SESSION 2: GUEST LECTURE

The Induction Program at Rajarajeswari College of Engineering began on a high note on 12th September 2024 with an inspiring Inaugural Function at Dr. A.P.J. Abdul Kalam Conference Hall. Students, faculty, and distinguished guests gathered to mark the beginning of an exciting academic journey.

A special highlight of Day 1 was an insightful session by Mr. A H Sagar on “Multidisciplinary and Convergence Oriented Approaches to Learning”. His engaging talk encouraged students to embrace cross-disciplinary knowledge and innovation, setting the stage for a holistic learning experience.

A huge thank you to all participants for making the event a success! Stay tuned for more updates as we continue this exciting journey.

SESSION 1: GUEST LECTURE

A warm welcome to the next generation of tech innovators joining our Engineering family!

We are thrilled to share glimpses of the successful Day 2

Rajarajeswari_College_of_Engineering conducted an Induction Program for 1st year B.E Student 2024-25 batch and began its Day 2 events on 13th September 2024, at RRCE.

The 2nd-day session on “Global Climate Change- Problems and Prospects” was conducted by the Resource Person: Dr. Ramakrishna Damle, Professor in Physics (Retired) Former Chairman (2015-2016) Department of Physics, Bangalore University.

A big thanks to everyone who participated and contributed!

Induction Program 2024 – Sessions by AGAstya Foundation

Induction Program 2024 – A Transformative Learning Experience with AGAstya Foundation!

We are delighted to announce the successful completion of the Induction Program 2024 at Rajarajeswari College of Engineering, conducted from 13th to 28th September 2024 at Dr. A.P.J. Abdul Kalam Conference Hall, RRCE Campus. The program featured a series of interactive sessions on 'Creative Skill' by esteemed trainers Mr. Chandan & Ms. Lalitha Priya from AGAstya Foundation. Through innovative approaches, hands-on activities, and thought-provoking discussions, students were encouraged to explore creativity, develop problem-solving skills, and embrace multidisciplinary learning.

This initiative played a crucial role in fostering innovation, confidence, and collaboration among our students, equipping them with the mindset needed for a successful academic and professional journey.

Induction Program 2024 – Day 3 Highlights at RRCE!

We are excited to share the success of Day 3 of the Induction Program 2024, held on 17th September 2024 at Dr. A.P.J. Abdul Kalam Conference Hall, RRCE Campus.

The session, “Outlook to Life (A Self-Reflective Workshop),” was conducted by Mr. Vaidyanathan Ramanan, Founder & CEO of Ladder Consultancy Services Pvt. Ltd. His thought-provoking insights and interactive approach encouraged students to engage in deep self-reflection, personal growth, and goal setting, helping them gain a fresh perspective on life and career aspirations.

The workshop inspired students to embrace self-awareness, resilience, and a positive mindset, making it a truly impactful experience.

SESSION 1: GUEST LECTURE

We are delighted to share the success of Day 4 of the Induction Program 2024, held on 19th September 2024 at Dr. A.P.J. Abdul Kalam Conference Hall, RRCE Campus.

The session on "ಕನ್ನಡ ಸಾಹಿತ್ಯ ಮತ್ತು ಸಂಸ್ಕೃತಿ" (Kannada Literature and Culture) was conducted by Mr. CHANDRU B.V, Assistant Professor & NSS Officer, Dept. of S & H (Kannada). His insightful session provided students with a deeper understanding of Kannada heritage, literary richness, and cultural significance, fostering a sense of pride and appreciation for our regional legacy.

This engaging discussion helped students connect with the profound traditions of Kannada language and literature, encouraging them to embrace their cultural roots while stepping into their academic journey.

Induction Program 2024 – Day 4 Highlights at RRCE!

We are proud to share the success of Day 4, Session 1 of the Induction Program 2024, held on 18th September 2024 at Rajarajeswari College of Engineering.

The session, “Introduction to National Cadet Corps (NCC) – A Bird’s Eye View,” was conducted by Sub. Lt. Dr. Thanuj Kumar M., Associate NCC Officer, 1 Kar Naval Unit NCC & Associate Professor, Dept. of Robotics and Automation Engineering, RRCE.

This enlightening session provided first-year students with valuable insights into the ‘B’ and ‘C’ Certificate programs, the benefits of NCC in defense, public and private sectors, and the transformational impact of NCC on personality development. Students learned how NCC fosters discipline, leadership, teamwork, and physical and mental strength, shaping them into responsible and confident individuals.

The session highlighted the role of Body, Mind, and Intelligence (BMI) growth through NCC activities, camps, and training programs, inspiring students to consider this incredible opportunity for holistic development.

The success of Day 5, Session 1 of the Induction Program 2024, held on 19th September 2024 at Dr. A.P.J. Abdul Kalam Conference Hall, RRCE Campus.

The session, “Embracing the Future: Key Technologies Shaping the Next Decade in Engineering,” was conducted by Mr. Siva Rama Krishna, Multi-Cloud Certified Corporate Trainer, Medha Tech Solutions Pvt. Ltd., Bangalore.

This highly engaging and insightful session introduced students to the emerging technologies driving the future of engineering, including:

- Artificial Intelligence & Machine Learning
- Internet of Things (IoT) & Smart Systems
- Cloud Computing & Multi-Cloud Environments
- Advanced Robotics & Automation
- Sustainable & Green Technologies

Induction Program 2024 – Day 5 Session 2 Highlights at RRCE!

We are delighted to share the success of Day 4, Session 2 of the Induction Program 2024, held on 18th September 2024 at Rajarajeswari College of Engineering.

The session on “Introduction and Awareness of National Service Scheme (NSS)” was conducted by Mr. CHANDRU B.V, Assistant Professor & NSS Officer, Dept. of S & H (Kannada), RRCE.

The session provided an in-depth understanding of NSS and its key objectives, which include:

- ✓Personality Development – Cultivating leadership, teamwork, and social responsibility.
- ✓Community Engagement – Encouraging students to contribute to society through service activities.
- ✓Skill Development – Enhancing problem-solving, communication, and organizational skills.

Students gained valuable insights into the impact of NSS on personal and professional growth, along with opportunities to actively participate in social initiatives that bring positive change to the community.

Induction Program 2024 – Day 6, Session 1 Highlights at RRCE!

The 6th-day Induction Program, held on 20th September 2024 at RRCE, featured an inspiring session on “Innovation and Entrepreneurship for Budding Engineers” by Dr. Pal Pandian P, Professor, Robotics and Mechatronics, CHRIST (Deemed to be University), Bengaluru.

Key Highlights:

- Importance of innovation in engineering
- Developing an entrepreneurial mindset
- Exploring emerging technologies like AI & Robotics
- Turning ideas into successful startups

The session encouraged students to think creatively, embrace innovation, and explore entrepreneurial opportunities.

We are delighted to share the success of Day 6, Session 2 of the Induction Program 2024, held on 20th September 2024 at Dr. A.P.J. Abdul Kalam Conference Hall, RRCE Campus.

The session on “Best out of Waste” was led by Dr. Pruthviraj R D, Associate Professor, Dept. of Chemistry, RRCE. This engaging session focused on the importance of sustainability, creativity, and environmental responsibility, inspiring students to repurpose waste materials into useful and innovative products.

Key takeaways from the session:

- Understanding Waste Management and Recycling
- Encouraging Creativity through Upcycling
- Promoting Sustainable and Eco-Friendly Practices
- Innovative Ideas to Convert Waste into Functional Items

The interactive session encouraged students to think innovatively about waste reduction while contributing to a cleaner and greener environment.

We are excited to share the success of Day 6, Session 3 of the Induction Program 2024, held on 20th September 2024 at Dr. A.P.J. Abdul Kalam Conference Hall, RRCE Campus.

The session, “The Newbie Spectacles”, was conducted by Prof. Nandini N, Creative Club Head & Assistant Professor, Dept. of EEE, RRCE, along with a dynamic team of student coordinators. This interactive and engaging session aimed to welcome, motivate, and inspire first-year students, fostering a sense of belonging and excitement as they embark on their engineering journey.

The session included:

- Fun-filled icebreakers and interactive activities
- Creative challenges to enhance teamwork and problem-solving
- Insights from senior students on campus life, clubs, and extracurricular opportunities
- Encouragement to explore creativity and innovation through various college initiatives

SESSION 3: GUEST LECTURE

Induction Program 2024 – Day 7, Session 3 Highlights at RRCE!

The 7th-day Induction Program, held on 23rd September 2024 at RRCE, featured an exciting and interactive "On Spot Shark Tank" session, organized by the Idea Club and led by Mrs. Haritha K. Sivaraman, Head of Idea Club & Assistant Professor, Dept. of ECE.

Session Highlights:

- **Encouraging Innovation** – Students pitched unique business ideas.
- **Entrepreneurial Thinking** – Developing problem-solving and strategic skills.
- **Interactive Discussions** – Evaluating ideas through critical feedback.
- **Team Collaboration** – Fostering teamwork and creativity.

The session provided students with a platform to explore entrepreneurship, refine their ideas, and gain confidence in pitching innovative solutions.

Induction Program 2024 – Day 8, Session 1 Highlights at RRCE!

The 8th-day Induction Program, held on 24th September 2024 at RRCE, featured an insightful session on “Inculcating Positive Attitude for Excellence through Critical Thinking”, delivered by Mr. Dhiraj A. Rao, Managing Director, AANS Technologies Pvt. Ltd, Bangalore.

Session Highlights:

- **Power of Positive Attitude – Cultivating resilience and a success-driven mindset.**
- **Critical Thinking – Enhancing problem-solving and decision-making skills.**
- **Striving for Excellence – Applying strategic thinking for academic and career growth.**

The session motivated students to adopt a positive outlook, think analytically, and strive for excellence in their engineering journey.

Induction Program 2024 – Day 8, Session 2 Highlights at RRCE!

The 8th-day Induction Program, held on 24th September 2024 at RRCE, featured an inspiring session on “The Engineering Playbook: Stories, Struggles, and Success” by Ms. Varsha Agarwal, Founder & CEO, Lenostun, Ex-VMware, Ex-Sapient Director.

Session Highlights:

- **Real-World Insights** – Lessons from industry experience.
- **Overcoming Challenges** – Strategies for resilience and adaptability.
- **Path to Success** – Motivation for future engineers to achieve excellence.

Ms. Varsha Agarwal's journey and insights left students inspired and ready to tackle their engineering careers with confidence and determination.

Induction Program 2024 – Day 8, Session 3 Highlights at RRCE!

The 8th-day Induction Program, held on 24th September 2024 at RRCE, featured an insightful session on “Technologies That You May Love” by Dr. Mageusha, Associate Professor, Dept. of MCA, RRCE, Bengaluru.

Session Highlights:

- Emerging Technologies – Exploring AI, IoT, Blockchain, and more.
- Real-World Applications – Understanding the impact of tech innovations.
- Future Trends – Insights into evolving engineering landscapes.

The session captivated students, sparking curiosity and enthusiasm for cutting-edge technologies that are shaping the future.

The 8th-day Induction Program, held on 24th September 2024 at RRCE, featured an engaging session on “Creative Skill” by Ms. Lalitha Priya, Trainer / Catalyzer, AGAstya Foundation.

Session Highlights:

- Unlocking Creativity – Encouraging innovative thinking and problem-solving.
- Hands-on Activities – Interactive exercises to boost imagination.
- Real-World Applications – Enhancing creativity for academic and professional growth.

The session was highly engaging, inspiring students to think beyond conventional boundaries and embrace creativity in their learning journey.

Induction Program 2024 – Day 9, Session 1 Highlights at RRCE!

The 9th-day Induction Program, held on 26th September 2024 at RRCE, featured an insightful session on “Academic Regulations” by Dr. Rangaiah L, Professor & Dean-Academics, RRCE.

Session Highlights:

- **Understanding Academic Guidelines – Key regulations for a successful academic journey.**
- **Course Structure & Evaluation – Insights into curriculum, grading, and examination policies.**
- **Student Responsibilities – Emphasizing discipline, ethics, and academic integrity.**

The session provided valuable clarity to first-year students, equipping them with essential knowledge to navigate their academic life effectively.

Induction Program 2024 – Day 9, AICTE Activity Points Workshop at RRCE!

We are delighted to share the success of Day 9 of the Induction Program held on 26th September 2024 at RRCE. The session, conducted by Mr. Dayanand Rathod, Program Manager, AGAstya Foundation Volunteer, focused on AICTE Activity Points and their significance in students' academic and professional growth.

Session Highlights:

- Understanding AICTE Activity Points and their role in holistic education.
- Importance of co-curricular and extracurricular activities for skill enhancement.
- How students can actively engage in community service, innovation projects, and technical training to earn points.

The session provided valuable guidance to students, helping them align their learning with AICTE requirements.

Induction Program 2024 – Day 9, Sports Activity Session at RRCE!

We are thrilled to share the success of Day 9, Third Session of the Induction Program held on 26th September 2024 at RRCE. The session on 'Activity Sports' was conducted by Mr. Mallikarjun B H, M.P.Ed, Physical Education Director, RRCE.

Session Highlights:

- Importance of sports and physical activities in student life.
- Benefits of fitness, teamwork, and discipline through sports.
- Encouragement for students to participate in various sports events and activities at RRCE.

The session was engaging and motivated students to adopt a healthy and active lifestyle. A big thank you to our speaker, faculty, and organizing team for making this event a great success!

SESSION 1: GUEST LECTURE

We are delighted to share the successful completion of an engaging and insightful session on 'Public Speaking' as part of the Induction Program for the 1st Year B.E - 2024 Batch at Rajarajeswari College of Engineering (RRCE), An Autonomous Institution.

Date: 28th October 2024, Time: 10:30 AM – 3:00 PM, Venue: Dr. A.P.J. Abdul Kalam Hall, RRCE.

The session was conducted by Mr. Ravikumar S K, Assistant Professor, Department of English, RRCE, who provided students with essential techniques and strategies to enhance their public speaking skills, overcome stage fear, and communicate effectively.

A major highlight of the session was the 'Pick and Speak' activity, organized by the Public Speaking Club, where students actively participated in impromptu speaking exercises. This interactive session helped them gain confidence, think on their feet, and improve their articulation.

Induction Program 2024- 25

Dates: 12th September 2024 – 28th October 2024

Organized by: Rajarajeswari College of Engineering

The Induction Program 2024 was successfully conducted from 12th September 2024 to 28th October 2024 at Rajarajeswari College of Engineering, welcoming the newly admitted students into the academic year with enthusiasm and commitment.

The program aimed to familiarize students with the institution's vision, mission, academic structure, and various support systems available for their overall growth.

A variety of sessions were conducted, including:

- Orientation on academic regulations and examination systems
- Motivational talks by eminent speakers
- Sessions on life skills, soft skills, and communication skills
- Introduction to co-curricular and extracurricular opportunities
- Campus tour and interaction with faculty members

The event featured interactive workshops, team-building activities, and awareness sessions on ethics, professional conduct, and social responsibility.

The successful completion of the Induction Program was made possible through the efforts of faculty members, guest speakers, student volunteers, and the active participation of the students. The program created a strong foundation for the students' journey at RRCE, inspiring them to achieve academic excellence and holistic development.

Outcome:

Students gained clarity on their academic roadmap, built peer connections, and felt motivated to actively engage in academic and extracurricular pursuits at RRCE.
