**RAJARAJESWARI COLLEGE OF ENGINEERING**

**AN AUTONOMOUS INSTITUTION**

**No. 14, Ramohalli Cross, Kumbalagodu, Mysore Road, Bengaluru - 560074**

**Alumni Association of Rajarajeswari College of Engineering****VISION**

To empower young minds through technology, research, and innovation, to produce technically competent and socially responsible professionals in higher education.

**MISSION**

To deliver excellence in education through innovative teaching, impactful research, and continuous skill development, preparing students to meet global challenges with technical expertise and ethical responsibility.

To foster a transformative learning environment that integrates technology, research, and practical experience, empowering students to become skilled professionals and socially conscious leaders.

To cultivate a culture of lifelong learning and professional excellence by encouraging creativity, research, and community engagement, equipping students with the skills to thrive in a dynamic world

To provide a holistic educational experience that combines advanced technology, hands-on research, and community-focused learning, shaping students into competent, ethical professionals who contribute positively to society.

**Dr.A.C.Shanmugam**

**Founder Chairman**

**Rajarajeswari Group of Institutions**

**CHAIRMAN'S VOICE**

Dear Alumnus,

RajaRajeswari College of Engineering established in the year 2006 indeed has come a very long way. With NBA and NAAC "A+" Grade Accreditations, today RRCE is considered as one of the most eminent colleges of Bengaluru. Maintaining the momentum, we must focus our attention on the present so that the future too, is as dynamic as our past. We must march on with confidence and bring about necessary changes to create a brighter future of this great institution. A future that outshines the glorious past!

The Alumni of the college who with their visions, dreams, aspirations and hopes, have contributed and driven the growth of the organizations they served thus bringing repute to the Institute.

My message to all the alumni is come, join hands together, to form one family and be the largest network that will shine the name of the group in all segments.

## Alumni Association of Rajarajeswari College of Engineering

### PRESIDENT'S VOICE

Dear Alumnus,

We have a proud tradition on the cusp of an exciting era. We believe that our alma mater will provide the right impetus to streamline all our dreams into a unified actionable vision without hindrances. I call upon the educators and student community to join hands in bringing about the change.

I extend my heartfelt wishes to all the concerned and wish the event a great success.

**Sri.A.C.S ArunKumar**

*B.Tech (Hons), LMISTE., MIET., (UK), LMCSI.,*

**President**

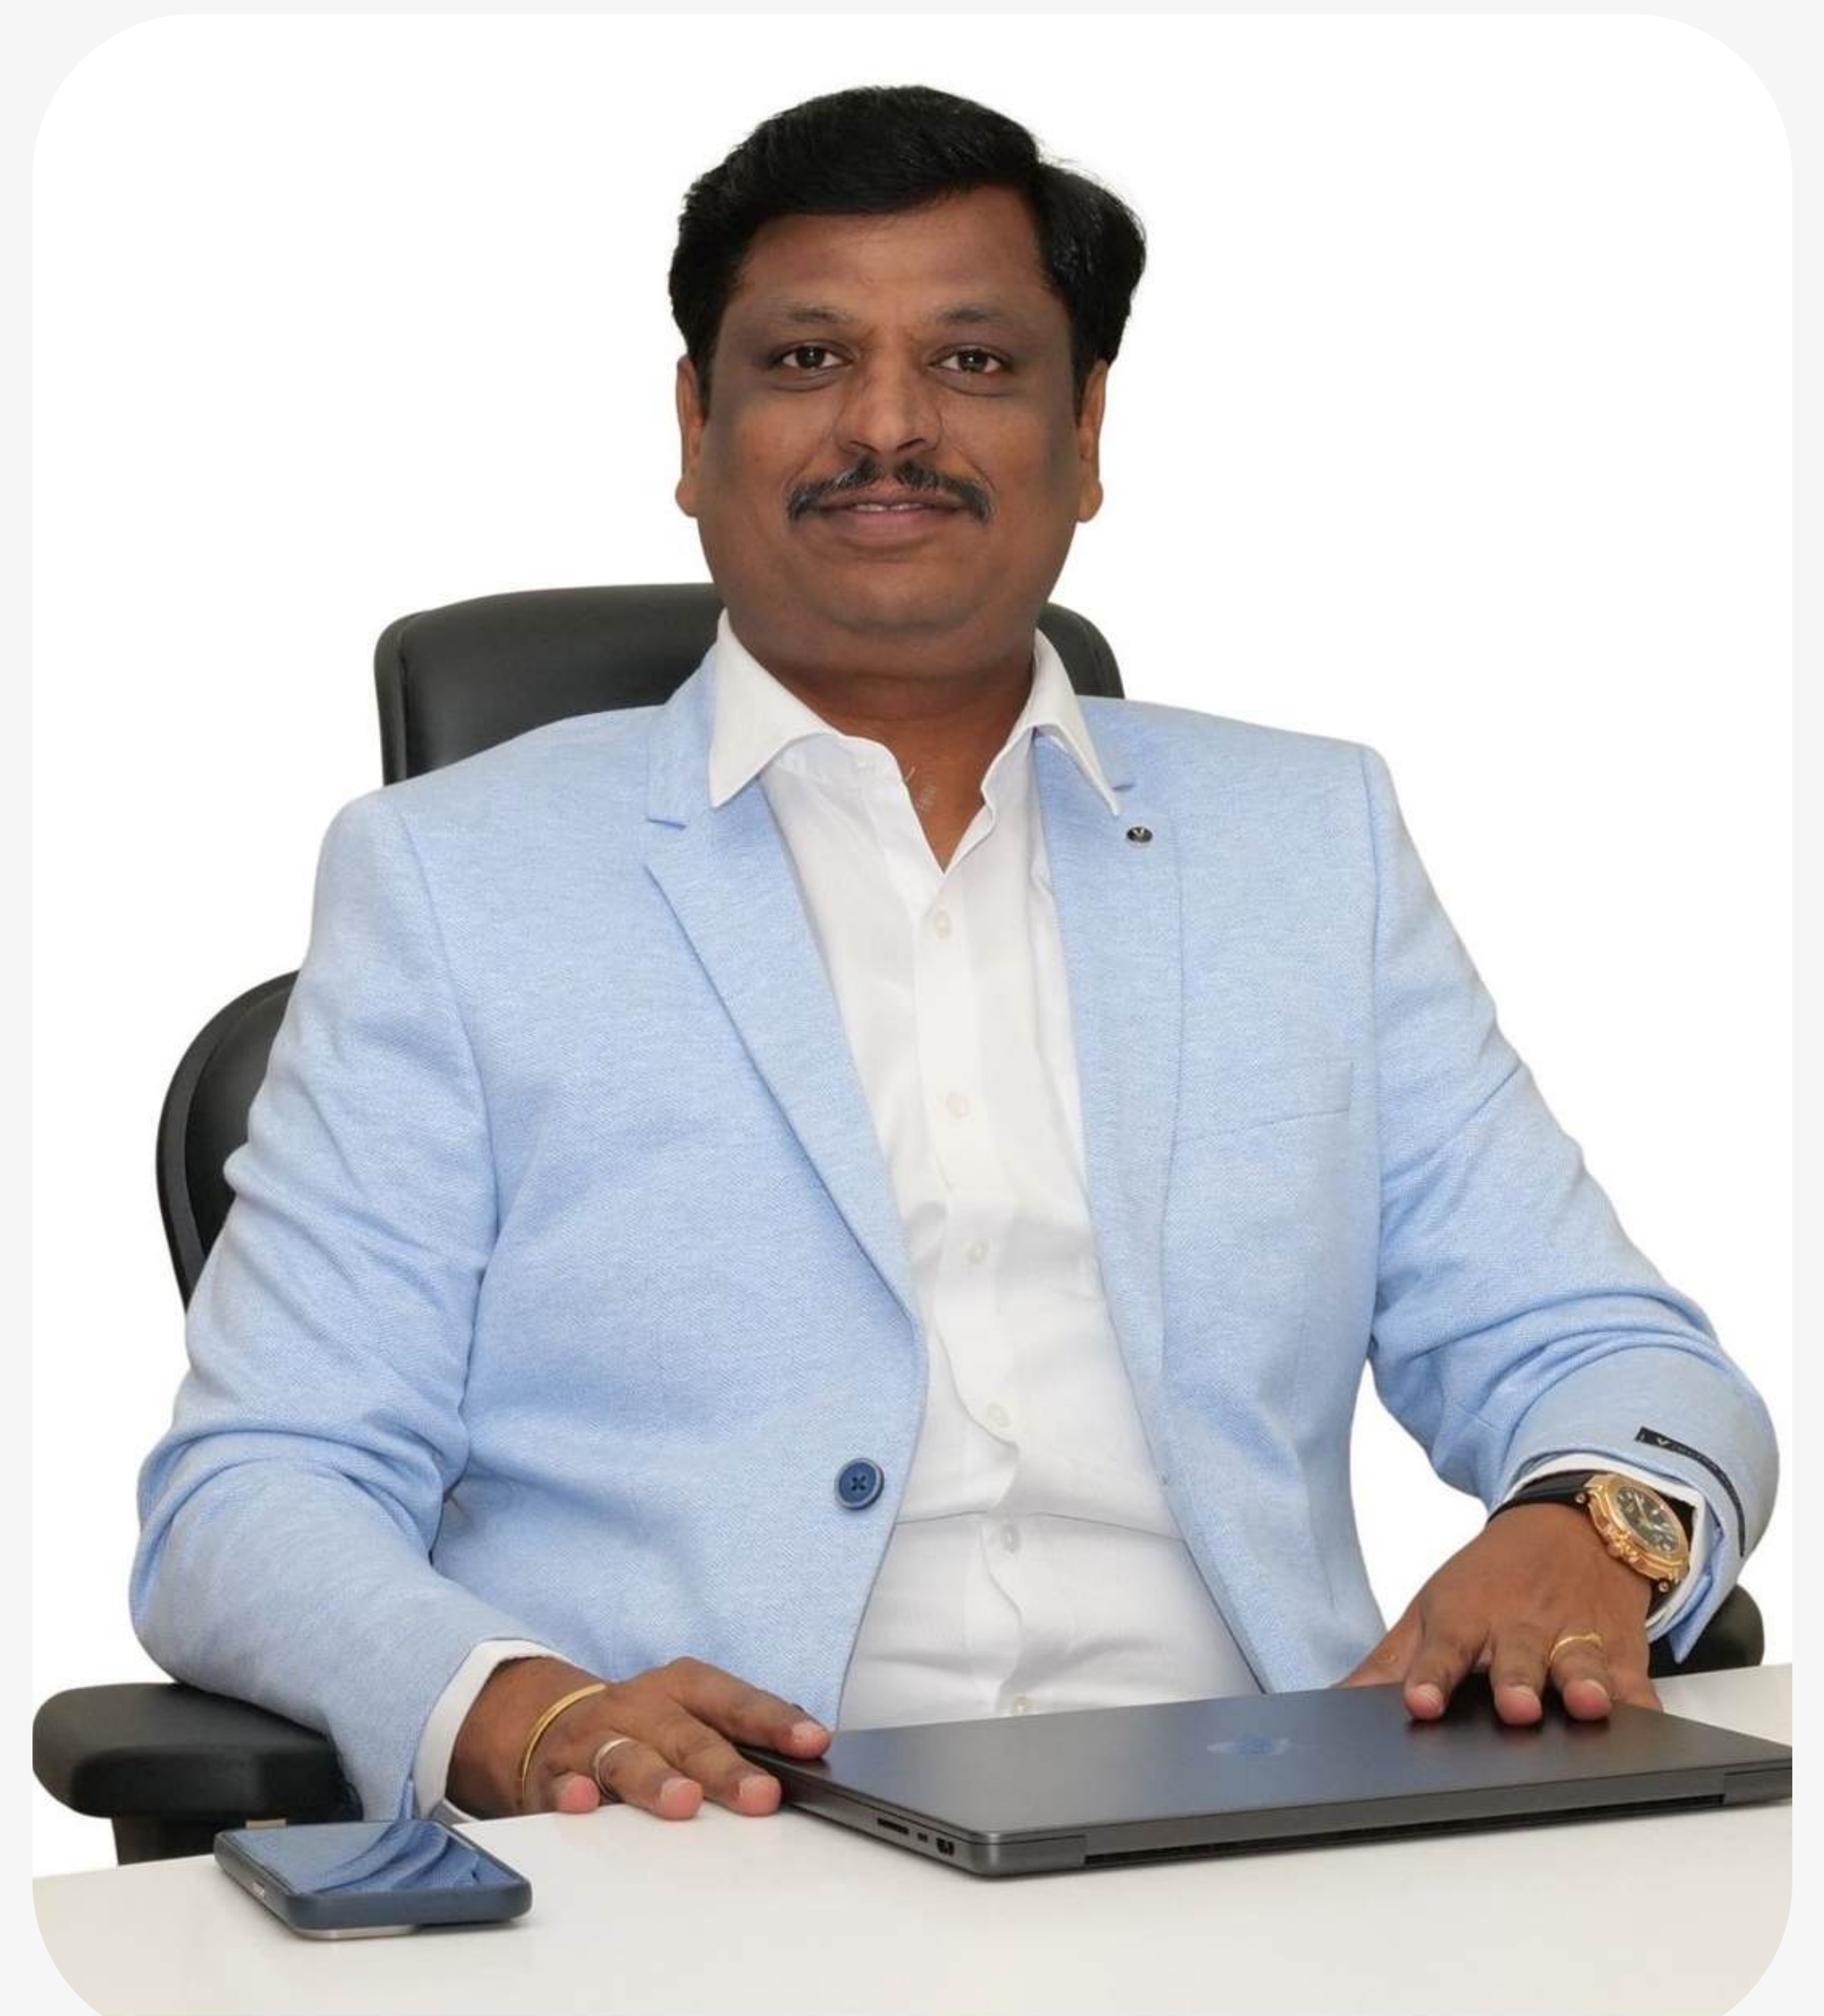

Rajarajeswari Group of Institutions

### EXECUTIVE DIRECTOR'S VOICE

The aim of any institution should be to teach students to LEARN, not just STUDY. Hence, we strive to travel beyond the boundaries of mere books. We have realized that the future is abstract and unknown but the youth in our hands are real and can be molded.

Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years that you spent in RajaRajeswari College of Engineering would have enabled you to equip with leadership and managerial skills. The knowledge that you have gained, the fine qualities that you have imbibed and the skills that you will learnt will be your major contribution to your parents, to society, and to the nation.

We have invested our trust on our students and I am very happy to state here that our alumni have really done us proud. This event gives opportunity to renew the bonds between the alumni and their Alma Mater, reflect the situation of the college today and to strengthen the relationship among the alumni themselves.

**Dr. Vijayanand .S,**

**Executive Director**

**Rajarajeswari Group of Institutions**

*"We cannot always build the future for our youth, but we can build our youth for the future."*

**Principal**

**Rajarajeswari College of Engineering**

**RAJARAJESWARI COLLEGE OF ENGINEERING**

### PRINCIPAL'S VOICE

“On behalf of the Board of Management, the teaching staff, the students and the parents, let me extend sincere greetings. It is with humility and pride that we joined force with the wider community in saying a big thanks to our Alumni's over the years. The strides made by our college, the accolades received, and its illustrious journey in the future, are possible due to the dynamic students. Every student who has walked into this portal of learning has left an indelible mark in its history by his/her attitude, commitment for social development and holistic excellence. The alumni of our college are the strong force in building our nation. Your alma mater is proud of you. Alumni Association of RajaRajeswari College of engineering is a platform for all our pride Alumni's to connect, communicate and converge. I welcome all our beloved alumni's to be an active part of this Association.

### Alumni Affairs VOICE

It gives me immense pleasure to share the steady and commendable progress of our Alumni Association. Over the past year, the association has actively strengthened its engagement with the institution and students through meaningful initiatives. I would also like to acknowledge our alumni members who have actively supported academic enrichment by conducting workshops, seminars, mentoring sessions, and career guidance programs. Such initiatives not only bridge the gap between academia and industry but also inspire our students to aspire higher.

The association's progress reflects a strong sense of belonging and responsibility towards the institution. I am confident that with continued collaboration and collective effort, the Alumni Association will reach greater milestones in the coming years. I extend my best wishes to the association for its future endeavors and look forward to sustained alumni participation in the overall growth and development of our institution.

**Dr. Savitha B**

President

**Designation: Entrepreneur**

### President Voice

Education is the foundation of every successful career. It not only gives us knowledge but also teaches us how to think critically and solve problems. However, what truly makes us stand out is creativity—it helps us approach challenges in unique ways and come up with innovative solutions. Entrepreneurs represent this creativity, playing a crucial role in society by creating jobs, driving innovation, and addressing real-world problems. Alongside this, extracurricular activities are equally important as they help us develop teamwork, leadership, and time management skills. Together, these elements shape well-rounded individuals ready to contribute meaningfully to the world.

## PANEL OF THE EXECUTIVE COMMITTEE (2023-2024)

**Mr. Pramod C**  
Secretary

ALUMNI - Dept. of Mech. Engg.  
M/s. Amazon Development Center  
Devops Engineer

### Secretary Voice

“My journey at Rajarajeswari College of Engineering, particularly in the Mechanical Engineering department, has been a truly enriching experience. The guidance of the faculty, coupled with well-equipped labs and a practical curriculum, gave me the skills and confidence to excel in my field.

I am especially grateful to HOD Ramesh Sir for his exceptional leadership and encouragement. His mentorship not only helped me navigate academic challenges but also inspired me to aim higher in my career. The hands-on projects, industrial visits, and technical workshops provided a real-world perspective, while the vibrant campus life fostered personal growth and teamwork skills. These experiences have greatly influenced my professional journey, helping me thrive in a competitive world. I am proud to be an alumnus of RRCE, a place that nurtures talent and transforms potential into success.”

**Ms. Radha H K**  
Joint Secretary, AARRCE  
M/s. Technology Analyst  
Organization: Infosys Ltd

### Joint Secretary Voice

It gives me immense pride to be a part of the first batch of our college, a journey that laid the foundation for both personal and professional growth. As a proud alumna of the Electronics & Communication Engineering department, I have had the privilege of serving as a Alumni Association.

This role has allowed me to stay deeply connected with my college, contribute to alumni initiatives, and support the growth and guidance of future students. Being part of the institution from its beginning and continuing to serve it today is both an honour and a responsibility that I value greatly.

Forever grateful to my college, proud of its journey, and committed to giving back.

**Mr. Pavan Kumar KR**  
Treasurer, ALUMNI - Dept. of EEE

### Treasurer Voice

"As an alumnus of Rajarajeswari College of Engineering, I can confidently say that my time in the Electrical and Electronics Engineering department was a transformative experience. The supportive faculty, well-equipped laboratories, and industry-relevant curriculum provided me with a solid foundation in my field.

## Alumni Association of Rajarajeswari College of Engineering

The name of RRCE alumni meet “Samanvaya” is been derived from the Sanskrit Word “Samanvaya” which means ‘to join’. Samanvaya can be broken down into two words – sam + anvaya. Sam means ‘to join together’ and anvayah means ‘to put things in an order.

### The objectives of RRCE Alumni Association are:

1. To promote and foster mutually beneficial interaction between the Alumni and the present students of the RRCE and between the Alumni themselves.
2. To encourage the formation of Chapters as a means to increase participation of Alumni.
3. To encourage the Alumni to take an active and abiding interest in the work and progress of the Institute so as to contribute towards enhancement of the social utility of their Alma Mater.
4. To undertake to organize activities of a civic or charitable nature as also to increase public awareness of the role of technology in value addition in the economic and social development of the nation.

## REGISTRATION DETAILS OF RRCE-ALUMNI ASSOCIATION:

RRCE- Alumni Association is officially registered under Karnataka Societies Registration Act 1960 on July 8th 2013.

#### **MOOGAMBIGAI CHARITABLE AND EDUCATIONAL TRUST**

Moogambigai Charitable and Educational Trust were established in the year 1992 with the sole objective of starting institutions of higher education of exemplary stature in the state of Karnataka. In furtherance of this objective, the trust has been establishing institutions of higher learning in the state. Presently the trust is running 07 institutions in Karnataka and 19 institutions in Tamil Nadu in the fields of Medical, Dental, Engineering and Management Education.

#### **RAJARAJESWARI COLLEGE OF ENGINEERING**

RajaRajeswari College of Engineering (RRCE) was established in the year 2006. It is recognized by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University (VTU), Belagavi, Karnataka. Institute is accredited by NAAC 'A+' grade, NBA (CSE,ECE,ME,EEE), HLACT and ISO certified. The Institute offers seven UG courses (Mechanical, Electrical, Electronics, Computer Science, Information Science, Civil and Tele Communication Engineering), and seven PG courses (MBA, MCA and M.Tech in Digital Electronics & Communications and VLSI, M.Tech in computer science engineering and Computer Network Engineering, M.Tech in thermal power engineering.). Departments of Mechanical, Computer Science, Electronics and Communication, Mathematics, Physics, Chemistry and Management Studies have VTU approved R&D Centers. All the Departments have well qualified staff, well equipped laboratories, library, Computing and sports facilities along with other amenities. The college is located at a distance of 18 Kms from Bengaluru City Railway Station on Mysore road.

## *Alumni Association Meets Report*

The First RRCE alumni association was formed conducted in the year 2012, and was held at “the club”, RR Nagar, Bengaluru on 26th January participated by 50 alumni which was headed by Miss. Maya salimutt, Associate Professor, Dept. of MBA.

In that meet, election was conducted to elect office bearers of alumni association for the post of president, vice-president and secretary.

Second alumni meet held on 26th January 2013, conference hall, RRCE campus. Around 90 alumni participated, headed by Mrs. P. Bhuvanewari, Associate Professor, Dept. of ECE. In that meet, executive committee members were framed, “By-laws” were formulated and approved by the EC members. In the same year, RRCE alumni association got officially registered under Karnataka Society Registration Act 1960 on 8th of July. A joint savings account was opened by the RRCE alumni association at ICICI Bank on the RRCE campus, which is operated by the Dean and Treasurer of the alumni association.

Third alumni meet held on 26th January 2014, headed by Mrs.P.Bhuvanewari, Associate Professor, and Dept. of ECE and member coordinators from all the departments. In this meet, as per the “By-laws” election was conducted after two years and new office bearers were elected for the various post of the alumni association.

Fourth alumni meet held on 26th January 2015, conference hall, RRCE campus, headed by Mrs. P. Bhuvanewari, Associate Professor, Dept. of ECE. And there was an alumni meet conducted during the NBA visit, October 2015.

Alumni meet Samanvaya from 2016 to 2018 was headed by Mr. Pavan Kumar K R Assistant Professor, Department of EEE, and member coordinators from all the departments.

The Alumni Meet “Samanvaya” from 2020 till date has been headed by Dr. Savitha B, Associate Dean and Professor - Association of Alumni. As per the Alumni Association “By-laws”, elections are conducted once every two years, and new office bearers are elected to various positions of the Alumni Association.

The Association is much grateful to our management for allocating space in RRCE campus for the alumni members to discuss various activities and it is effectively utilized by our executive Committee Members during discussion.

**ALUMNI VOICE** *"Echoes of the Past, Voices of the Future."*

RRCE is truly a place of knowledge, growth, and positivity. It has been a great privilege to be a part of this esteemed institution. RRCE has played a vital role in shaping my personality and building the foundation of my career. The management, faculty, and staff are exceptional, and I received continuous guidance and support from my professors at every step of my journey.

I owe a significant part of my journey to RRCE and sincerely wish the institution continued growth and success in the years ahead.

**Ms. Aisiri P**

**1RR21AI005**

Batch - 2021-2025, Dept. of AIML

SOC Analyst at PricewaterhouseCoopers (PWC), Bangalore

RRCE is a place of knowledge and bliss.

It has been great pleasure to be part of RRCE. The college has played an important role in my academic and personal growth. Being a student of RRCE was a memorable and valuable experience for me. The faculty members were supportive and always ready to guide us whenever needed. The college provided a good learning environment that helped me improve my technical knowledge as well as my confidence. I owe my success to the college and wish the college all the success in the future.

**Mr. Abhishek B O**

**1RR21AI002, Batch - 2021-2025, Dept. of AIML**

**Software Engineer (Full Stack Developer)**

My journey at the institute laid a strong foundation for my career in Civil Engineering. The Practical exposure, supportive faculty, and industry-oriented training helped me gain confidence and real-World Skills. I am grateful for the Guidance and Opportunities Provided, which played a key role in shaping my professional growth.

My college played a crucial role in shaping my career by encouraging innovation, continuous learning, and a disciplined work ethic. I am grateful for the support and opportunities that helped transform me from a student into an industry professional.

**Mr. MANU R**  
1RR15CS061  
Dept. of CSE  
Batch - 2019  
Senior Software Engineer  
Sakha Global

I am extremely grateful to the faculty members who supported and guided me throughout my academic journey, as well as encouraged me to actively participate in extracurricular activities such as sports and cultural events. These experiences helped me develop not only technical knowledge but also confidence, discipline, and teamwork.

As an alumna, I would like to say that RRCE has played a vital role in shaping my career in the IT industry. The strong foundation provided by the institution, along with constant motivation from the faculty, prepared me to face real-world challenges.

To all current students, I would like to say: make the most of the opportunities given here, focus on building strong fundamentals, and never hesitate to explore beyond academics. The lessons learned at RRCE will stay with you throughout your professional journey.

I will always be proud to be an alumna of RRCE.

RRCE has been more than just an institution—it has been a foundation for growth, discipline, and lifelong learning. The campus has nurtured not only technical knowledge but also values such as integrity, teamwork, and resilience, which continue to guide us beyond academics.

The dedicated faculty, well-structured curriculum, and opportunities for practical exposure played a vital role in shaping our problem-solving mindset and professional confidence. From classrooms and laboratories to seminars, projects, and campus activities, every experience contributed to building a strong engineering perspective.

What truly sets Rajarajeswari College of Engineering apart is its commitment to empowering students to dream bigger and prepare for real-world challenges. The encouragement to explore, question, and innovate has left a lasting impact on many of us.

I will always carry a deep sense of pride and gratitude for being a part of this institution, which laid the foundation for my professional journey and personal growth.

Rajarajeswari College of Engineering (RRCE) played a pivotal role in shaping my academic and professional foundation during four formative years of study. The institution's commitment to academic excellence, coupled with the continuous mentorship provided by highly qualified faculty members, contributed significantly to my intellectual and professional development.

The structured curriculum, emphasis on practical learning, and exposure to industry-relevant concepts at RRCE adequately prepared me to meet professional challenges with competence and confidence. The sustained encouragement and support extended by the RRCE academic community were instrumental in my successful completion of the Bachelor of Engineering in ISE. As I progress into the next phase of my professional journey, I do so with a deep sense of appreciation and gratitude.

I confidently recommend RRCE to prospective students seeking a disciplined academic environment, strong technical training, and a platform that fosters innovation, critical thinking, and holistic growth.

RajaRajeswari College of Engineering played a significant role in shaping both my academic foundation and professional mindset. The BE program in Information Science and Engineering provided me with strong technical knowledge along with practical exposure that helped me understand real-world applications.

The faculty members were supportive and approachable, always encouraging students to clarify concepts, improve problem-solving skills, and stay updated with industry trends. The college also offered a good learning environment with opportunities to participate in technical activities, workshops and projects, which helped build confidence and teamwork skills.

Overall, my journey at RajaRajeswari College of Engineering was enriching and instrumental in preparing for my career, and I am grateful for the guidance and support I received during my time there.

When I joined the MBA program at RRCE College, I was unsure about the direction my career would take. The two years I spent in the MBA department were truly transformative, helping me grow both professionally and personally. The program provided me with a strong foundation in management concepts while also enhancing my communication, leadership, and problem-solving skills.

The constant guidance and encouragement from the faculty played a crucial role in shaping my journey. They went beyond classroom teaching to prepare us for real-world challenges, instilling discipline, confidence, and a professional mindset. The supportive campus environment, meaningful friendships, and collaborative learning experiences made my time at RRCE both enriching and memorable.

Today, I am working as an Associate Professor, at East West Institute of Technology where, I carry forward the values and skills imparted at RRCE College in my professional journey. I am sincerely grateful to the MBA department, faculty, and staff for their unwavering support and for laying a strong foundation for my career.

It is always a proud moment to return to the RRCE campus, and I hope my journey inspires current MBA students to stay focused, embrace learning opportunities, and believe in themselves.

Womderla Holidays Ltd

When I joined the MCA program from 2021 to 2023, I didn't have a clear picture of my career path. However, my time in the MCA department helped me grow both technically and personally, building my confidence and preparing me for the professional world.

The constant support and guidance from our faculty played a key role in shaping my journey. Beyond academics, they prepared us to face real-world challenges with discipline and professionalism. The campus environment, friendships, and shared experiences made these two years truly memorable. Today, I am working as an Executive at Womderla Holidays Limited, where I apply the skills and values I gained during my MCA journey. I am sincerely grateful to the MCA department, faculty, and staff for laying such a strong foundation.

It feels great to be back on campus, and I hope my journey motivates students to stay focused, keep learning, and believe in themselves.

My journey at the institute laid a strong foundation for my career in Robotics and PLC Programming. The Practical exposure, supportive faculty, and industry-oriented training helped me gain confidence and real-World Skills.
