RAJARAJESWARI COLLEGE OF ENGINEERING AN AUTONOMOUS INSTITUTION

Under Visvesvaraya Technological University, Belagavi, Approved by AICTE, UGC & GoK
No. 14, Ramohalli Cross, Kumbalagodu, Mysore Road, Bengaluru - 560074

VISION

To empower young minds through technology, research, and innovation, to produce technically competent and socially responsible professionals in higher education.

MISSION

To deliver excellence in education through innovative teaching, impactful research, and continuous skill development, preparing students to meet global challenges with technical expertise and ethical responsibility.

To foster a transformative learning environment that integrates technology, research, and practical experience, empowering students to become skilled professionals and socially conscious leaders.

To cultivate a culture of lifelong learning and professional excellence by encouraging creativity, research, and community engagement, equipping students with the skills to thrive in a dynamic world

To provide a holistic educational experience that combines advanced technology, hands-on research, and community-focused learning, shaping students into competent, ethical professionals who contribute positively to society.

Dr.A.C.Shanmugam

CHAIRMAN'S VOICE

Dear Alumnus,

RajaRajeswari College of Engineering established in the year 2006 indeed has come a very long way. With NBA and NAAC "A+" Grade Accreditations, today RRCE is considered as one of the most eminent colleges of Bengaluru. Maintaining the momentum, we must focus our attention on the present so that the future too, is as dynamic as our past. We must march on with confidence and bring about necessary changes to create a brighter future of this great institution. A future that outshines the glorious past!

The Alumni of the college who with their visions, dreams, aspirations and hopes, have contributed and driven the growth of the organizations they served thus bringing repute to the Institute.

My message to all the alumni is come, join hands together, to form one family and be the largest network that will shine the name of the group in all segments.

Sri.A.C.S ArunKumar

Rajarajeswari Group of Institutions

PRESIDENT'S VOICE

Dear Alumnus,

We have a proud tradition on the cusp of an exciting era. We believe that our alma mater will provide the right impetus to streamline all our dreams into a unified actionable vision without hindrances. I call upon the educators and student community to join hands in bringing about the change.

I extend my heartfelt wishes to all the concerned and wish the event a great success.

EXECUTIVE DIRECTOR'S VOICE

The aim of any institution should be to teach students to LEARN, not just STUDY. Hence, we strive to travel beyond the boundaries of mere books. Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years that you spent in RajaRajeswari College of Engineering would have enabled you to equip with leadership and managerial skills. The knowledge that you have gained, the fine qualities that you have imbibed and the skills that you will learnt will be your major contribution to your parents, to society, and to the nation. We have invested our trust on our students and I am very happy to state here that our alumni have really done us proud. This event gives opportunity to renew the bonds between the alumni and their Alma Mater, reflect the situation of the college today and to strengthen the relationship among the alumni themselves.

Dr.Vijayanand .S

Executive Director

Rajarajeswari Group of Institutions

PRINCIPAL'S VOICE

"On behalf of the Board of Management, the teaching staff, the students and the parents, let me extend sincere greetings. It is with humility and pride that we joined force with the wider community in saying a big thanks to our Alumni's over the years. The strides made by our college, the accolades received, and its illustrious journey in the future, are possible due to the dynamic students. Every student who has walked into this portal of learning has left an indelible mark in its history by his/her attitude, commitment for social development and holistic excellence. The alumni of our college are the strong force in building our nation. Your alma mater is proud of you. Alumni Association of RajaRajeswari College of engineering is a platform for all our pride Alumni's to connect, communicate and converge. I welcome all our beloved alumni's to be an active part of this Association.

Vice-President- AARRCE
Technology Analyst, Infosys Ltd

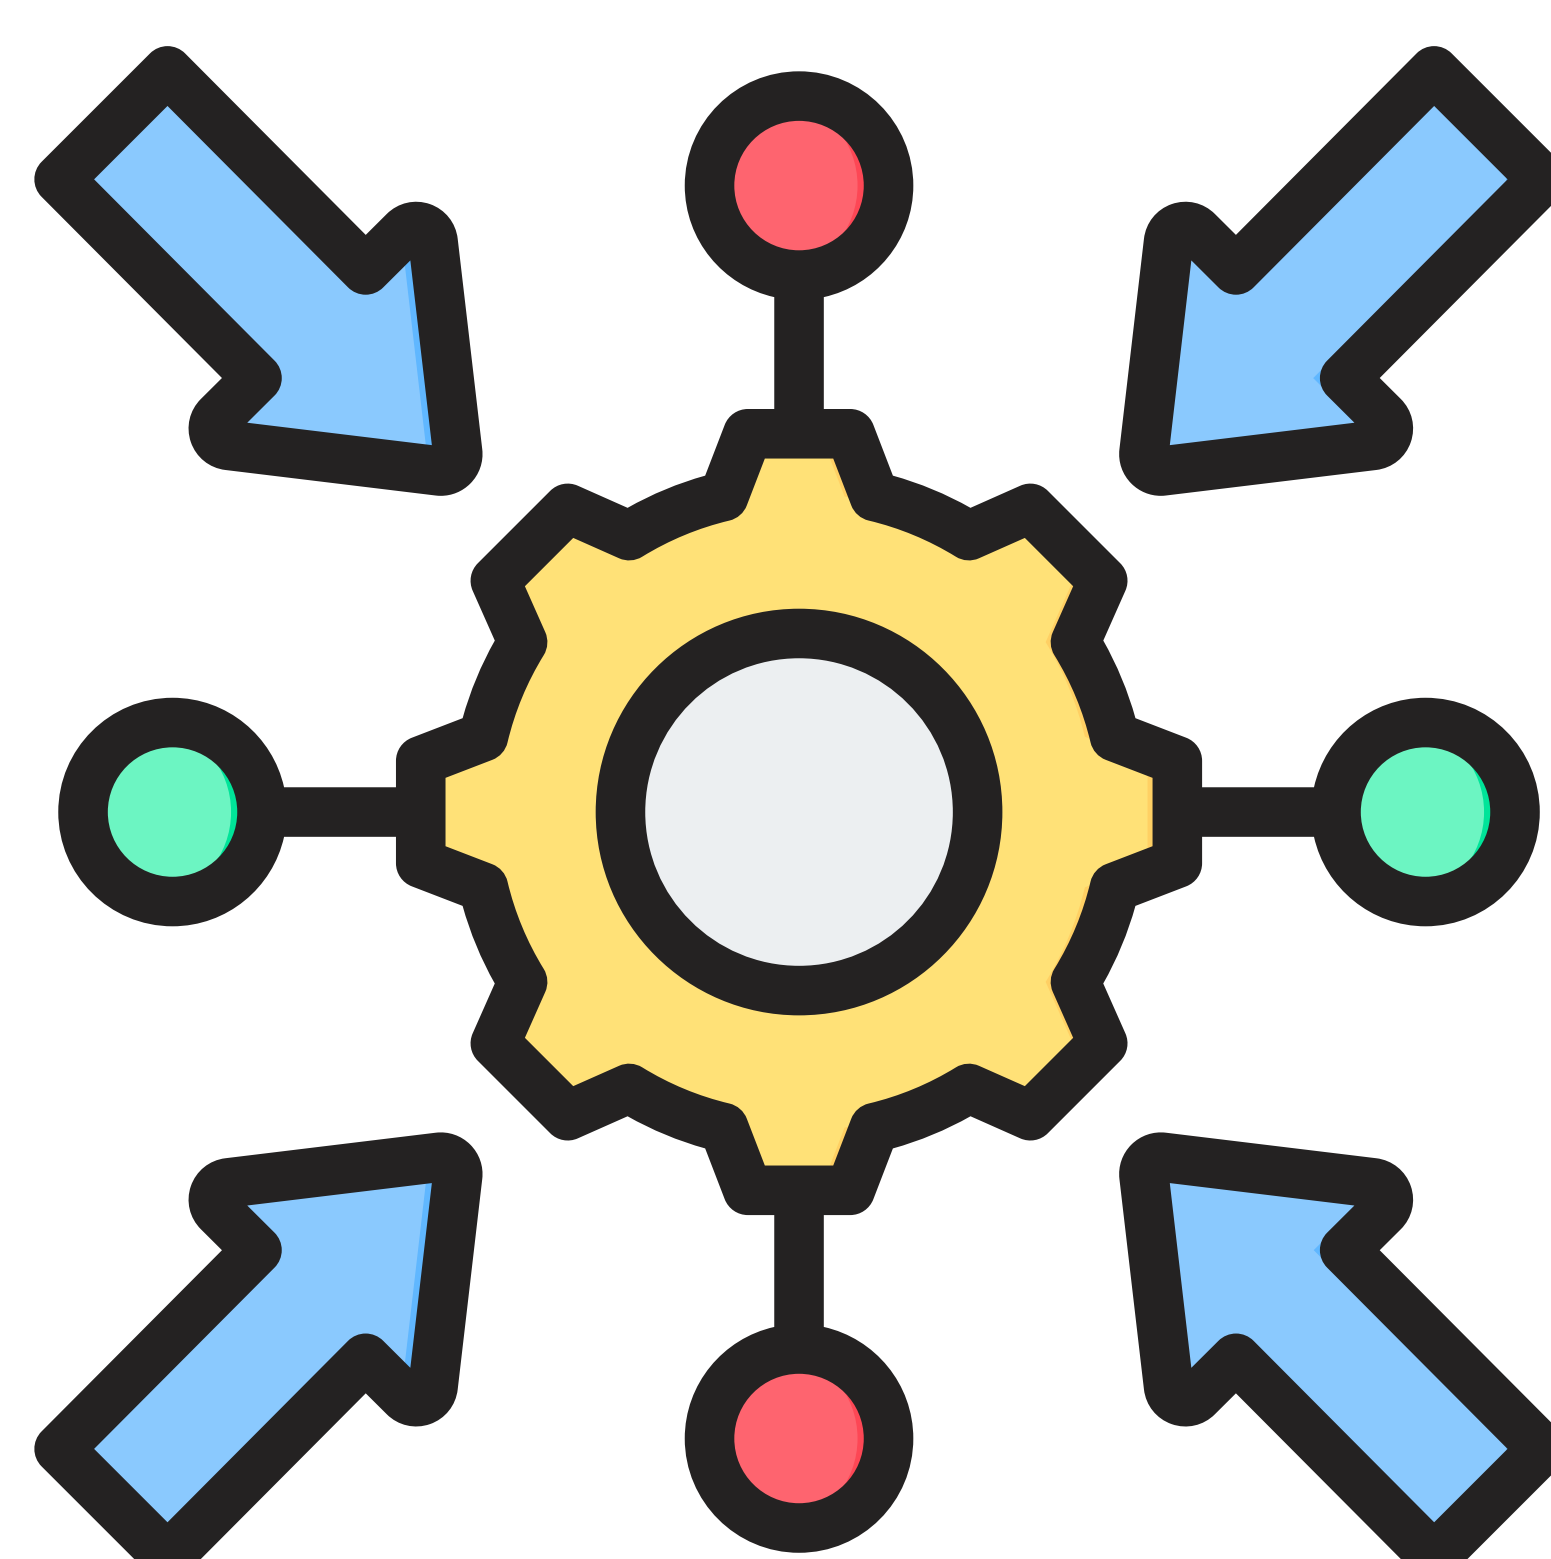

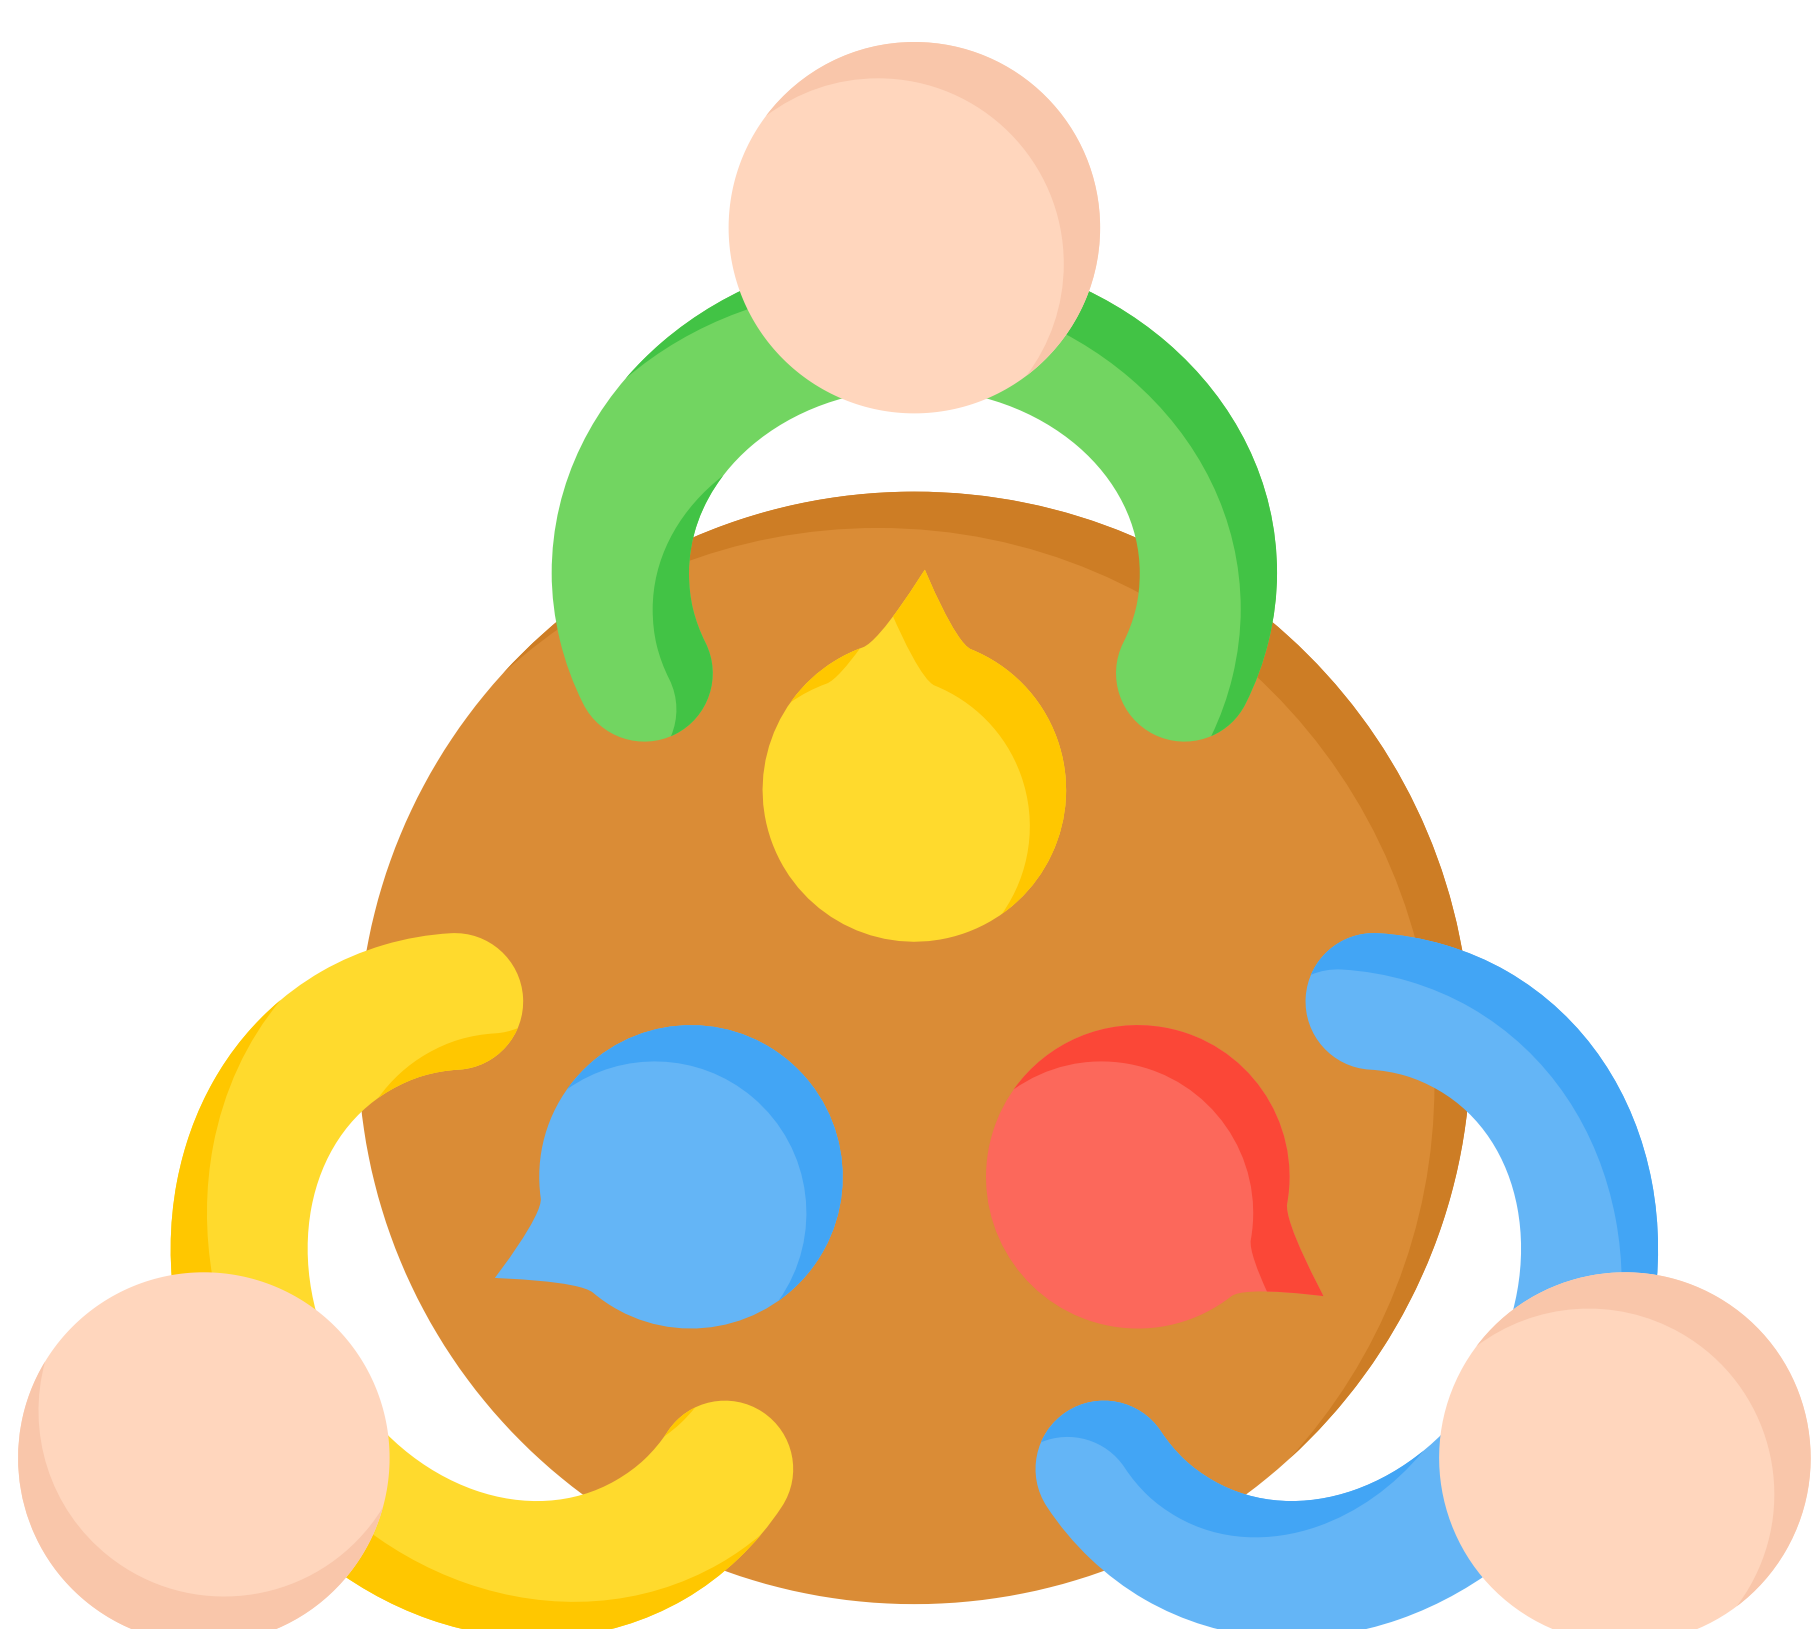

President Voice

My four years at RRCE were nothing short of extraordinary! From classrooms to the canteen, every moment was filled with lessons, laughter, and cherished memories.

Enjoy the ride, don't expect a predictable, linear path, and be grateful for that. My degree with RRCE led me to roles, industries and cities i would never have imagined. And in the long run, even the occasional (and thankfully brief) rough patches proved to be valuable experiences.

Vice - President Voice

Education is the foundation of every successful career. It not only gives us knowledge but also teaches us how to think critically and solve problems. However, what truly makes us stand out is creativity—it helps us approach challenges in unique ways and come up with innovative solutions. Entrepreneurs represent this creativity, playing a crucial role in society by creating jobs, driving innovation, and addressing real-world problems. Alongside this, extracurricular activities are equally important as they help us develop teamwork, leadership, and time management skills. Together, these elements shape well-rounded individuals ready to contribute meaningfully to the world.

**Mr. Pramod C**

Secretary, AARRCE

M/s. Amazon Development Center
Devops Engineer**Secretary Voice**

"My journey at Rajarajeswari College of Engineering, particularly in the Mechanical Engineering department, has been a truly enriching experience. The guidance of the faculty, coupled with well-equipped labs and a practical curriculum, gave me the skills and confidence to excel in my field.

I am especially grateful to HOD Ramesh Sir for his exceptional leadership and encouragement. His mentorship not only helped me navigate academic challenges but also inspired me to aim higher in my career. The hands-on projects, industrial visits, and technical workshops provided a real-world perspective, while the vibrant campus life fostered personal growth and teamwork skills. These experiences have greatly influenced my professional journey, helping me thrive in a competitive world. I am proud to be an alumnus of RRCE, a place that nurtures talent and transforms potential into success."

**Ms. Radha H K**

Joint Secretary, AARRCE

M/s. Technology Analyst
Organization: Infosys Ltd**Joint Secretary Voice**

As an alumni of Electronics and communication First batch of RRCE , It gives me immense pleasure to see RRCE growing like this.

The enthusiastic, supportive and encouraging faculty makes learning a delight at RRCE.

RRCE has successfully accomplished in providing quality education and overall development of all its students. My 4 years at RRCE has been an excellent memories to cherish for a lifetime. RRCE has played a significant role in shaping my identity and I am deeply grateful.

I feel proud of being an alumni of such a honorable institution.

Treasurer Voice

"As an alumnus of Rajarajeswari College of Engineering, I can confidently say that my time in the Electrical and Electronics Engineering department was a transformative experience. The supportive faculty, well-equipped laboratories, and industry-relevant curriculum provided me with a solid foundation in my field.

The emphasis on practical learning through hands-on projects, industrial visits, and workshops helped me bridge the gap between theoretical concepts and real-world applications. Today, as I advance in my career, I owe much of my success to the guidance and opportunities I received at RRCE. It is a place where passion meets potential, and I am proud to be a part of its ever-growing legacy."

**Mr. Pavan Kumar KR**

Treasurer, AARRCE

The name of RRCE alumni meet “Samanvaya” is been derived from the Sanskrit Word “Samanvaya” which means ‘to join’. Samanvaya can be broken down into two words – sam + anvaya. Sam means ‘to join together’ and anvayah means ‘to put things in an order.’

The objectives of RRCE Alumni Association are:

1. To promote and foster mutually beneficial interaction between the Alumni and the present students of the RRCE and between the Alumni themselves.
2. To encourage the formation of Chapters as a means to increase participation of Alumni.
3. To encourage the Alumni to take an active and abiding interest in the work and progress of the Institute so as to contribute towards enhancement of the social utility of their Alma Mater.
4. To undertake to organize activities of a civic or charitable nature as also to increase public awareness of the role of technology in value addition in the economic and social development of the nation.

REGISTRATION DETAILS OF RRCE-ALUMNI ASSOCIATION:

RRCE- Alumni Association is officially registered under Karnataka Societies Registration Act 1960 on July 8th 2013.

The association is requesting the alumni to become annual member by paying Rs. 200 and Rs. 1000 for life member. Also it is decided to issue the membership card.

MEMORIES OF “SAMANVAYA-24”

ALUMNI ASSOCIATION MEETS REPORT

The first RRCE alumni association was formed conducted in the year 2012, and was held at “the club”, RR Nagar, Bengaluru on 26th January participated by 50 alumni which was headed by Miss. Maya salimutt, Associate Professor, Dept. of MBA.

In that meet, election was conducted to elect office bearers of alumni association for the post of president, vice-president and secretary.

Second alumni meet held on 26th January 2013, conference hall, RRCE campus. Around 90 alumni participated, headed by Mrs. P. Bhuvanewari, Associate Professor, Dept. of ECE. In that meet, executive committee members were framed, “Bye laws” were formulated and approved by the EC members. In the same year, RRCE alumni association got officially registered under Karnataka society registration act 1960 on 8th of July. Joint savings account was opened by the RRCE alumni association in ICICI bank at RRCE campus which is operated by the Dean and treasurer of the alumni association.

Third alumni meet held on 26th January 2014, headed by Mrs.P.Bhuvanewari, Associate Professor, and Dept. of ECE and member coordinators from all the departments. In this meet, as per the “Bye laws” election was conducted after two years and new office bearers were elected for the various post of the alumni association.

Fourth alumni meet held on 26th January 2015, conference hall, RRCE campus, headed by Mrs. P. Bhuvanewari, Associate Professor, Dept. of ECE. And there was an alumni meet conducted during the NBA visit, October 2015.

Alumni meet Samanvaya from 2016 to 2018 was headed by Mr. Pavan Kumar K R Assistant Professor, Department of EEE, and member coordinators from all the departments.

Alumni meet Samanvaya from 2020 to 2024 was headed by Dr. Savitha B, Associate Professor, Department of Mathametics. As per the “Bye laws” election will be conducted once in two years and new office bearers will be elected for the various post of the alumni association.

The Association is much grateful to our management for allocating space in RRCE campus for the alumni members to discuss various activities and it is effectively utilized by our executive Committee Members during discussion.

ALUMNI GLIMPSES

ALUMNI VOICE

Ms. NAGAMANI M B (2010-2012)

ALUMINI – MBA

Microland Ltd, Senior HR association

I am thrilled to express my heartfelt gratitude to Raja Rajeswari College of Engineering (RRCE) for being a cornerstone in my academic and personal journey. The institution and its amazing faculty have had a lasting impact on my life.

I will forever cherish the invaluable lessons, memories, and motivation I received from my professors and the institution. They were true mentors who guided us academically and personally, instilling confidence and resilience to face challenges. RRCE's nurturing environment encouraged us to explore our potential, shaping us into well-rounded individuals ready to excel in life.

I am pleased to share my wonderful experience at Raja Rajeswari College of Engineering (RRCE) as a proud member of the 2012 batch. My time at RRCE was truly transformative, filled with invaluable learning experiences. The expert faculty at RRCE played a vital role in shaping our academic journey, serving as both educators and mentors who guided us through personal and academic challenges. Their ability to simplify complex concepts and inspire a love for learning had a lasting impact. Beyond academics, RRCE helped us develop confidence, teamwork, and leadership skills, preparing us for the professional world. The institution will always hold a special place in my heart for nurturing and empowering us to excel in all aspects of life

Ms. SHWETHA KK , ALUMNI – MBA 2010-2012

ACCENTURE SOLUTIONS PVT LTD, Operation Analyst

I have made significant contributions to two high-performing teams, earning GDS User Recognitions, Spot Awards, and Bronze Badges in the AI field, with a key achievement being my role in overcoming challenges during the early AI implementation in a project. My efforts in training AI models to meet client requirements led to recognition and success. My time at RRCE was shaped by the supportive faculty and the mentorship that helped develop my problem-solving skills. RRCE equipped me not only with academic knowledge but also with the confidence and soft skills necessary for thriving in the corporate world. To current students, I advise focusing on both academics and building meaningful connections, while to my fellow alumni, I urge you to maintain a balanced life, prioritizing hobbies, relationships, and health for long-term success

Ms. Bodhi Thrupthi, ALUMINI – ECE, (2018-2022), SOFTWARE ENGINEER, ERNST AND YOUNG , BENGALURU

Ms. R. Vidya Dhare M.S.
University of Central Florida, U.S.A.
ALUMNI –Batch 2022, Dept. of ISE

RRCE, ISE is a place for fun-filled Learning! , Place to Excel in Holistic Development for rewarding career!!

I completed my B.E. at #Rajarajeswari College of Engineering(#RRCE), Bengaluru in the stream of Information Science Engineering(#ISE) in 2022.

As I take a moment to reflect on my incredible journey at Rajarajeswari College of Engineering, I can't help but express my immense appreciation for the Information Science Engineering department. This institution has truly been a beacon of knowledge, shaping not just my academic endeavors, but also fostering an environment that encourages holistic growth.

The Professors and Teachers of RRCE are not just educators; they are mentors who go above and beyond to ensure we grasp the intricacies of our field.

My time at RRCE was full of new and wonderful experiences. I had a great time being here with the entire faculty and my friend, for whom, I had endless support throughout my 2 years of stay here at RRCE. I was happy to be a part of RRCE which helped me in growing out of my comfort zone and be a better version of myself today.

According to me RRCE is one of the best institute to learn, gain knowledge, and to explore many things .teachers are the main pillars for me to grow up in my life, they really work hard to ensure the success of students growth and in parallel co-curricular activities were also done to increase the skills, which keeps the students active and happy. Thank you RRCE.

Mr. SRIJAN

MRESULT TECHNOLOGIES, SOFTWARE DEVELOPMENT ENGG.

ALUMNI-DEPT. OF CSE

ALUMNI VOICE

My four years at RRCE were nothing short of extraordinary! From classrooms to the canteen, every moment was filled with lessons, laughter, and cherished memories.

A heartfelt thanks to the amazing lecturers who, despite our “efforts” to test their patience, stood by us and taught us all we needed (and more!). While others complained about barely being taught, we proudly learned enough to face the world. Yes, we may have tested their patience out of love, but they always had our backs—something I’m forever grateful for.

To all students: cherish your time at RRCE—it’s more than a college; it’s a launch pad to greatness!

Forever an RRCEian,

Ms. NAYANA NANJUNDAPPA , ALUMNI – DEPT ECE, Ted Baker and Barbour, Company: Technical Manager, UK

It was a wonderful experience at RRCE with an excellent exposure provided across the various platforms. The faculty are very supportive and encourage students to push boundaries to rise above expectations. RRCE targets for an overall development of every student, be it education, cultural awareness or practical exposure of business world like industrial exposure and international tour. The placement activities are pretty good and come with a training given on how to conduct oneself and face interviews confidently. The ambience of the campus is very positive and the whole experience is very good and there is always support & motivation from the management to pursue our dreams.

**Mr. YUVRAJ SINGH CHOUHAN (2018-2022),
ALUMNI - CSE , Senior Software Engineer, Talking Lands, Bengaluru.**

RRCE offers several opportunities for excellent all around development. Students find it easy to update oneself with the knowledge provided by professors. It’s a good place to study. You got more industry exposure which is needed to succeed in corporate world.

In this college the faculty member are very good and supportive along with the beautiful infrastructure of the college along with best recreation equipment to student and more focus your soft skill with good exposure. I wish RRCE to be more successful further too.

**Mr. VISHAL, Mainframe Developer, WIPRO
ALUMNI - DEPT. OF CSE**

ALUMNI VOICE

As an alumnus of RRCE from Mechanical Engineering department, I can say that my time at the institute was transformative. The faculties were exceptional, offering both technical knowledge and valuable career guidance. Professors went beyond academics, mentoring us on professional growth, and navigating the challenges after graduation.

The department encouraged a strong learning environment, with hands-on projects and workshops. The balance between theoretical learning and practical exposure gave me the confidence to enter the industry well-prepared.

Overall, RRCE provided me with a solid foundation for a successful engineering career.

Mr. Hariharan P, Alumni - Dept. of ME, Batch - 2017, Associate Engineer in D & D @ Rangsons Aerospace Pvt Ltd

**Mr. RAHUL R S
ALUMNI
DEPT. OF MECH
Bee Technomatic
Engineer- Programs/
business DEvelopment**

I had a wonderful opportunity to study my Mechanical Engineering course at RajaRajeswari College of Engineering from 2010 to 2014. Apart from syllabus we had a chance to participate in the most trending technologies in the industry like Robotic workshops and a few Technical seminars. Hands on experience in the activities like Workshops, Seminars and Internships can be an immense impact of your personality. However, these activities will bring you a lot more advantage and meaning to your professional degree if you can relate it to your syllabus. Engineering is all about solving problems. Can you deny? Any problem we encounter is a great business opportunity. Initially faculty can take responsibility of introducing or exposing real time challenges or industrial experiences to students and getting them involved to solve it which will eventually build Entrepreneur qualities in the Engineers.

**Ms. Soundarya S
Alumni - Dept. of ECE , Batch - 2020**

RRCE college was a blend of challenging coursework, hands-on projects, and collaboration with peers and professors. The lecturers were knowledgeable and passionate, often going the extra mile to ensure students understood complex concepts. From late-night study sessions to working in the lab on innovative projects, the experience was both demanding and rewarding. The camaraderie built during group assignments and the satisfaction of solving complex projects and subjects were highlights. Additionally, guest lectures and workshops by industry experts provided valuable insights into the real-world applications of our studies. Overall, engineering college was an enriching journey that fostered both personal and professional growth.

I take this opportunity to say thanks for all my teachers, college and Lab assistants my friends for helping me to become an Engineer which lead me to get respect in society.

Also My sincere thanks to My HOD sir Mr Arunachalamurty, he is the greatest inspiration for me join Master's and which leads me in this position.

As of my personal opinion we engineers are the one who are having excellent capability of turning imagination in to reality and building that confidence within us is the responsibility of colleges and teachers and I believe it's perfectly done.

Thank you once for giving wonderful memories and also strength for surviving in

Mr.VIKAS U , Operations Manager, ANUBHAVI AUTOMATIONS PVT LTD., Bangalore.ALUMNI - DEPT OF EEE

Today my words are not enough to express the gratitude. RRCE is an initiative to nurture & develop innovation. Students from diverse disciplines come together to develop many path breaking initiatives. Heartfelt thanks to all our faculties/teachers who are our second parents, who always stood by us, guide us, lead us & motivate us. The four years spent here was magnificent & helped me a lot to explore further. Apart from the academics, department offers various opportunities like sports, extracurricular activities, industrial visits, workshops etc. My journey of becoming a Civil Engineer has finally culminated.

**Ms. RANJITHA L , Quality Assurance & Quality Control Engineer
WIPRO - Infrastructure Creation Group (ICG)
ALUMNI - DEPT. OF CIVIL**

I had a great opportunity to study Civil Engineering in RajaRajeswari College of Engineering from 2018 to 2022. I believe college is treated as the temple for learning, RajaRajeswari College of Engineering has been my temple of learning which has given me immense amount of knowledge and shown me correct path for my future endeavor. I remember when I joined the college, extremely nervous yet excited. Reflecting back on the whole experience now, I would encourage students to recognize that like anything in life, you will face both ups and downs in these four years. The important thing to remember is to always try to be bests yourself. RajaRajeswari College of Engineering is one of the best institutes for your care, with excellent faculty, staff, and facilities.

**Mr. SUKESH.T, TRAINEE ENGINEER, ALUMNI - DEPT OF CIVIL
PURVA STREAKS - PURAVANKARA**

ALUMNI VOICE

Four years ago in 2018, I stepped into RajaRajeswari College of Engineering to earn a Bachelor degree (Civil Engineering). I am grateful that I completed my BE (2018-2022) in RRCE. I must say it was my best decision; I ever made so far, to choose RRCE because it played a vital role in building my career. The faculties are very supportive. The guidance and support I received from the faculties helped me a lot to achieve my important career goal. The faculties not only limited to teaching, but also take care of their students like parents who teach the good values, encourage the students in sports and extracurricular activities and build their students foundations very strong to achieve all Goals for rest of our life.

Ms. PRAKRUTHI R, ALUMNI - DEPT OF CIVIL, ASSOCIATE ENGINEER, VIRTUSA

RRCE is a place of knowledge and bliss.

It has been great pleasure to be part of RRCE. The College has played an important role in my personality development and career building. The management, faculty and staff of this institution are top rated. I have got infinite support from the faculties at each step. There are many cultural and sports events that allows you showcase your talents giving you a versatile environment.

I owe my success to the college and wish the college all the success in the future.

Mr. Ravi Kumar U, AIML, Batch 2020-2024, Building ERTIA Gen LLP and Researching and Contributing in LLM.

**Mokshababu – CSE,
Company - M/s. Getronics , Public Cloud Engineer
Bengaluru**

RRCE has been a place where I picked up a lot of my skills that's helping me even today in my career.

The professors of mechanical engineering department have been more than professors. They've been the friends who helped us both professionally and personally.

Their support to help us carry out our internships and project helped us build our profiles and set us up for our careers.

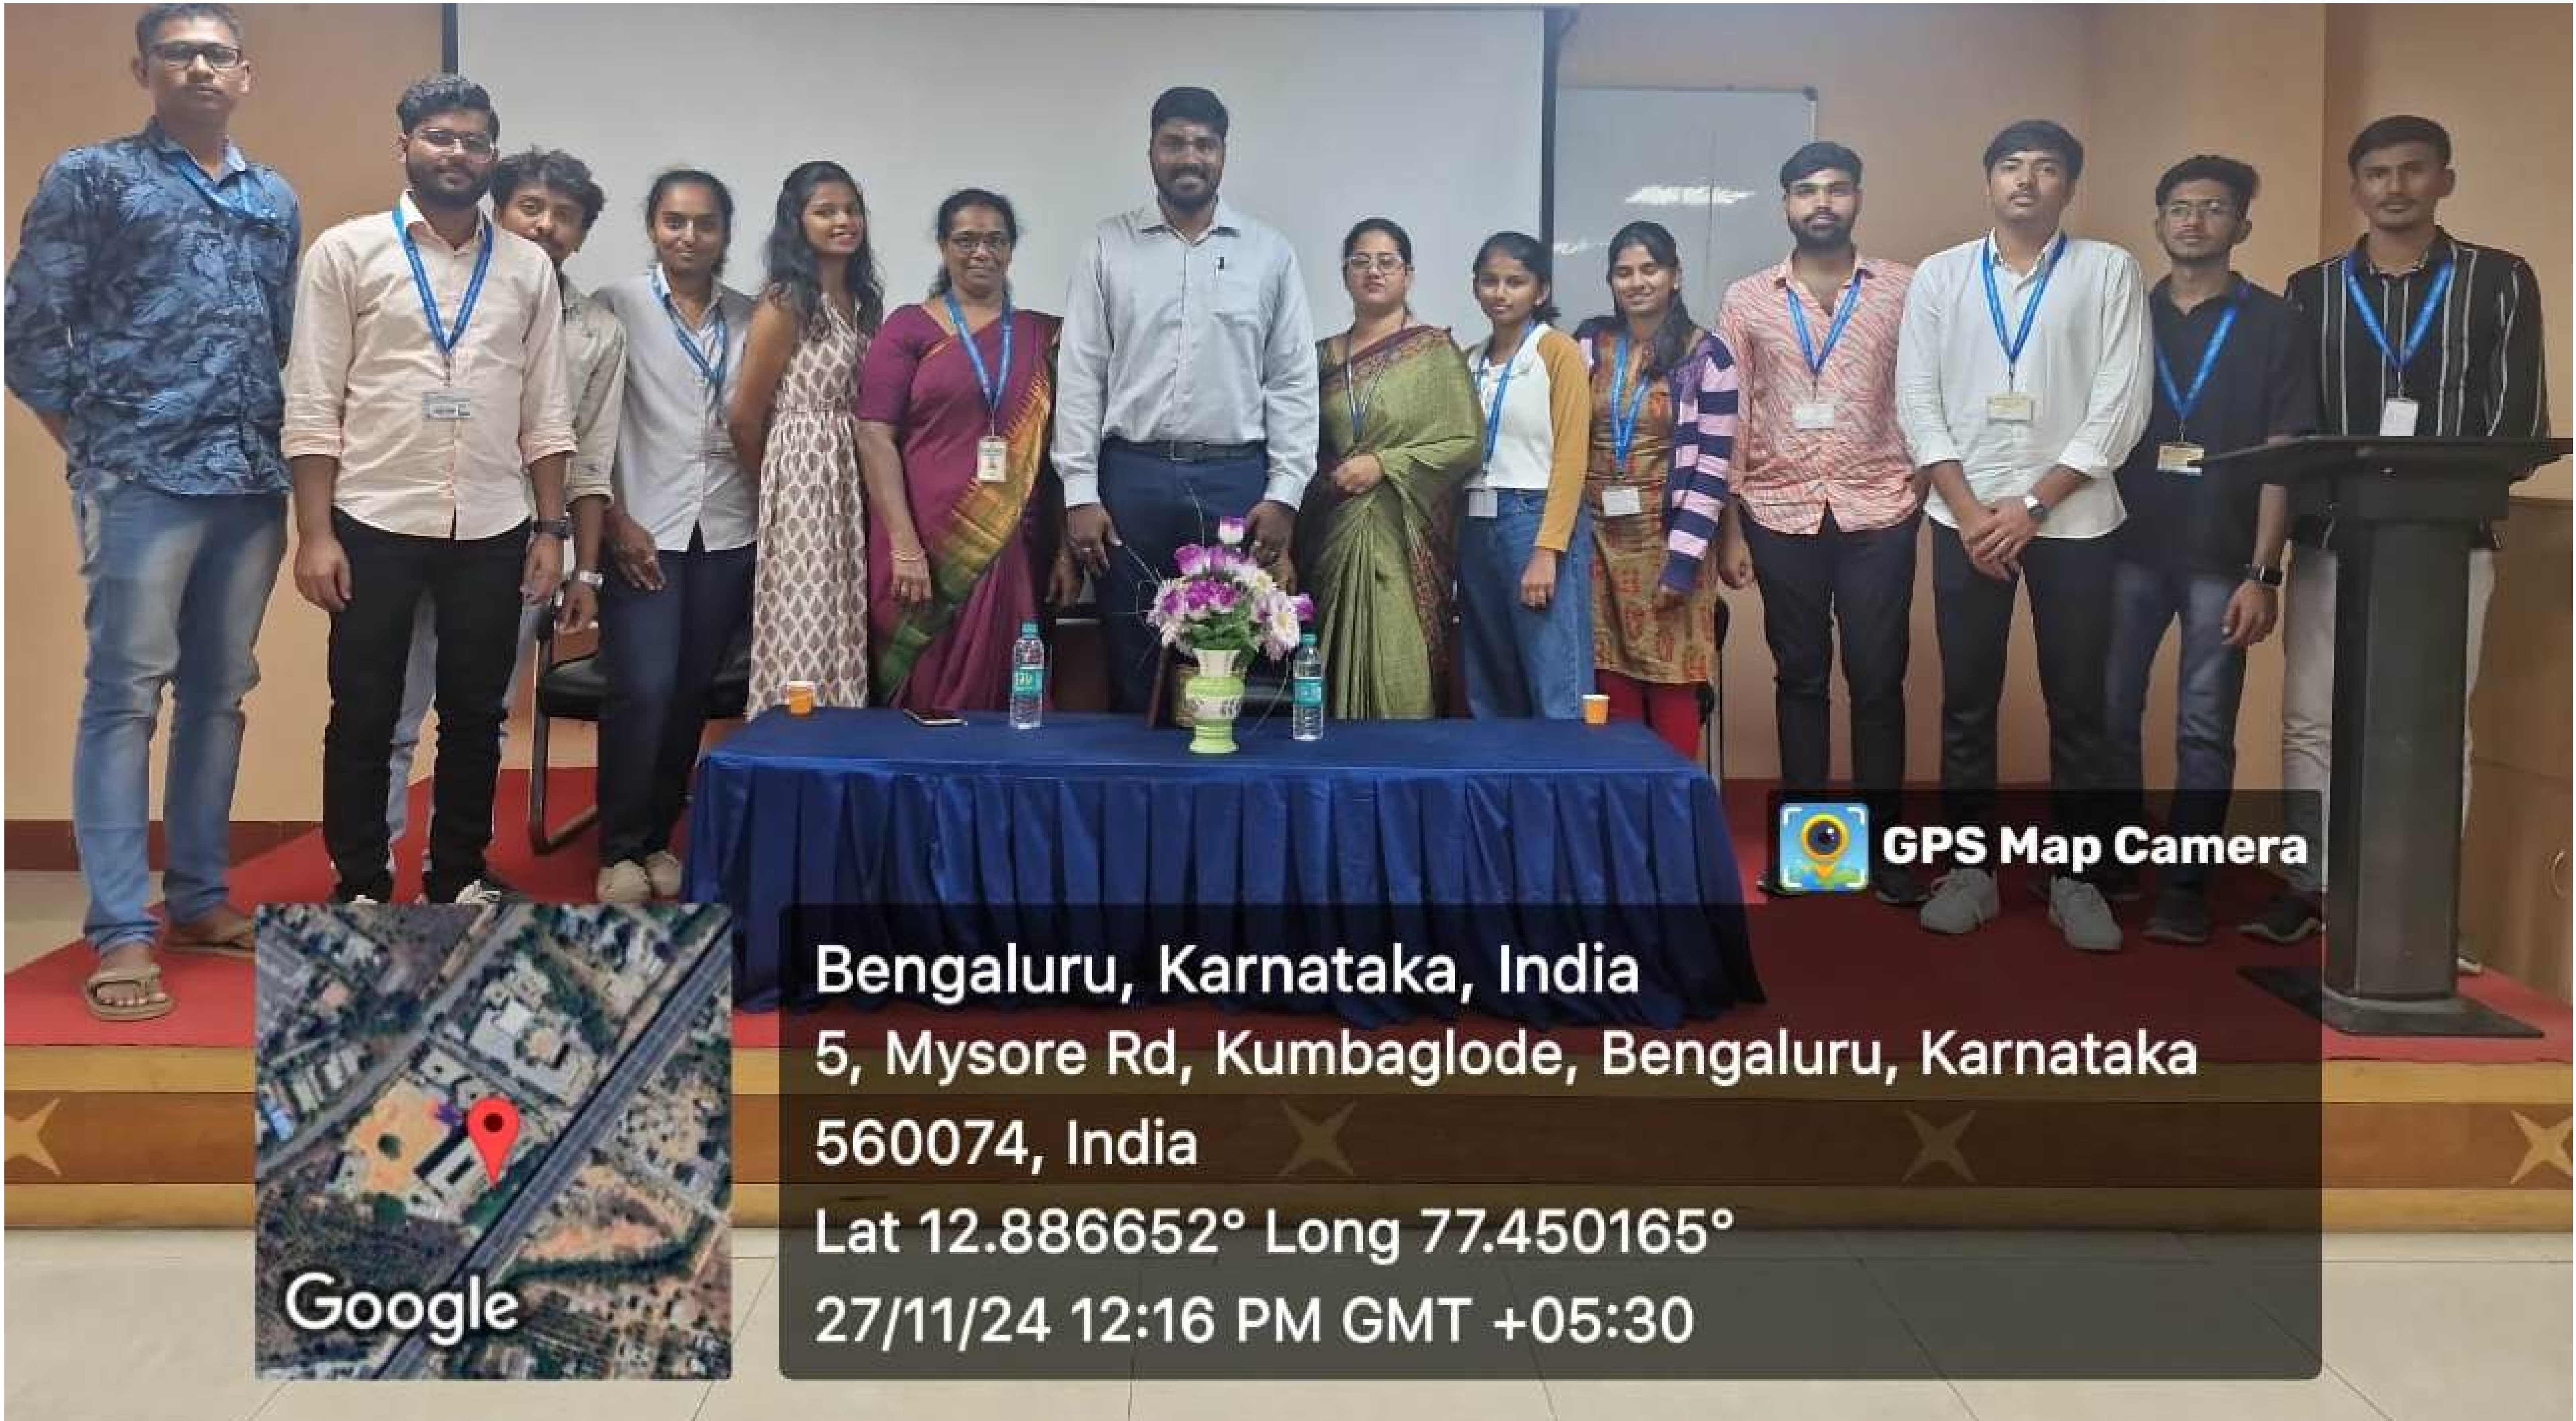

Overall, from the time I graduated, I've seen a lot of growth at RRCE, and also in me.
