

Ref: RRCE/EEE/2025-26 /012

Dates: 28/01/2026

**CIRCULAR**

All the students of 5<sup>th</sup> semester are informed to that the Department of Electrical and Electronics have is organizing a Guest Lecture on “Modern Methodology for Product Development” on 06/02/2026.  
the same.

HOD

MOOGAMBIGAI CHARITABLE AND EDUCATIONAL TRUST  
**RajaRajeswari College of Engineering**

(An Autonomous Institution under Visvesvaraya Technological University, Belagavi)

**Department of Electrical and Electronics Engineering**

Invitation

**RAJARAJESWARI  
COLLEGE OF ENGINEERING**

**An Autonomous Institution**

**Under VTU, Approved by AICTE, UGC & GoK**

No. 14, Ramohalli Cross, Kumbalagodu, Mysore Road, Bengaluru - 560074

**Department of Electrical and Electronics Engineering**

*Organizing a Guest Lecture on*

**'Modern Methodology for Product Development'**

**Resource person:**

**Mr. Kotresh Mundrungi**

**Director**

**Indian Tech - Keys**

**Bengaluru**

**Date: 06-02-2026**

*Timings - 11:00 AM - 12:30 PM*

*Venue - Aryabhata Seminar Hall*

**Coordinators: Ms. Nandini N & Avinash C M, Asst. Professors**

**Dr. P. Ebby Darney**  
Dean Student Affairs

**Dr. Arul Jose**  
HoD - EEE

**Dr. R. Balakrishna**  
Principal

**Report on “Guest Lecture on Modern Methodology for Product Development” - 06/02/2026**

SL. NO	PARTICULARS	DETAILS
1.	Type Event	Guest Lecture on Modern Methodology for Product Development
2.	Venue	Aryabhata Seminar Hall
3.	Date of the programme	06/02/2026
4.	Time	11 am to 12.45 pm
5.	Chief Guest	Mr. Kotresh Mundrungi, Director, Indian Tech-Keys, Bengaluru
6.	Staff Co Coordinator	Prof. Nandini N & Prof.Avinash C M, Asst. Professors
7.	Students Attended	54
8.	Outcome of the Programme	<ol style="list-style-type: none"><li>1. Modern approaches used in product development .</li><li>2. Innovative solutions and entrepreneurial skills .</li><li>3. Industry requirements, emerging technologies, and real-world engineering applications.</li></ol>

**Campus: #14, Ramohalli Cross, Kumbalgodu, Mysore Road, Bengaluru – 560074**

**Report :**

The session was delivered by **Mr. Kotresh Mundrungi**, Director, Indian Tech – Keys, Bengaluru, who served as the Resource Person for the programme. The event was organized under the guidance of the Head of the Department, Dr. Arul Jose, and coordinated by **Prof. Nandini N and Prof. Avinash C M**, Assistant Professors of the EEE Department.

The programme commenced with a formal welcome address, introducing the guest speaker and highlighting the importance of modern product development methodologies in today's competitive technological landscape. The speaker began the session by explaining the evolution of traditional product development approaches toward modern agile and innovation-driven frameworks.

During the lecture, Mr. Kotresh elaborated on the stages of product conceptualization, market research, requirement gathering, system architecture design, hardware-software integration, testing, validation, and commercialization. He emphasized the importance of interdisciplinary collaboration, risk assessment, quality assurance, and time-to-market strategies in product development.

The session also covered practical aspects such as:

- Prototype development and testing
- Importance of user feedback in product refinement
- Cost optimization strategies
- Documentation and compliance standards
- Intellectual Property considerations

The speaker shared real-time industry experiences and case studies that illustrated how innovative methodologies significantly reduce development cycles while improving product reliability and customer satisfaction.

An interactive question-and-answer session was conducted at the end of the lecture, where students actively participated and clarified their doubts regarding industry expectations, technical skill requirements, and startup opportunities.

The programme concluded with a vote of thanks, expressing gratitude to the resource person for sharing his valuable insights and to the management for their continuous support in organizing such knowledge-enhancing events.

The guest lecture was highly informative, technically enriching, and beneficial for all participants. It significantly contributed to enhancing students' understanding of modern engineering practices and prepared them to meet industrial challenges effectively
