

Club Name: HackWithIndia RRCE

About Us:

We are the official college chapter of HackWithIndia, India's largest hackathon community. Our mission is to empower students with hands-on experience, industry mentorship, and a platform to innovate. We provide our members with access to national-level hackathons, skill-building workshops, and opportunities to win internships, prizes, and global recognition.

Club Leadership:

- **Faculty Coordinator:** Dr. Selvi M
- **President:** Mahima Gopal Inamdar
- **Vice President:** P C Karthik

Faculty Coordinator:

1. Dr Selvi M(Head of Department CSD)

"It is with great pleasure that I welcome you to the HackWithIndia RRCE club. This initiative is designed to be a cornerstone for innovation and technical excellence within our institution. I encourage every student to leverage this platform to transform your ideas into impactful solutions and build a robust foundation for your future careers."

Additionally, to highlight our student leadership, we will also include:

- A short statement from **Mahima Gopal Inamdar** (President)

"My vision is to cultivate a vibrant tech community at RRCE where every student feels empowered to innovate, collaborate, and turn their ideas into reality."

- A short statement from **P C Karthik** (Vice President)

"I am passionate about building a strong, inclusive community where we learn and grow together, turning complex challenges into opportunities for collective achievement."
