**Workshop Report: "A Real Cybersecurity Threat"**

**Date:** 29th April 2025
**Time:** 09:30 AM
**Venue:** Seminar Hall, RRCE

The Department of Computer Science and Design at Rajarajeswari College of Engineering organized a one-day workshop titled **"A Real Cybersecurity Threat"** on **29th April 2025**. This event was conducted under the aegis of the Institution's Innovation Council (IIC) and was aimed at creating awareness among students about real-time cybersecurity issues and threats in the digital era.

The **resource person** for the session was **Dr. Muruganandham S K**, Associate Professor, MCA Department, RRCE. He delivered an insightful session covering the various dimensions of cyber security including types of threats, case studies on recent cyber attacks, cyber hygiene, and the significance of ethical hacking.

The workshop began promptly at 09:30 AM in the Seminar Hall of RRCE. It was inaugurated with a brief welcome address, followed by Dr. Muruganandham's engaging presentation. The session was well-received by students and faculty alike, who actively participated and posed several thoughtful questions during the interactive segment.

The department was privileged to have the constant support and encouragement of **Dr. Selvi M**, Associate Professor & Head of the Department (CSD), and **Dr. R. Balakrishna**, Principal of RRCE, who have been instrumental in facilitating such learning opportunities for students.
