5. Outcome of the Event:

The seminar on “**Do's & Don'ts of Resume**” was successfully organized by the **Department of Electrical and Electronics Engineering** on **4th November 2025** at the **EEE Seminar Hall**. The program was conducted to create awareness among students about the importance of effective resume preparation and to guide them in presenting their academic and technical skills professionally.

The session was handled by **Dr. P Ebby Darney, Professor and Head, Department of Electrical and Electronics Engineering, RRCE**, who explained the essential components of a professional resume, common mistakes to avoid, and the expectations of recruiters. The speaker also emphasized formatting, clarity, relevance of content, and the importance of tailoring resumes for different job roles.

The seminar was highly informative and interactive, enabling students to understand practical resume-building strategies that enhance employability. The active participation of students and the valuable insights shared during the session made the program a successful and beneficial learning experience.

6. 50 students actively participated in the seminar.
