CIRCULAR

DEPARTMENT ADVISORY COMMITTEE (DAC) – MEETING II

Academic Year 2024–2025 (Even Semester)

This is to inform that the Department Advisory Committee (DAC) – Meeting II of the Department of Information Science and Engineering will be conducted on 23.12.2024 at 10:00 AM in the Board Room (Ground Floor).

The meeting is convened to review the academic progress and departmental activities during the Even Semester of the Academic Year 2024–2025. The committee will deliberate on various important aspects related to curriculum implementation, student performance, research activities, and industry collaboration for the continuous improvement and development of the department.

The key discussion points of the meeting include:

- Review of curriculum implementation and syllabus coverage for the current semester.
- Analysis of student academic performance and result trends.
- Review of identification of slow learners and advanced learners along with remedial and enrichment activities.
- Discussion on departmental activities such as workshops, seminars, certification programs, and technical events.
- Review of industry interaction activities, including internships, guest lectures, and industrial visits.
- Discussion on research activities, innovation initiatives, and project-based learning.
- Review of stakeholder feedback and suggestions for improving academic delivery and program quality.
- Strengthening industry collaboration and employability enhancement initiatives.

All the DAC members are requested to attend the meeting and actively participate in the deliberations by providing their valuable suggestions for the overall development and quality enhancement of the department.
