Respected Sir/Madam,

**Sub: Internship program for students of Electronics and Communication Department, RRCE, Bangalore**

As per the request regarding Internship for the students of RRCE, ECE, Bangalore. The knowledge sharing domain of Loginware Softtec Pvt. Ltd. (A registered private limited company under Ministry of Corporate Affairs, Govt. of India), Bangalore, is providing an opportunity for the Internship Program dated from **6<sup>th</sup> July 2019 to 2<sup>nd</sup> August 2019** on **"Design and Development of System using IOT and Machine learning on Raspberry Pi Platform and Python Enterprise Applications"**. This program is designed to motivate, inspire and encourage budding engineers to experience the technology under the banner of LGL (Loginware Global Learning).

The aim of this Internship is to provide a platform to the students to explore the cutting edge developments in the Electronics domain, exchange ideas and information techniques. It provides Academic-Industry interaction and fosters collaborative research. The LGL Internship Program provides an opportunity for interns to complement their educational experience and to develop their professional skills and experience through participation in work in an international context. Loginware also benefits from the contributions of interns, who bring fresh perspectives and knowledge of the latest research in their specialist fields.

**Note: The Internship is approved for the following students.**
