DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

DEPARTMENT ADVISORY COMMITTEE (DAC)

The Department Advisory Committee (DAC) is an advisory body at the department level that provides academic and industry inputs to enhance curriculum relevance, teaching-learning processes, and continuous quality improvement of academic programmes.

Responsibilities:

1. **Advisory Role in Curriculum Development:** To provide expert suggestions and guidance for the design and periodic review of curriculum for BCA and MCA programmes in line with industry and academic trends.
2. **Industry and Employability Inputs:** To advise on industry requirements, emerging technologies, skill gaps, and employability enhancement measures.
3. **Guidance on Scheme of Examination:** To offer inputs on assessment patterns, evaluation methods, and examination schemes without statutory approval authority.
4. **Outcome-Based Education (OBE) Support:** To suggest measurable Course Outcomes (COs) and alignment with Programme Outcomes (POs) and Programme Specific Outcomes (PSOs).
5. **Integration of Value-Added Components:** To recommend inclusion of NPTEL / SWAYAM online courses, certifications, mini projects, internships, and industry-based learning activities.
6. **Teaching-Learning Process Enhancement:** To suggest innovative pedagogical practices such as project-based learning, experiential learning, blended learning, and ICT-enabled instruction.
7. **Continuous Quality Improvement (CQI):** To provide feedback on curriculum implementation, student performance, and outcome attainment for continuous academic improvement.
8. **Industry-Institute Interaction:** To support collaboration with industry through internships, guest lectures, workshops, and real-time projects.
9. **Student Development and Career Readiness:** To advise on soft skills, communication skills, professional ethics, and lifelong learning initiatives.
10. **Advisory Feedback to Statutory Bodies:** To place recommendations before the Programme Assessment Committee (PAC) and Board of Studies (BOS) for consideration and approval.

DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

MINUTES OF THE DEPARTMENT ADVISORY COMMITTEE (DAC) MEETING

Name of the Institution : Rajarajeswari College of Engineering, Bangalore

Department : Computer Applications (MCA & BCA)

Meeting : First Department Advisory Committee (DAC) Meeting

Date : 28-06-2024

Time : 10:30 AM

Venue : Visvesvaraya Seminar Hall , 6th Floor

Members:

S.No	Name of the Members	Description
1	Dr. T. Subburaj	Chairman
2	Ms. Sangeetha V	Industry Expert
3	Mr. Manojkumar G A	Alumni Member
4	Mr. Nagendra Kumar K S	Student
5	Dr. Mageusha U	Member
6	Dr. Muruganandham S K	Member
7	Mr. Deeraj C	Member
8	Mr. Sasikumar B	Member
9	Mr. Darshan P	Member
10	Mr. Jai Shankar M	Member
11	Mrs. Pushpalatha G	Member

Proceedings of the Meeting

1: Welcome Address

The Chairperson welcomed all the members to the **First Department Advisory Committee Meeting** and thanked them for their valuable support and guidance.

2: Overview of Autonomous Status

The Chairperson briefed the committee about the autonomous status of the institution and the need for framing an industry-relevant and outcome-based curriculum for BCA and MCA programmes.

3: Discussion on Curriculum Framework for BCA and MCA

The broad curriculum structure, programme objectives, and semester-wise framework for BCA and MCA were discussed.

DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

Suggestion:

The committee emphasized balancing core computing fundamentals, emerging technologies, and practical exposure.

4: Industry Expectations and Skill Requirements

The industry expert highlighted the importance of:

- Programming and problem-solving skills
- Industry tools and platforms
- Internships and project-based learning

5: Suggestions on Scheme of Examination and Assessment

The committee suggested:

- Continuous Internal Evaluation (CIE) with practical components
- Bloom's Taxonomy-based question paper design

6: Inputs on Course Outcomes (COs)

The committee recommended that COs should be:

- Measurable and outcome-oriented
- Aligned with employability and higher studies
- Clearly mapped to Programme Outcomes

Vote of Thanks

The Members proposed the vote of thanks.

The committee's valuable suggestions and recommendations will be placed before the Programme Assessment Committee (PAC) for further deliberation and approval.
