## ELECTRONICS AND COMMUNICATION ENGINEERING

Dates: 19/08/2025

### CIRCULAR

This is to inform that the Department of Electronics and communication Engineering is Organizing Mock Interviews on 23<sup>rd</sup> August 2025.

All the IV Year students are encouraged to attend the mock interview.

Venue: Room Nos. 402, Room No. 403, 4th floor, ECE, RRCE, Bengaluru.

Time: 9:30 AM - 3:30 PM

Resource persons: Inter department Experts

RRCE, Bengaluru

**REPORT**

**On**

**“Mock Interviews for 7<sup>th</sup> Semester Students”**

**Resource Persons:**

- 1. Dr. Lakshmi B L, Professor & Head, Dept. of MBA**
- 2. Mr. Deeraj, Assistant Professor, Dept. of MCA**

**Date: 23<sup>rd</sup> August 2025**

**Time: 9:30 AM to 3:30PM**

**Venue: Room No. 402, Room No. 403, 4<sup>th</sup> floor, Dept. of ECE**

**Coordinators: Dr. Anitha S, Professor**

**Mrs. Chaithanya S, Asst. Prof.**

**Participants: 4<sup>th</sup> Year Students from ECE Department**

**Program Overview:**

The Mock Interview Program was conducted for final-year engineering students to simulate real-world recruitment scenarios and prepare them for upcoming placement opportunities. The program was designed in line with current industry interview practices and included technical, HR, and behavioral interview rounds. Students were assessed on their technical knowledge, problem-solving abilities, communication skills, and professional etiquette. Experienced interviewers interacted with the students and provided real-time, constructive feedback to help them understand employer expectations. The initiative encouraged self-assessment, helped identify individual strengths and areas for improvement, and boosted students' confidence in facing actual interviews. Overall, the program acted as an effective bridge between academic learning and industry requirements, enhancing students' readiness for their professional careers. All the professors of the dept. were also a part of the internal panel.

## ELECTRONICS AND COMMUNICATION ENGINEERING

### Objectives:

- To prepare students for real campus and off-campus placement interviews
- To assess students' technical knowledge and problem-solving skills
- To improve communication, body language, and professional etiquette
- To identify individual strengths and areas for improvement
- To build confidence in handling technical and HR interview questions

### Outcomes:

- Students gained practical exposure to real interview scenarios
- Improved confidence and clarity in answering interview questions
- Enhanced awareness of industry expectations and interview standards
- Constructive feedback helped students work on technical and soft-skill gaps
- Better preparedness for placement drives and future career opportunities

### Short Profile

**Dr. Lakshmi B L**

**Professor & Head, Dept. of MBA**

**Rajarajeswari college of Engineering, Bengaluru**

With over 15 years of experience in teaching across various universities, this professional brings deep academic insight combined with practical exposure. They have consistently contributed to student growth by delivering structured learning and mentoring across diverse disciplines. In addition to academics, she has actively conducted personality development programs, helping individuals build confidence, communication skills, and leadership qualities. Their experience in counseling sessions reflects a strong ability to guide individuals through personal, academic, and career-related challenges with empathy and professionalism. Beyond classrooms and boardrooms, she has played a key role in executing CSR initiatives in collaboration with government bodies. These initiatives demonstrate a strong commitment to social responsibility and community development. Overall, the profile reflects a balanced blend of academic excellence, corporate training expertise, counseling proficiency, and impactful social engagement.

## ELECTRONICS AND COMMUNICATION ENGINEERING

### Short Profile

**Mr. Deeraj**

**Assistant Professor, Dept. of MCA**

**Rajarajeswari college of Engg.**

**Bengaluru**

As an accomplished academician and industry-aligned professional, sir holds a Master's degree in Computer Applications (MCA) and currently serve as a faculty member at Rajarajeswari College of Engineering (RRCE). With 1.5 years of teaching experience, he is specialized in high-end technologies, delivering advanced education and training that bridge theoretical concepts with real-world implementation. He is currently pursuing a Ph.D. under Visvesvaraya Technological University (VTU), where his research focuses on IOT and missile technology—a domain that integrates cutting-edge innovation with national defence relevance. Leveraging both academic rigor and practical insights, he is committed to empowering students through a curriculum that emphasizes application-driven learning, critical thinking, and hands-on exposure. His objective is to prepare aspiring professionals to navigate and excel in today's complex and rapidly evolving technological landscape.
