REPORT

Career Guidance Program

On

"Global Education, Global Careers"

Resource Person: Neha Mundra, Assistant Manager-UK/Ireland, EU & Dubai

Connect 2 Overseas, Bangalore

Date: 27th March 2025

Time: 10:45 AM to 11:45PM

Venue: Apj Abdul Kalam Hall

Coordinators: Dr. Anitha S, Prof. Chaithanya S

Participants: 4th Sem Students from ECE Department

Program Overview:

Explores how international education experiences significantly impact students' academic growth and career trajectories. This seminar highlights the role of global exposure in developing cross-cultural competencies, language skills, and a global professional network. It also covers the pathways from studying abroad to securing international job opportunities. The session aims to bridge the gap between global learning and global earning. Ultimately, it empowers students to make informed decisions about their education and career goals.

Objectives:

- To understand the influence of global education on career advancement and employability.
- To explore how studying abroad develops global competencies, adaptability, and leadership.
- To identify international career pathways linked to academic programs abroad.
- To provide information on how to build a professional network during international studies.
- To prepare students for the transition from international education to a global workforce.

ELECTRONICS AND COMMUNICATION ENGINEERING

Outcomes:

- Students will recognize the long-term career benefits of pursuing education in foreign countries.
- Participants will understand how global exposure enhances communication, problem-solving, and adaptability.
- Attendees will be equipped with knowledge about leveraging academic opportunities for global employment.
- Students will be more aware of international job markets and visa policies related to post-study work.
- Participants will develop a strategic mind-set for planning both education and career in an international context.
