"Awareness on Study Abroad Opportunities"

Resource Person: Mr. Prasad Shetty

Manager, Buisness Development LCI Group, Bengaluru

Date: 25thSeptember 2025

Time: 11:45 AM to 12:45PM

Venue: Dr.Satyendranath Bose seminar Hall, Department of ECE RRCE.

Coordinators: Dr.Anitha S,Prof.Chaithanya S

Participants: 3rd Year Students from ECE Department

Program Overview:

In an increasingly globalized world, international education offers students a competitive edge through exposure to advanced learning environments, multicultural experiences, and global career opportunities. However, many students are unaware of the variety of programs, scholarships, and resources available to help them study abroad. This talk bridges that gap by demystifying the process, breaking down country-specific requirements, and highlighting the long-term academic and professional benefits. By raising awareness, students are empowered to dream bigger, plan strategically, and take steps toward realizing their global education goals.

Objectives:

- To create awareness among students about study abroad opportunities across various countries and academic disciplines.
- To educate students on the procedures and requirements for international university applications.
- To inform students about available scholarships, funding options, and financial planning for studying abroad.
- To highlight how international education contributes to personal development and global career advancement.

Outcomes:

- Students will demonstrate awareness of diverse international study programs that align with their future aspirations.
- Students will gain clarity on admission criteria, documentation, and deadlines for global university applications.
- Students will be able to analyze the value of international education in enhancing career prospects and cross-cultural competence.
- Students will develop a concrete action plan to pursue higher studies abroad, including preparation for scholarships and financial aid.
