## PROFESSION'O-2K25 Mock Interview

1. Type of Event : Profession'O-2K25
2. Event Name : "Mock Interview"
3. Date of Organization: Wednesday, 26<sup>th</sup> May 2025
4. Event Coordinator: 1. Prof. Prutha G  
2. Prof. Udhyami M B

### 5. Outcome of the Event:

The event was conducted on 26<sup>th</sup> of May, 2025 where 2<sup>nd</sup> year Electrical and Electronics Engineering students took part for the event MOCK INTERVIEW. It was very useful for them where they had build up their resume and also they were doing self-introduction about them which gained a knowledge of how to face interview further

The event was conducted successfully and the students were also appreciated by gifts and also were given suggestion for how things has to be carried.

We had our Interview panel members as –

1. Prof. Sowmya G, Asst. Prof. Department of MBA
2. Prof. Sushma, Asst. Prof. Department of MBA
3. Dr. P Ebby Darney, Professor and HOD of EEE department
4. Dr. R Arul Jose, Asso. Prof. Department of EEE
5. Prof. Kiruthika K, Asst. Prof. Department of EEE

They took Interview by giving their time to us.

6. We successfully completed the event by concluding with motivation to students and small appreciation in Profession'O-2K25
7. All the students from 2<sup>nd</sup> year students – 69 participated in the event very actively made the Profession'O-2K25 a grand success.

### Bridging the gap between Academia and Industry

Type of Event : Career guidance

Event Name : "Bridging the gap between Academia and Industry"

Date of Organization: 13<sup>th</sup> November 2024

Event Coordinator: 1. Prof. Udhyami M B

2. Prof. Kiruthika K

#### Outcome of the Event:

The event was conducted on 13<sup>th</sup> of, November 2024 at 9.30 AM where 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year Electrical and Electronics Engineering students took part. Dr. P. Ebby Darney (HoD-EEE) was the keynote speaker

#### Objectives:

**Collaboration:** Strengthens partnerships between academia and industry for joint research and innovation.

**Skill Alignment:** Aligns academic curricula with industry needs, ensuring students are job-ready.

**Technology Transfer:** Facilitates the commercialization of academic research into marketable products or services.

**Career Opportunities:** Creates pathways for students and researchers to connect with industry for internships, jobs, and knowledge sharing.

**Networking:** Builds sustainable relationships and ecosystems for long-term innovation and growth.

Type of Event	:Career guidance
Event Name	: "Career opportunities in AI"
Date of Organization	: 29 <sup>th</sup> November 2024
Event Coordinator	: 1. Prof. Udhyami M B 2. Prof. Prutha G

#### Outcome of the Event:

The event was conducted on the 29th of November 2024 at 10:35 AM, with participation from 2nd and 4th-year Electrical and Electronics Engineering students. Mr. Vignesh Kumar K., an alumnus of the 2021 batch and currently working as an Associate Business Analyst at Fidelity National Financial India, was the keynote speaker.

#### Objectives:

- Explore the integration of Artificial Intelligence in everyday life and its practical applications.
- Understand the fundamentals of AI, including definitions, Large Language Models (LLMs), and the concept of intelligence.
- Learn about the abilities of AI to think, solve problems, and perform intelligent tasks.
- Gain insights into AI subfields such as Machine Learning, Deep Learning, and Neural Networks.
- Trace the history of AI and understand its types: Narrow AI, General AI, and Super AI.
- Learn the basics of computer vision and its significance in processing visual data.
- Explore the functionality and applications of Large Language Models (LLMs).
- Discover AI applications in renewable energy management, focusing on power prediction, resource optimization, and energy systems

## Report on Career Guidance Programme – “What Next After Engineering?”

Date: 12th December 2024

Time: 10:30 A.M. – 12:45 P.M.

Venue: Dr. A. P. J. Abdul Kalam Conference Hall, RRCE

The Department of Information Science and Engineering, in association with the CSI Chapter, organized a Career Guidance Programme titled “What Next After Engineering?” on 12th December 2024.

The event was aimed at providing insights and guidance to students on their career options after graduation—be it higher studies, placements, or entrepreneurship.

Resource Persons:

- Prof. L. S. Murthy, Dean, ISDM, Bangalore
- Ms. Sanchita Mukherjee, Manager – Research, CDSSI, Global Knowledge Hub, ISDM

Both speakers shared valuable knowledge on the skills required for today’s dynamic career environment, career roadmap planning, and the significance of decision-making post-engineering.

The session was well-received by the students, who actively participated in the interactive discussion and clarified their doubts regarding various career paths.

Outcome:

Students gained clarity on diverse career avenues and were motivated to prepare for life beyond engineering with confidence and proper planning.

The department extends its gratitude to the esteemed speakers, coordinators, and student participants for making the event a success.

REPORT ON IOT HANDS ON TRAINING PROGRAM

Organized by MCA Department

Date: 05-03-2025

Venue: 6<sup>th</sup> Floor Seminar Hall

Organized by: Department of MCA, Rajarajeswari College of Engineering

The Department of MCA successfully organized a seminar on the **Internet of Things (IoT)** on 05-03-2025, aiming to provide insights into the advancements, applications, and challenges of IoT technology.

### Objective of the Seminar:

The seminar aimed to educate students and faculty about the growing significance of IoT in various domains, including smart cities, healthcare, industrial automation, and everyday life.

### Chief Guest & Resource Person:

We were honored to have Mrs. **Monika M** as the chief guest, who shared valuable insights into the evolving landscape of IoT. The keynote session was delivered by **Monika M, Assistant Professor, Cambridge Institute of Technology** who elaborated on IoT architecture, applications, and security challenges.

### Key Highlights:

- Introduction to IoT and its real-world applications
- Demonstration of IoT-based projects and innovations
- Discussion on IoT security, data privacy, and future trends
- Interactive Q&A session with participants

### Participants:

The seminar witnessed enthusiastic participation from **MCA students** who actively engaged in discussions and knowledge-sharing sessions.

### Conclusion:

The seminar successfully enriched the participants' understanding of IoT and its vast potential in shaping the future of technology. The **Department of MCA** extends heartfelt gratitude to the esteemed speakers, organizing committee, and attendees for making the event a grand success.

### TRAINING REPORT

#### QSPIDERS PLACEMENT TRAINING PROGRAM

Pre-Final Year Students – Academic Year 2024–2025 (Even Semester).

#### 1. Introduction

The Training & Placement Department of RajaRajeswari College of Engineering (RRCE) successfully organized QSpiders Placement Training Program for pre-final year students during the Academic Year 2024–2025 (Even Semester). The program was conducted in two phases:

Phase I from 4 April 2025 to 20 May 2025 (16 days)

Phase II from 14 July 2025 to 8 August 2025 (20 days).

The training was delivered over a total duration of 36 days comprising 180 hours. All Pre-final year students actively participated. The program aimed to strengthen technical skills and interview readiness with focus on Java Programming and Full Stack Java Development.

#### 2. Objectives of the Training Program

- Enhance proficiency in Core Java and OOP concepts
- Provide exposure to Full Stack Java Development
- Improve problem-solving and analytical skills
- Prepare students for placement drives and interviews
- Build confidence through mock interviews and assessments

#### 3. Training Methodology and Coverage

The training was delivered by experienced QSpiders trainers using practical, industry-oriented methods including hands-on coding, real-time examples, assessments, and mock interviews.

Key topics covered included Core Java fundamentals, OOP concepts, Java Collections Framework, and Full Stack Java overview.

#### 4. Feedback Collection Process

The overall attendance was satisfactory and feedback was collected through Google form after completion of training. Students evaluated quality of training, teaching methodology, topic relevance, and overall effectiveness.

## Office of Dean - Training & Placement

### 5. Summary of Student Feedback

- Overall experience was rated excellent
- Trainers were appreciated for clarity and communication
- Java fundamentals and collections were highly useful
- Mock interviews improved confidence
- Suggestions included more mock interviews and advanced coding exercises
