## SAMPARKAVANI

### Department of Electronics & Communication Engineering

Dear Readers,

Season's Greetings from Department of Electronics & Communication. The New Year starts with new hopes, new aspirations and new promises. We are glad to come up with the third annual issue of newsletter. In this issue you will find an overview of activities and events that were delivered this year. We have tried to capture the efforts put in by the ECE department to make the whole teaching learning process more interesting and effective. We will continue the to work on interesting concepts make it an ultimate resource of information.

Do check out the photo gallery which has photographs of all the achievers and toppers during the academic year 2016-17.

#### Editorial

We are happy to announce that News Letter "Samparkavani" for the Year 2016-17 is released. We hope that every activity for the period 2016-17 is reflected well in the News Letter.

#### Message From Principal's Desk

It is happy and proud to showcase the achievements of ECE, especially Learning & achievements grow is an environment that nurtures it & RajaRajeswari College of Engineering has taken great part to ensure that students lack for nothing and likelihood of achieving this is strengthened by the

fact that we offer an academic program that includes breadth and depth, is rigorous, and which can be tailored to individual needs.

RRCE has strived to be unique by encouraging research on campus as a means to take classroom teaching-learning to new heights. Every laboratory doubles up as a research centre/project arena where staff and students vie with each other to create new designs, working models, test new concepts. Student chapters of various associations compete with each other to organize the most challenging, innovative and popular event.

#### Message From HOD'S Desk

Dr. L. Swarna Jyothi

It gives me immense happiness to present the sixth annual newsletter of the department for the year 2016-17. The department has witnessed a number of academic and professional activities during the year 2016-17. I take this opportunity to express my sincere thanks to the management RRCE, for continued support and encouragement. I appreciate and thank all my colleagues for their cooperation and devotion
