STC, Member IEEE
Bangalore section

- Date of the event** : 24-02-2026
- Venue** : 2Nd floor Dr. APJ Abdual Kalam Conference Hall
- Targeted Participants** : 3rd. year students
- Faculty Coordinators** : DR. Raja K B & Prof. Mrs. Deepali A Dixit

Overview of the Event:

The Department organized a Cyber Safety Awareness program on the topic “**Cyber Safety Awareness – Understanding Risks and Defense**” to educate students about the growing challenges in the digital world. The event aimed to create awareness about various cyber threats such as phishing, hacking, identity theft, and online fraud. The resource person explained common cyber risks and demonstrated practical preventive measures to ensure online safety. Students were guided on secure password practices, safe browsing habits, and responsible use of social media platforms. The session also highlighted the importance of data privacy and cybersecurity laws. Overall, the program empowered students with essential knowledge and skills to protect themselves in the digital environment.

Department of Artificial Intelligence & Machine Learning

Outcome of the program:

The Cyber Safety Awareness program significantly enhanced students' understanding of the growing risks in the digital environment and the importance of cyber security in daily life. Participants gained detailed knowledge about various cyber threats such as phishing, hacking, identity theft, malware attacks, and online fraud, along with real-time examples discussed during the session. The program equipped students with practical strategies to safeguard their personal and professional data, including strong password creation, two-factor authentication, safe browsing practices, and responsible use of social media platforms. It also increased awareness about data privacy, cyber laws, and ethical online behavior.

The interactive nature of the session encouraged students to actively participate, clarify their doubts, and share their experiences related to online security.
