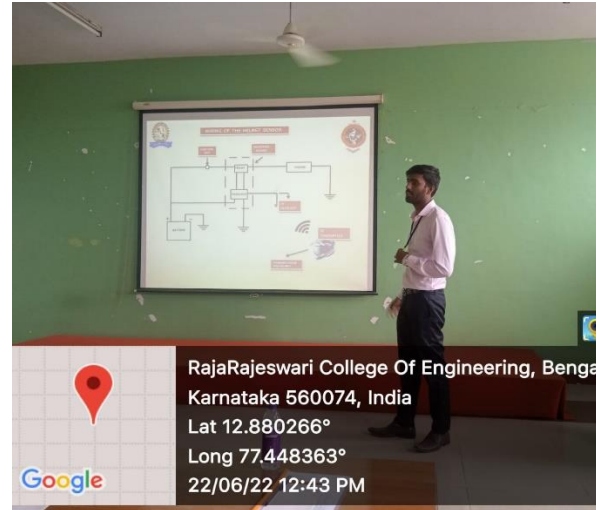

The Hon'ble Chief Guest Mr. Murali M, Chairman & MD, Shriram Properties inaugurated the Conference, along with Guest of Honors Mr. Lavanam Amballa, Head – Camus Hiring & Global Campus Operation, WIPRO Technologies; Mr. Kiran Kumar K S, Program Manager, CR/AMI, Philips India Ltd and with other dignitaries. The Conference Proceedings were released by all the dignitaries during the inaugural function. The inaugural function was graced with the keynote on “Emerging Trends in Health Care and IoT Applications” by Mr. Kiran Kumar K S, Philips India Ltd.

Over the two-day Conference, 5 Tutorial sessions with International Speakers were organized and 6 concurrent sessions per day with 2 session chairs per session were conducted fruitfully. On the 2nd day, in the Valedictory function, the Best paper was awarded from each Department. Also, the participants were given presentation Certificates by various Heads of the Dept. Dr. Rangaiah L, Conference Convener extended the vote of thanks and expressed his gratitude. The contribution of scholars from diverse fields definitely added a new dimension to the R & D chapter of RRCE, Bengaluru.
