CERTIFICATE OF INTERNSHIP

This is to certify that **Jessica R** whose USN is **IRR20AI010**, has completed their **Machine Learning With Python (Research Based)** Internship organised and handled by **Varcons Technologies Pvt. Ltd** from **13th August, 2023** to **20th September, 2023**.

The person to whom this certificate is addressed to has worked on a project titled **Stockport — Predictive Sentiment Analysis**, As part of the project, They designed the **Machine Learning Model**, Demonstrated and tested the working of the **Model**. Prepared a report highlighting its flaws by understanding the design briefs and client Specifications that were provided in the **Proposal**.

During the course of the internship, they demonstrated good design skills with a self-motivated attitude to learning new things. Their performance exceeded expectations and was able to complete the project successfully on time.

Dear Aishwarya GK,

I am writing to officially acknowledge the successful completion of your **Machine Learning Internship** with Viyaat Agro LLP held over the period of **15-08-2023 to 15-09-2023**. It is with great pleasure that I extend my congratulations to you on reaching this significant milestone in your professional journey.

During your internship, you had the opportunity to work on various projects, including disease detection in plants using leaf pictures. Your innovative ideas, analytical skills, and attention to detail greatly contributed to the success of these projects. Your ability to adapt and learn quickly, as well as your willingness to collaborate with team members, made you an indispensable member of our team.

Furthermore, your dedication to professional growth was evident as you actively sought out opportunities to enhance your knowledge and skills. Your curiosity and eagerness to explore new areas of Machine Learning impressed us all.

As you complete your internship with us, I want to express my gratitude for your hard work, dedication, and positive attitude. Your time with Viyaat Agro has not only been a valuable experience for you but has also enriched our team and organization.

We are confident that you will continue to excel in your future endeavors in the field of Machine Learning, and we hope that the skills and experiences gained during your internship with us will serve as a solid foundation for your career.

If you ever require a reference or any assistance in the future, please do not hesitate to reach out to us. We would be delighted to support you in any way we can.

Sincerely,
Yakshith and Sirish
