On****“Career Pathway and Study Abroad Opportunities”****Resource Person: Mr. Allen Rakesh John****Branch Head, LCI Group, Bengaluru****Date: 25th September 2025****Time: 10:45 AM to 11:45PM****Venue: Dr.Satyendranath Bose seminar Hall, Department of ECE RRCE.****Coordinators: Dr.Anitha S, Prof.Chaithanya S****Participants: 4th Year Students from ECE Department****Program Overview:**

In today's interconnected and competitive world, it is crucial for students to be aware of both local and global opportunities that can shape their futures. Understanding career pathways allows them to align their skills, interests, and academic pursuits with real-world industry needs. Simultaneously, exploring study abroad options opens doors to international exposure, cross-cultural learning, and advanced research possibilities. This talk empowers students to think beyond conventional routes, equipping them with the knowledge and confidence to pursue ambitious goals both at home and abroad. Through informed planning, they can position themselves for success in an evolving global job market.

Objectives:

- To help students explore diverse career pathways relevant to their field of study.
- To create awareness about opportunities and benefits of pursuing higher education abroad.
- To guide students in aligning their academic choices with long-term career goals.
- To equip students with practical knowledge and resources for making informed educational and professional decisions.

**Department of Electronics and Communication
Engineering****Outcomes:**

- Students will be able to identify a wide range of career paths within their technical domain, including emerging global trends.
- Students will understand the process and requirements for applying to international study programs and universities.
- Students will be able to explore and evaluate scholarship options and funding opportunities for studying abroad.
- Students will develop a clearer academic and professional roadmap that integrates global exposure with career advancement.
