Anti-Drug Awareness Programme Report

The National Service Scheme (NSS) and Drug Abuse Committee of Rajarajeswari College of Engineering (RRCE), Bangalore, jointly organized an Anti-Drug Awareness Programme on 26th June 2025 from 11:45 AM to 1:00 PM. The event was conducted at the APJ Abdul Kalam Auditorium, RRCE, and witnessed active participation from students and staff alike. The programme aimed at educating students on the harmful effects of drug abuse and promoting a drug-free lifestyle.

- Total Number of Participants: 400
- Dignitaries Present:

1. Dr. R Balakrishna, Principal, RRCE
2. Manjunath Hoogar, Circle Inspector of Police, Kumbalgodu Police Station
3. Purandara, Sub-Inspector of Police, Kumbalgodu Police Station
4. Chandru BV, NSS Programme Officer, RRCE
5. Prasanna, Estate Officer, RRGI
6. Dr. Jobish Johns, Chairman, Drug Abuse Committee, RRCE
7. HODs of Various Departments, RRCE

Event Highlights

The programme commenced with a welcome address by Mr. Chandru BV, NSS Programme Officer, who greeted the dignitaries and participants warmly. This was followed by a keynote speech by Mr. Manjunath Hoogar, Circle Inspector of Police, Kumbalgodu, who addressed the students on the severe consequences of drug abuse on personal health and societal well-being. His message highlighted the legal, social, and emotional costs associated with narcotic substances.

All attendees participated in taking an oath to abstain from narcotic drugs, reinforcing their commitment to a healthy and responsible lifestyle.

The session concluded with a vote of thanks delivered by Mr. Chandru BV, appreciating the contributions of all the dignitaries and participants for making the event a success.

INCLUSIVE, ACCESSIBLE & PARTICIPATIVE ELECTION

ಮತದಾರರ ಪ್ರತಿಜ್ಞಾ ವಿಧಿ

ಪ್ರಜಾಪ್ರಭುತ್ವದಲ್ಲಿ ದೃಢ ವಿಶ್ವಾಸವುಳ್ಳ ಭಾರತದ
ಪೌರರಾದ ನಾವು, ನಮ್ಮ ದೇಶದ
ಪ್ರಜಾಸತ್ತಾತ್ಮಕ ಸಂಪ್ರದಾಯಗಳು ಮತ್ತು ಮುಕ್ತ,
ನ್ಯಾಯಸಮ್ಮತ ಮತ್ತು ಶಾಂತಿಯುತ
ಚುನಾವಣೆಗಳ ಘನತೆಯನ್ನು
ಎತ್ತಿ ಹಿಡಿಯುತ್ತೇವೆಂದು ಮತ್ತು ಪ್ರತಿಯೊಂದು
ಚುನಾವಣೆಯಲ್ಲಿ ನಿರ್ಭೀತರಾಗಿ ಮತ್ತು ಧರ್ಮ,
ಜನಾಂಗ, ಜಾತಿ, ಮತ, ಭಾಷೆ ಅಥವಾ
ಯಾವುದೇ ಪ್ರೇರೇಪಣೆಗಳ ದಾಕ್ಷಿಣ್ಯಗಳಿಂದ
ಪ್ರಭಾವಿತರಾಗದೆ ಮತ ಚಲಾಯಿಸುತ್ತೇವೆಂದು
ಈ ಮೂಲಕ ಪ್ರತಿಜ್ಞೆ ಸ್ವೀಕರಿಸುತ್ತೇವೆ.

ಮತ

International Conference Paper Presentation 2025

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Name of the Conference : International Conference on Recent Research in Computational Sciences & Engineering-ICRRCE-2025.
2. Date of the Conference : 12th April 2025
3. Institution Conducted : Rajarajeswari College of Engineering
4. Paper ID : ICRRCE-257
5. Tile of the paper : Cost-Effective Humanoid Robot for Service Applications: Integrating ESP32 for Motion and Raspberry Pi for AI Communication

5. 8th Sem R&A Students Presented the paper :

Ms.HAFSA FATHIMA
USN: 1RR21RA006

Mr.MOHAMMAD HAROON KHAN
USN: 1RR21RA012

Ms.KEERTHI M R

Cost-Effective Humanoid Robot for Service Applications: Integrating ESP32 for Motion and Raspberry Pi for AI Communication

Dr. M. Karthikeyan
Professor, Deputy Controller of Examinations, Dept. of Robotics & Automation, Rajarajeswari College of Engineering, Bangalore, Karnataka
mkarthikeyan1968@gmail.com

Hafsa Fathima, Keerthi M.R., Mohammed Haroon Khan, Vittesh R.R.
UG Students, Dept. of Robotics & Automation, Rajarajeswari College of Engineering, Bangalore, Karnataka
hafsafathima0104@gmail.com

Abstract - The speed of developments in artificial intelligence (AI) and robotics has created the opportunity for automation in service industries, maximizing efficiency and ease of access. This paper proposes a half-automated ESP32 humanoid robot that is suitable for interactive customer services. The humanoid has remotely controlled movement based on an ESP32 Wi-Fi module that provides easy operation through a mobile app via Bluetooth or Wi-Fi to achieve greater reach and flexibility. AI-based communication is enabled through a Raspberry Pi, enabling the robot to handle user queries, respond accordingly, and offer interactive real-time support. The humanoid uses several MG995 servo motors for human-like hand gestures, supporting expressive movements like welcoming users with a wave. A 1.3-inch OLED display is also employed to mimic facial expressions, providing a touch of friendliness to interactions with users. This module and customizable platform is versatile in multiple service-based implementations. It has been utilized in different capacities, including a receptionist in business settings and an assistive companion for specially-abled persons, aiding real-time remote communication between the users and backend operators. By combining AI-driven speech processing with custom chat bot functionality, the humanoid robot provides a dynamic interaction system that may be adapted across various industries.

Keywords - Humanoid Robot, ESP32, AI Communication, Service Automation, Customizable Robotics, Semi Automation, IoT, Remote-Controlled Movement

ABOUT ICRRCE - 2025

International Conference on Recent Research in Computational Sciences and Engineering (ICRRCE 2025) is a platform for Scientists, Engineers, academicians, Industry Professionals and Research Scholars and students to showcase their original research contributions on innovative technologies.

ABOUT THE INSTITUTE

RajaRajeswari College of Engineering (RRCE), established in the year [illegible] under the shelter of Mangalalogai Charitable and Educational Trust, the sole objective for starting institutions of higher education of exemplary stature in the State of Karnataka. RRCE is became an Autonomous Institution under VTU, Belagavi and Approved by UGC, New Delhi and Govt. of Karnataka. Accredited by NBA, NAAC with 'A+' Grade & International Accreditation by IGACT, Texas, UK. The Institution offers 12 UG courses (ECE, CSE, ISE, EEE, AI&ML, Robotics & Automation, Civil, CSE (IC), CSD, & SoftTool, BCA (Hons) and SHARDmath and 5 PG courses, Master of Technology in Computer science & Engineering, Master of Business Administration & Master of Computer Applications and also 9 R&D centers.

CALL FOR PAPERS

ICRRCE 2025 invites original research articles from Academicians, Research Scholars, scientists and Engineers working with Private/Public organizations/industries under any of the tracks listed below. All papers must pass through plagiarism test as per the Journal norms. Prospective authors are invited to submit full length original research papers as per journal format to the ICRRCE-2025.

Submit Your Papers to: [illegible]

PAPER SUBMISSION GUIDELINES

- Each paper must be minimum of 6 pages and maximum of 8 pages. Each paper may have up to 5 authors.
- Papers should be formatted with a single column, Times New Roman.
- The Plagiarism should be not more than 10%. Plagiarism checking report should follow through Turnitin Software along with AI Report.
- All Accepted and Presented Papers will be published in Bentham Science Publications which is Indexing by Scopus and Web of Science.

[illegible]

CONFERENCE TRACKS

- Signal, Image & Video Processing
- Mobile/Wireless Communications
- Renewable Energy Sources
- Soft Computing Techniques
- Biomedical and Health Informatics
- Fuzzy control and their applications
- Artificial Intelligence & Machine Learning
- Ad hoc/Secure Networks
- Biomedical Imaging
- Internet Of Things (IOT)
- Low power VLSI
- Robotics and Automation
- Cryptography & Cyber Security
- Emerging Frontiers in Nanomaterials and Nanotechnology
- Polymers and Soft Matter Innovations
- Materials for Next-Generation Electronics and Photonics

ABOUT ICRRCE - 2025

International Conference on Recent Research in Computational Sciences and Engineering (ICRRCE 2025) is a platform for Scientists, Engineers, academicians, Industry Professionals and Research Scholars and students to showcase their original research contributions on innovative technologies.

ABOUT THE INSTITUTE

RajaRajeswari College of Engineering (RRCE) established in the year 20[illegible] under the shelter of Mangalaiga Charitable and Educational Tr[illegible] sole objective for starting institutions of higher education of exemplary stature in the State of Karnataka. RRCE is became an Autonomous Institution under VTU, Belagavi and Approved by UGC, New Delhi and Govt. of Karnataka. Accredited By NBA, NAAC with 'A' Grade & International Accreditation by IELACT, Texas, UK. The Institution offers 12 UG courses (ECE, CSE, ISE, EEE, AI&ML, Robotics & Automation, Civil, CSE (IC), CSA & Softhtrnd, BCA (Hons) and BSA(Hons)) and 5 PG courses, Master of Technology in Computer science & Engineering, Master of Business Administration & Master of Computer Applications and also 9 R&D centers.

CALL FOR PAPERS

ICRRCE-2025 invites original research articles from Academicians, Research Scholars, scientists and Engineers working with Private/Public organizations/industries under any of the tracks listed below. All papers must pass through plagiarism test as per the Journal norms. Prospective authors are invited to submit full length original research papers as per journal format to the ICRRCE-2025.

Submit Your Papers to [illegible]@rrce.org

PAPER SUBMISSION GUIDELINES

- Each paper must be minimum of 6 pages and maximum of 8 pages. Each paper may have up to 5 authors.
- [illegible] should be formatted with a single column, Times New [illegible]man.
- The Plagiarism should be not more than 10%. Plagiarism checking report should follow through Turnitin Software along with AI Report.
- All Accepted and Presented Papers will be published in Elsevier Science Publications which is indexing by Scopus and Web of Science.

[illegible]

CONFERENCE TRACKS

- Signal, Image & Video Processing
- Mobile/Wireless Communications
- Renewable Energy Sources
- Soft Computing Techniques
- Biomedical and Health Informatics
- Fuzzy control and their applications
- Artificial Intelligence & Machine Learning
- Ad hoc/Sensor Networks
- Biomedical Imaging
- Internet Of Things (IOT)
- Low power VLSI
- Robotics and Automation
- Cryptography & Cyber Security
- Emerging Frontiers in Nanoscience and Nanotechnology
- Polymers and Soft Matter Innovations
- Materials for Next-Generation Electronics and Photonics

IMPORTANT DATES

Category	DATE
Submission of Full Paper	20-03-2025
Notification of Acceptance	02-04-2025
Conference Registration	05-04-2025
Conference Date	12-04-2025

REGISTRATION FEE DETAILS

Category	INR	$
UG / PG Students	7000	85
Research Scholar / Academician / Industry Person	8000	95

PAYMENT

Report on Social Connect and Responsibilities activity
" Heritage Food Walk– 2024"

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Type Event : **"Social Connect and Responsibilities activity " Heritage Food Walk– 2024"**

2. Venue : Department of Robotics and Automation at Room No. 102

3. Date &Time : 13th December 2024 at 12.45 pm

4. Staff Co Coordinator : Dr. Satheesha V
HoD R&A
Department of Robotics and Automation
RajaRajeswari College of Engineering

5. Students attended : 3rd semester students of R&A Department

7. Outcome of the Programme:
Students gained information about the following:

Here are 8 points related to the **"Heritage Food Walk – 2024"** activity conducted by students in Karnataka:

1. **Exploration of Traditional Dishes**: Students will explore and showcase Karnataka's rich culinary heritage by presenting traditional dishes from different regions of the state, such as Bisi Bele Bath, Ragi Mudde, and Pandi Curry.
2. **Cultural Awareness**: The event helps students understand the cultural significance of various foods and their connection to Karnataka's history, traditions, and festivals.
3. **Promotion of Local Ingredients**: Students will highlight the use of locally sourced ingredients, such as ragi (finger millet), coconut, and tamarind, which are integral to Karnataka's traditional cuisine.
4. **Interactive Food Stalls**: The walk will include interactive food stalls where students explain the origins, preparation methods, and nutritional benefits of each dish.
5. **Preservation of Heritage**: Through this activity, students aim to raise awareness about the importance of preserving and promoting traditional food practices that are at risk of being forgotten.
6. **Encouraging Sustainability**: The event will emphasize sustainable food practices, such as using organic and locally grown produce, to encourage eco-friendly eating habits.
7. **Engagement with the Community**: Students will invite local community members, including parents and elders, to participate and share their experiences with traditional foods, thus fostering a sense of community.
8. **Educational Outreach**: The activity will also include workshops, demonstrations, and talks on the history of Karnataka's culinary traditions, allowing students to learn and share knowledge with their peers and visitors.

Thanks for filling out Make4Mysore Team Registration Form

Here's what was received.

Make4Mysore Team Registration Form

This is the registration form for the **Make4Mysore Hackathon**, happening on **October 26th and 27th 2024** at the **ComedKares Innovation Hub**, in collaboration with IEEE. **Only one team member** needs to complete this form on behalf of the entire team. Please ensure all details are filled in accurately for every team member.

Deadline to register: ***15th October 2024***

Email *

vinaytondihal@gmail.com

Team Name: *

Rail Guard

Name of your institute/s *

Rajarajeshwari college of engineering

Team Leader's Name *

Make4Mysore

Innovate Today, Power Tomorrow

October 25th- 26th, 2024
ComedKares Innovation Hub, Mysore

Join us for a 2-day hackathon at "Make4Mysore" and be part of a movement to create a more sustainable future with ComedKares Innovation Hub Mysore and IEEE Smart Cities. Work alongside 150+ like-minded individuals to develop innovative solutions that can improve the lives of people in Mysore.

Themes

- Sustainable Tourism Solutions
- Waste Management & Recycling
- Street Vendor Empowerment
- Healthcare and Wellbeing
- Public Safety and Security
- Cultural and Recreational Facilities
- Open Innovation

Winner
Rs. 10,000
1 Year Access for ComedKares Innovation Hub Mysore

Runner – 1
Rs. 7,000
6 Months Access for ComedKares Innovation Hub Mysore

Runner – 2
Rs. 5,000
6 Months Access for ComedKares Innovation Hub Mysore

Registration Fee
Rs. 250/- Per Team (Including GST)

- Team Members will receive an E-Certificate
- Three months Access for ComedKares Center on successful completion of TRL-4 Prototype
- Lunch and Snacks for Two Days
- Welcome Kit

1. Name of the students : Tanzeem 1RR22RA028
   Jaffer.A 1RR22RA010
   Kanishk J 1RR22RA011
   Ranjitha.P 1RR22RA018
   3rd Year students, Department of Robotics and Automation.

2. Event : State Level "CODE NUREL HACKATHON 2025" organized by the Department of CSE, ACS College of Engineering, Bengaluru.

3. Date : 3rd and 4th March 2025.

4. Topic : Telehealth Innovation for Improved Patient Care

Create a comprehensive Tele health platform that leverages digital communication, remote monitoring, and virtual consultations to deliver quality healthcare services. The system should streamline patient-provider interactions, reduce geographical barriers, and enable continuous patient support, ultimately enhancing healthcare accessibility.

5. Prize : Won 2nd Place

Google Forms

Thanks for filling in The Labyrinth (Line Follower Robot)

Here's what was received.

The Labyrinth (Line Follower Robot)

Day: 5th April 2025
Timing: 9:30 am to 4:00 pm

Co-ordinators: Rohan 7020012634
Piyush 8237204481

Registration Fee: 300/-

General Guidelines

- Each team must consist of 1 to 4 members.

- All participants must carry a valid student ID.

- Participants must report to the competition area on time. Late arrivals may be disqualified or allowed to participate with penalties.

- Judges' decisions are final and binding.

- Any damage to the arena or intentional interference with other teams will result in disqualification.

- No LEGO parts or ready-made kits are allowed.

Event Description

An autonomous robot must navigate through a complex maze and reach the finish line in the shortest time.

Rules and Regulations

- Follow referee's instructions.

- Testing on the final mat is NOT allowed. A separate test mat will be provided.

Principal
RAJARAJESWARI COLLEGE OF ENGINEERING
Kambipura Cross, Bengaluru-74

DEPT. OF ELECTRONICS & COMMUNICATION ENG
RAJARAJESWARI COLLEGE OF ENGG.
BENGALURU - 560 074

- Damage to the mat = disqualification.

- Re-entry allowed only in Round 1 (based on T&C).

- Fastest 10% of robots qualify for the finals.

Robot Specifications

- Autonomous only (no human control).

- Size Limit: 26cm x 26cm x 26cm

- Weight: 1 - 1.2kg (+2mm tolerance allowed).

- Voltage Limit: ≤ 24V.

- Must have a start/stop switch.

Final Notes

- Rule changes will be communicated before the event.

- Fair play and sportsmanship are expected.

- Organizers reserve the right to disqualify teams for misconduct.

SESSION 1: INAUGURATION

First-Year UG Induction Program 2025–26 at RRCE

Rajarajeswari College of Engineering inaugurated the First-Year Undergraduate Induction Program for the academic year 2025–26 on 8th September 2025, welcoming the new batch of students into the RRCE family.

The inaugural session was graced by Mr. Hanumesh V J, Associate Vice President – Education, Training & Assessment, Infosys, Bengaluru, who addressed the students with inspiring insights and motivating words, setting the tone for an exciting academic journey ahead.

The induction program aimed to familiarize freshers with the academic culture, values, and opportunities at RRCE, fostering a spirit of learning, innovation, and excellence.

The management, faculty, and staff extended a warm welcome to the new students, encouraging them to make the most of the resources and platforms available to shape their careers and personal growth.
The program marked the beginning of a promising journey for the 2025–26 batch of UG students, filled with aspirations, enthusiasm, and opportunities to excel.

UG Induction Program 2025–26 – Session 2 Report

Topic: Bridging School & College for a Stronger Future
Date: 09.09.2025 | Time: 11:00 PM – 3:30 PM
Venue: Dr. A.P.J. Abdul Kalam Hall, RRCE
Resource Person: Dr. P. Ebby Darney, Dean – Student Affairs & HoD – EEE, RRCE

Summary:

Session 3 of the UG Induction Program focused on helping first-year students transition smoothly from school to college. Dr. P. Ebby Darney inspired students with insights on building a strong academic foundation, embracing new opportunities, and developing a growth mindset. The session encouraged active participation and set the stage for a confident start to their college journey.

Outcome:

- Students gained strategies for academic success and personal development.
- Enhanced confidence for adapting to college life and responsibilities.

UG Induction Program 2025–26 – Session 4, Report – Day 1

Topic: Foundations of Graphic Design, Professional Skills & Resume Building
Date: 9th September 2025 | Time: 09:00 AM – 03:30 PM
Venue: First Floor Seminar Hall, RRCE
Resource Person:

- Mr. Dayanand Rathod, Program Manager, Agastya International Foundation
- Ms. Pavithra B, Trainer, Creative Skilling Program, Agastya International Foundation

Summary:

The Day 1 session focused on introducing students to the Foundations of Graphic Design along with key aspects of Professional Skills and Resume Building. The experts from Agastya International Foundation engaged students through interactive discussions and hands-on activities, helping them understand design principles, creativity, and personal branding essentials.

Outcome:

- Students gained foundational knowledge in graphic design, improved their professional etiquette, and learned effective resume-building techniques to enhance their career readiness.

Date: 12th September 2025 | Time: 10:30 AM – 12:30 PM
Venue: Dr. A.P.J. Abdul Kalam Hall, RRCE
Resource Person: Mr. M. Siva Rama Krishna, Multi-Cloud Certified Trainer, NextGen AI Labs Pvt. Ltd., Bengaluru

Summary:
Session 2 of the UG Induction Program 2025–26 took students on an inspiring journey of self-discovery and professional growth. Mr. M. Siva Rama Krishna shared valuable insights on how engineers can expand their vision beyond academics—connecting technology, creativity, and personal development. The session emphasized innovation, adaptability, and continuous learning as key traits of successful engineers.

Outcome:
Students were motivated to think beyond the classroom, embrace lifelong learning, and cultivate the mindset of visionary engineers ready to shape the future.

SESSION 3: GUEST LECTURE

UG Induction Program 2025–26 – Session 3 Report

Topic: Global Climate Change – Problems and Prospects
Date: 12th September 2025 | Time: 01:30 PM – 03:30 PM
Venue: Dr. A.P.J. Abdul Kalam Hall, RRCE
Resource Person: Mr. Harsha K, Co-Founder, Imerse Digital & Principal Engineer, FEDYNE

Summary:

Session 3 of the UG Induction Program 2025–26 focused on raising awareness about Global Climate Change and the critical role engineers play in building a sustainable future. Mr. Harsha K shared valuable insights on environmental challenges, renewable energy, and innovative technologies driving sustainable development..

Outcome:

Students gained awareness of global environmental issues and were inspired to contribute to sustainable engineering practices and eco-friendly innovations for a better tomorrow.

SESSION 4: GUEST LECTURE

UG Induction Program 2025–26 – Session 4 Report, Day 4

Topic: Foundations of Graphic Design, Professional Skills & Resume Building
Date: 12th September 2025 | Time: 09:00 AM – 03:30 PM
Venue: First Floor Seminar Hall, RRCE

Resource Persons:

- Mr. Dayanand Rathod, Program Manager, Agastya International Foundation
- Ms. Pavithra B, Trainer, Creative Skilling Program, Agastya International Foundation

Summary:

Session 4 of the UG Induction Program 2025–26 was a full-day interactive workshop designed to enhance students' creativity, professional skills, and career readiness. Participants explored graphic design fundamentals, engaged in hands-on exercises, and learned strategies for building impactful resumes.

Outcome:

Students strengthened their design capabilities, gained confidence in professional communication, and developed well-crafted resumes, preparing them for academic and career success.

UG Induction Program 2025–26 – Session 1 Report

Topic: Smart India Hackathon & Time Management
Date: 13th September 2025 | Time: 09:00 AM – 10:30 AM
Venue: Dr. A.P.J. Abdul Kalam Hall, RRCE
Resource Person: Dr. P. Ebby Darney, Dean – Student Affairs & HoD – EEE, RRCE

Summary:
Session 1 of the UG Induction Program 2025–26 focused on inspiring students about innovation and effective time management. Dr. P. Ebby Darney highlighted the importance of participating in initiatives like the Smart India Hackathon and shared strategies for managing time efficiently to achieve academic and personal goals.

Outcome:
Students were motivated to think creatively, manage their time effectively, and actively engage in innovation-driven activities to shape themselves as future leaders.

Induction Program 2025- 26

Dates: 8th September 2025 – 13th September 2025
Organized by: Rajarajeswari College of Engineering

The Induction Program 2025–26 was successfully conducted from 8th September 2025 to 13th September 2025 at Rajarajeswari College of Engineering, extending a warm welcome to the newly admitted students for the academic year with enthusiasm and commitment.

The program was designed to help students seamlessly transition into college life by introducing them to the institution's vision, mission, academic framework, and support systems that nurture their overall growth and development.

A wide range of sessions and activities were organized, including:

- Orientation on academic regulations, examination systems, and departmental overviews
- Motivational talks by eminent speakers and industry experts
- Training sessions on life skills, soft skills, and communication
- Introduction to co-curricular and extracurricular opportunities at RRCE
- Campus tour and interaction sessions with faculty members

The program also included interactive workshops, team-building activities, and awareness sessions on ethics, professional values, and social responsibility, enabling students to build confidence and develop a sense of belonging.

The successful conduct of the program was made possible through the efforts of faculty members, guest speakers, coordinators, student volunteers, and the active participation of freshers.

Outcome:

Students developed clarity on their academic journey, gained awareness of opportunities, built peer connections, and felt motivated to actively participate in both academic and extracurricular pursuits at RRCE. The induction laid a strong foundation for their holistic development and future success.

Subject: Invitation to Participate in Project Exhibition

Dear Students and Faculty,

We are pleased to inform you that **Department of Robotics & Automation** is organizing a **Project Exhibition** on **20th December 2024** from **9.30 am to 4 pm**, at **Department Lobby.**

The objective of this exhibition is to provide a platform for students to showcase their creativity, innovation, and technical skills through various projects. It is a great opportunity to demonstrate your academic learning, practical application, and teamwork.

Details of the Event:

- **Event Name:** Project Exhibition
- **Date:** 20th December 2024
- **Time:** 9.30 am to 4 pm
- **Venue:** Department Lobby

Participation Guidelines:

5. Projects can be from Robotic Kinematics, Dynamics and Control subject.
6. Students can participate individually or in teams (maximum of 4 members).
7. A brief project synopsis must be submitted.
8. All teams must set up their stalls one hour before the exhibition begins.

We encourage all students to participate actively and make this event a grand success.

Report on College Level Project Exhibition " TechXhibition- 2024"

NAMEOFTHEDEPARTMENT: Department of Robotics and Automation

1. Type Event : Project Exhibition " TechXhibition- 2024"
2. Venue : Department Lobby
3. Date of the programme : 20th December 2024
4. Time : 9.30 am to 4:00 pm
5. Chief Guest : Mrs.B.P. Dakshayani
   Group Director
   Flight Dynamics & Space Navigation Group
   ISRO Satellite Centre, Bengaluru
6. External Evaluator : Dr Siddesha H S, HOD ME,
   ACS College of Engineering, Bengaluru
7. Staff Coordinator : Dr. Satheesha V
   HoD R&A
   Department of Robotics and Automation
   Rajarajeswari College of Engineering
   and all the faculty members of the Department of R & A
8. College level coordinator: Dr. Deepika J , Associate Professor, ECE
   Mrs. Haritha K Sivaraman, Assistant Professor, ECE
9. Students participated : 7th semester students of Robotics and Automation & Mechanical Engineering
10. Outcome of the Programme:

- **Showcasing Innovation**: Students presented cutting-edge robotic designs and automated systems, addressing real-world challenges across industries such as manufacturing, healthcare, and energy.
- **Hands-on Learning**: The exhibition provided an opportunity for students to apply theoretical knowledge in real-world projects, enhancing their technical expertise and problem-solving abilities.
- **Collaboration and Teamwork**: The projects emphasized teamwork, as students collaborated to design, develop, and test their creations, fostering skills in cooperation and communication.
- **Industry-Relevant Solutions**: Many projects presented potential solutions for sectors like agriculture, logistics, and healthcare, highlighting the students' capacity to address industry needs with innovative automation.
- **Interdisciplinary Approach**: The projects integrated various engineering fields, such as mechanical, electrical, and software engineering, and explored cutting-edge technologies like AI and IoT.
- **Exposure to Emerging Technologies**: Students experimented with advanced technologies such as autonomous vehicles, AI-driven automation, and sensor-based systems, broadening their understanding of future trends.

Report on "Biology for Engineering Poster Presentation – 2024"

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Type Event : "Biology for Engineering Poster Presentation – 2024"

2. Venue : Department of Robotics and Automation at Room No. 102

3. Date &Time : 2nd August 2024, from 9.00 am to 1.00 pm

4. Staff Co Coordinator : Dr. M.Karthikeyan,
Professor and Head
Department of Robotics and Automation
RajaRajeswari College of Engineering

Dr. K S Madhu
Associate Professor
Department of Robotics and Automation
RajaRajeswari College of Engineering

Mr. Dhananjay B S
Assistant Professor
Department of Robotics and Automation
RajaRajeswari College of Engineering

5. Dates of the programmed: 2nd August 2024

6. Students attended : 4th semester students of R&A Department

7. Outcome of the Programme:
Students gained information about the following:

- Bio-Inspired Robotics, Tissue Engineering
- Biomechanics of Prosthetics, Synthetic Biology and Genetic Engineering
- Bioinformatics and Computational Biology
- Cellular and Tissue Mechanics
- Microfluidics and Lab-on-a-Chip
- Biohybrid Systems
- Biodegradable Materials for Medical Implants
- Aquaponics and Sustainable Agriculture
- Regenerative Medicine, Bioelectronics

Report for IOT Mege Expo

Event Name : IOT MEGA – PROJECT EXPO - 2025

Date : 2 2 -04-2025 (9:00AM-4:00PM)

Welcome Speaker : Ms. Sinchna S

Attended : RRCE Students & Faculty Members

Venue : 6th floor.

Event Co-ordinator : Mr.Deeraj.C & Mr.Darshan.P Asst.Prof, Dept of MCA, RRCE.

Objectives of the Program:

- **IOT project exhibition**
- **Real time working projects are shown**
- **Presenting the project for further improvement.**
- **Encouraging students about IOT**
- **Awareness about IOT**

Vote of Thanks : Dr. Subburaj T, Asst.Prof.Deeraj.C

ELECTRICAL MEASURMENTO – MINI PROJECT EXPO 2K24

1. Type of Event : ELECTRICAL MEASURMENTO – MINI PROJRCT EXPO 2K24

2. Event Name : **"Project models on Measurements"**

3. Date of Organization: Tuesday, 07th December 2024

4. Event Coordinator: 1. Prof. Kiruthika K

2. Prof. Prutha

5. Outcome of the Event:

The event was conducted Afternoon on **07th December 2024**where 2nd year Electrical and Electronics Engineering students took part for the event Project expo on Electrical measurements.

Objectives:

ELECTRICAL MEASURMENTO – MINI PROJCET focuses on electrical measuring instruments and how they are used to detect electrical quantities such as voltage, current, resistance, or power. It also explains how these quantities are transformed into visible indications using analog and digital instruments Potential Themes for ELECTRICAL MEASURMENTO – MINI PROJECT. Advantages of this project is

- **Precision**

  Accurate measurements are essential for ensuring the reliability and efficiency of electrical and electronic devices.

- **Quality control**

  Precise measurements help ensure that components and systems meet quality standards.

- **Troubleshooting and maintenance**

  Accurate measurements help diagnose issues within electrical systems and ensure systems function correctly over time.

- **Digital form**

Professor & HOD
Dept. of Electrical & Electronics Engg.
Rajarajeswari College Of Engineering
Bengaluru-74

Measurements can be easily obtained in or converted into digital form for automatic analysis and recording.

- **Long distance transmission**

  Measured signals can be transmitted over long distances with the help of cables or radio links, without any loss of information.

- **Study electrical characteristics**

  Using measuring instruments lets you record unknown data that can be compared with those that are already known.

RENEWABLE ENERGY PROJECT EXPO - 2K25

1. Type of Event : **Renewable Energy Project Expo- 2K25**

2. Event Name : **"Project models on Renewable Energy Resourses"**

3. Date of Organization: **Tuesday, 13th May 2025**

4. Event Coordinator: 1. Prof. Prutha G

   2. Prof. Kiruthika K

5. Outcome of the Event:

   The event was conducted Afternoon on 13th of May, 2025 where 3rd year Electrical and Electronics Engineering students took part for the event Project expo on Renewable Energy Resources.

Objectives:

The Project Expo on Renewable Energy Resources aims to showcase innovative student projects that promote sustainable energy solutions. With growing concerns over climate change, depleting fossil fuels, and energy security, this expo provides a platform for young minds to present their ideas and prototypes focusing on clean, green, and renewable energy technologies.

- To encourage research and innovation in the field of renewable energy.
- To raise awareness about the importance of transitioning to sustainable resources.
- To provide a platform for students to present real-world solutions to global energy challenges.

6. All the students from 3rd year students – 67 participated in the event very actively made the Renewable Energy Project Expo-2K25 a grand success.

Report for IOT Expo held for a National Science day

Event Name : IOT Expo 2024

Date : 7-03-2024(9:00AM-4:00PM)

Resource Person : Dr. Thangaduri (Dean Innovation) , Dr.Amutharaj J(Vice Principal)

Welcome Speaker : Ms. Nayana G N

Student Attended : RRCE Students

Venue : 6th floor.

Objectives of the Program:

- IOT project exhibition
- Real time working projects are shown
- Presenting the project for further improvement.
- Encouraging students about IOT
- Awareness about IOT

Circular

This is to inform that, the parents teachers meeting for slow learnings or week students will be scheduled on 05.07.2024. So, all the mentors convey to your respective mentees and their parents to attend the meeting at Dept. of CSE [IoT, Cybersecurity including Blockchain Technology] between 9.00AM to 4.00PM.

Agenda to be discussed

1. About the class attendance for the semester.
2. Academic performance in internal assessment.
3. Academic performance in previous odd semester.
4. Participation in completion of online courses.
5. Participation in co-curricular and extra-curricular activities.

Parents Teachers Meeting Report

The parents teachers meeting was conducted on 5.7.2024 i.e Friday at Dept. of CSE [IoT, Cybersecurity including Blockchain Technology] between 9.00AM to 4.00PM based on the students performance in 3rd semester and Internal Assessment of 4th semester. The parents were intimated through the student official groups well in advance through class teachers and mentors. The individual mentors identified the slow learners and week students of their mentees.

The topics discussed in parents' teachers meeting and its outcomes are

- Around 12 parents were attended the meeting.
- Interaction between Parents, Class Teachers, Subject Teachers and Mentors was done.
- There was a discussion on student's performance in individual subjects, students discipline in classrooms and their attendance percentage.
- There was a discussion of class attendance for the semester.
- Academic performance in internal assessment.
- Academic performance in previous odd semester.
- Participation in completion of online courses.
- Participation in co-curricular and extra-curricular activities.
- All the parents were happy with the way the department was conducting academically.
- Some parents also enquired what kind of placement arrangements are done for their kids.
- Finally, all the parents attended the meeting are happily discussed their kids' performances.

ELCOM – X 2K25 : A National Level Technical Symposium

Date :. 17/04/2025 TIME: 8.30AM-04.30PM

Venue : Satyendra Bose Seminar Hall, ECE Dept.

Target Participants: All semester students

Number of Students Participated: 100 students

Number of Faculty members involved: 3 MEMBERS

Organizing Committee:
Dr.R.Balakrishna, Principal,RRCE
Dr.L.Rangaiah, Dean Academics, RRCE
Dr. Sunitha R, HOD/ECE, RRCE

Name of the Recourse Person:
Rtn. Dr. A. Ratna Phani
(Ph.D, PGDIBM, PGIDF, FISBT, D.Sc)
EP – GSBL – IIM Calcutta | Digital Marketing – ISB Hyderabad
Renowned Nanotechnologist (Nano Scientist)

Name of the Faculty Co-ordinators:

Dr.Deepika J , Dept of ECE, RRCE

Prof. Haritha K Sivaraman, Dept of ECE, RRCE

Prof. M.Suresh, Dept of ECE, RRCE

Objective of the Program:

- The objective of **ELCOM-X 2K25** is to provide a dynamic platform exclusively for **Electronics and Communication Engineering** students across the nation to showcase their technical knowledge, problem-solving abilities, and innovative thinking.
- Through a series of engaging events such as technical quizzes, circuit rig-up, code forge, and component-based challenges, the symposium aims to foster practical learning, enhance technical competence, and encourage collaboration among budding engineers.
- This initiative aspires to bridge the gap between theoretical education and real-world application by promoting creativity, critical thinking, and a passion for engineering excellence.

PROFESSOR & HEAD
DEPT. OF ELECTRONICS & COMMUNICATION ENG.
RAJARAJESWARI COLLEGE OF ENGG.
BENGALURU - 560 074

Principal
RAJARAJESWARI
COLLEGE OF ENGINEERING
Ramohalli Cross, Bangalore-74

LIST OF EVENTS CONDUCTED

1. Buzz Wire
2. Components Hunt
3. Technical Quiz
4. Connect the Image
5. Technical Snake and Ladders
6. Circuit Rig-Up
7. Memorize the Components
8. Shark Tank
9. Technical Dumb Charades
10. Code Forge

EVENT HIGHLIGHTS

- Enthusiastic participation from multiple engineering colleges across bangalore
- A variety of technical and fun-filled events tailored to test knowledge, creativity, and presence of mind.
- Events such as "Circuit Rig-Up" and "Code Forge" emphasized core technical skills.
- Events like "Shark Tank" promoted entrepreneurial thinking and idea pitching.
- Participation certificates and a total prize pool of ₹15,000 were awarded to winners and runners.
- Excellent coordination and involvement by student volunteers and faculty members.

Outcome of the Program

- **Enhanced Technical Proficiency:** Participants will gain hands-on experience in core ECE domains such as circuit design, embedded systems, and communication technologies through practical events and challenges.
- **Improved Problem-Solving Skills:** Events like Code Forge, Circuit Rig-Up, and Technical Quiz will enhance analytical thinking and logical reasoning among students.
- **Teamwork and Collaboration:** Group activities and competitions like Shark Tank and Dumb Charades will promote effective teamwork, leadership, and interpersonal communication.
- **Innovation and Creativity:** Students will be encouraged to think outside the box and present unique ideas, fostering innovation in both hardware and software domains.
- **Real-World Exposure:** The symposium bridges academic learning with practical application, preparing students for future technical roles in industry and research.
- **Networking Opportunities:** Participants will connect with peers, faculty, and industry experts, building a strong technical and professional network.

CONCLUSION

- ELCOM-X 2K25 was a resounding success, fulfilling its aim of enriching the technical and professional skills of budding ECE engineers.
- The event not only provided a competitive platform for students but also encouraged peer learning and innovation.
- The department looks forward to hosting even more dynamic editions of the symposium in the future.

Report on Department of Robotics and Automation Association inauguration "Kritaayu"- 2024

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Type Event : Entrepreneurship / Motivational Talk and Robotics and Automation association on "KRITAAYU"
2. Venue : Arya Bhatta Seminar Hall
3. Date of the programme : Thursday 28th November 2024
4. Time : 9.30 am to 12.30pm
5. Chief Guest : Mr. R Sathishraj
   CEO & Entrepreneur
   eCrusaders Ltd., Chennai, Tamil Nadu
6. Staff Co-ordinator : Dr. Satheesha V
   Associate Professor & HoD
   Department of Robotics and Automation

   Dr. M. Karthikeyan,
   Professor and Dy. CoE
   Department of Robotics and Automation

   Dr. Radhakrishna R K,
   Associate Professor
   Department of Robotics and Automation

   Dr. Thanuj Kumar M
   Associate Professor
   Department of Robotics and Automation
7. Students attended : All Semester students of R&A Department
8. Outcome of the Programme:
   - Embrace failure as a learning opportunity.
   - Develop a strong vision and purpose.
   - Take calculated risks.
   - Stay persistent and consistent.
   - Build a strong network and collaborate.

Program Schedule

Date: 28-11-2024

1. **Type of Event** : Entrepreneurship / Motivational Talk and inauguration of Department Association **"KRITAAYU"**

2. **Chief Guest** : Mr. Sathishraj, CEO & Entrepreneur, eCrusaders Ltd, Chennai. Tamil Nadu.

Venue: Aryabhata Seminar Hall

Time	Agenda	Role
09:30 a.m. – 09:35 a.m.	The arrival of the Chief Guest, Principal, Dean, HOD's Faculty members, and Students	-
09:35 a.m. – 09:40 a.m.	Invocation Song	Ms. Spoorthi, 5th Sem RA
09:40 a.m. – 09:50 a.m.	Lighting the Lamp	All the dignitaries on the Diaz
09:50 a.m. – 10.00 a.m.	Welcome address + welcoming first year students	Dr. Satheesha. V HOD- R&A
10:00 a. m:- 10:15 am	Presidential Address	Dr. R. Balakrishna Principal
10:15 a.m. – 10:25 a.m.	Address by Vice Principal	Dr. Amutharaj J Vice Principal, Prof ISE
10:25 a.m. -10:30 a.m.	Address by Dean Academics	Dr. Rangaiah L Dean Academics, Professor ECE
10:30 a.m. -10:35 a.m.	Address by HOD- ME/CV	Dr. Ramesh C Dean Infrastructure, Professor ME
10:35 a.m. – 10:40 a.m.	Introduction of Chief Guest	Ms. Akshaya- 2nd RA
10:40 a.m. – 10:50 a. m	Honoring the Chief Guest	Principal, Vice Principal, HOD, Faculties
10.50 a.m. – 12.30 a.m.	Speech by Chief Guest	Mr. Sathishraj, CEO & Entrepreneur, eCrusaders Ltd, Chennai. Tamil Nadu
12.30 p.m. – 12:35 p.m.	Vote of Thanks	Ms. Akshaya- 2nd RA
1: 30 onwards Competitions Aryabhata Seminar Hall

Report of event for Industrial Visit towards "Bharath Toys Factory"

Name of the Department: Dept. of CSE [IoT, Cybersecurity including Blockchain Technology]

1. **Type of Event:** Industrial Visit towards "Bharath Toys Factory"
2. **Venue:** Bharath Toys Factory @ Channapatna
3. **Date & Time:** 14.11.2024, 9.30AM to 4.00PM
4. **Staff Coordinators:** Prof. Goush Pasha and Prof. Renuka H N
5. **Students attended:** 3rd Semester (63 students)
6. **Outcome of the Progamme:**

Introduction:

This report details an industrial visit to the heritage city of Channapatna, undertaken to explore the historical and cultural significance of the city's architectural landmarks, industrial legacy, and traditional craftsmanship practices, providing valuable insights into the city's evolution and its current efforts towards preserving its heritage while promoting sustainable development.

Objectives:

- To gain a comprehensive understanding of the city's historical context and architectural styles.
- To observe traditional crafts and industries still practiced in the heritage zone.
- Analyze the challenges and strategies employed in preserving the city's heritage amidst modern development.
- To identify potential opportunities for sustainable tourism development within the heritage city.

Conclusion:

The industrial visit to Channapatna provided a valuable learning experience, emphasizing the importance of preserving and promoting the city's rich heritage. By

REPORT OF INDUSTRY VISIT

Report of visit to M/s Bharath Arts and Crafts, Channapatna, Ramanagara (Dt) **on Thursday, 27th ,28th of November and 2nd December 2024 with respect to the subject of VTU activity plan Social Connect Responsibility Activity for II Year III Semester students of Computer Science and Engineering.**

Students gained information about Channapatna toys production, dyes to color the toys, eco-conscious etc.

The following faculty members are arranged, coordinating, and accompanying the students

1. **Mr. Rajkumar R, Assistant Professor – CSE**
2. Ms Mohana Divya Assistant Professor – **CSE**
3. **Mrs Yashashwini** Assistant Professor – **CSE**

Students witnessed the various handmade wooden toys

Information collected during the visit at M/s Bharath Arts and Crafts, Channapatna, Ramnagara (Dt)

• As we all know channapattana is famous for manufacturing toys that are made up of wood

. • We first visited the toys store in channapattana and learn about the various handmade manufacturing procedures for making wooden toys and purchased a few toys.

• All toys were very catchy and felt like buying everything in the store. • When we discussed with the working staff there in the toy store, they gave the information about the various types of wood and the making procedure of wooden toys.

• All the toys were made in different kinds of woods like neem, aleemara and rosewood and many more.

• Another wood , they import it from 50 km away from channapattana which is a very unique tree

Principal
RAJARAJESWARI
COLLEGE OF ENGINEERING
Ramohalli Cross, Bengaluru-74

The toys or products manufactured were not only playing kits for children but also key chains, home décor items, kitchen set items, bangles, showcase dolls, and also education-related toys or playing boards were also there.

• The colors that they apply to the toys are natural colors from turmeric and many more

. • Then, we visited channapattana arts and handicrafts industry

. • In industry, they bring the raw materials different types of wood and start to manufacture different types of shapes for desired products

. • There the machine used to give finishing to the product or surface finishing was by using salt paper and keeping the work piece to be smoothed in the belt driven mechanism.

• The belt keeps rotating at a speed (rpm) where the work piece is kept to rotate, the worker starts to give surface finishing to the object by rubbing it to its surface using salt paper.

• And giving color to the object is of the same procedure, for that process they use natural colors like an ancient leaf called taalegari which gives green color.

• And finally giving it a finishing touch the process completes and the product is ready to sell

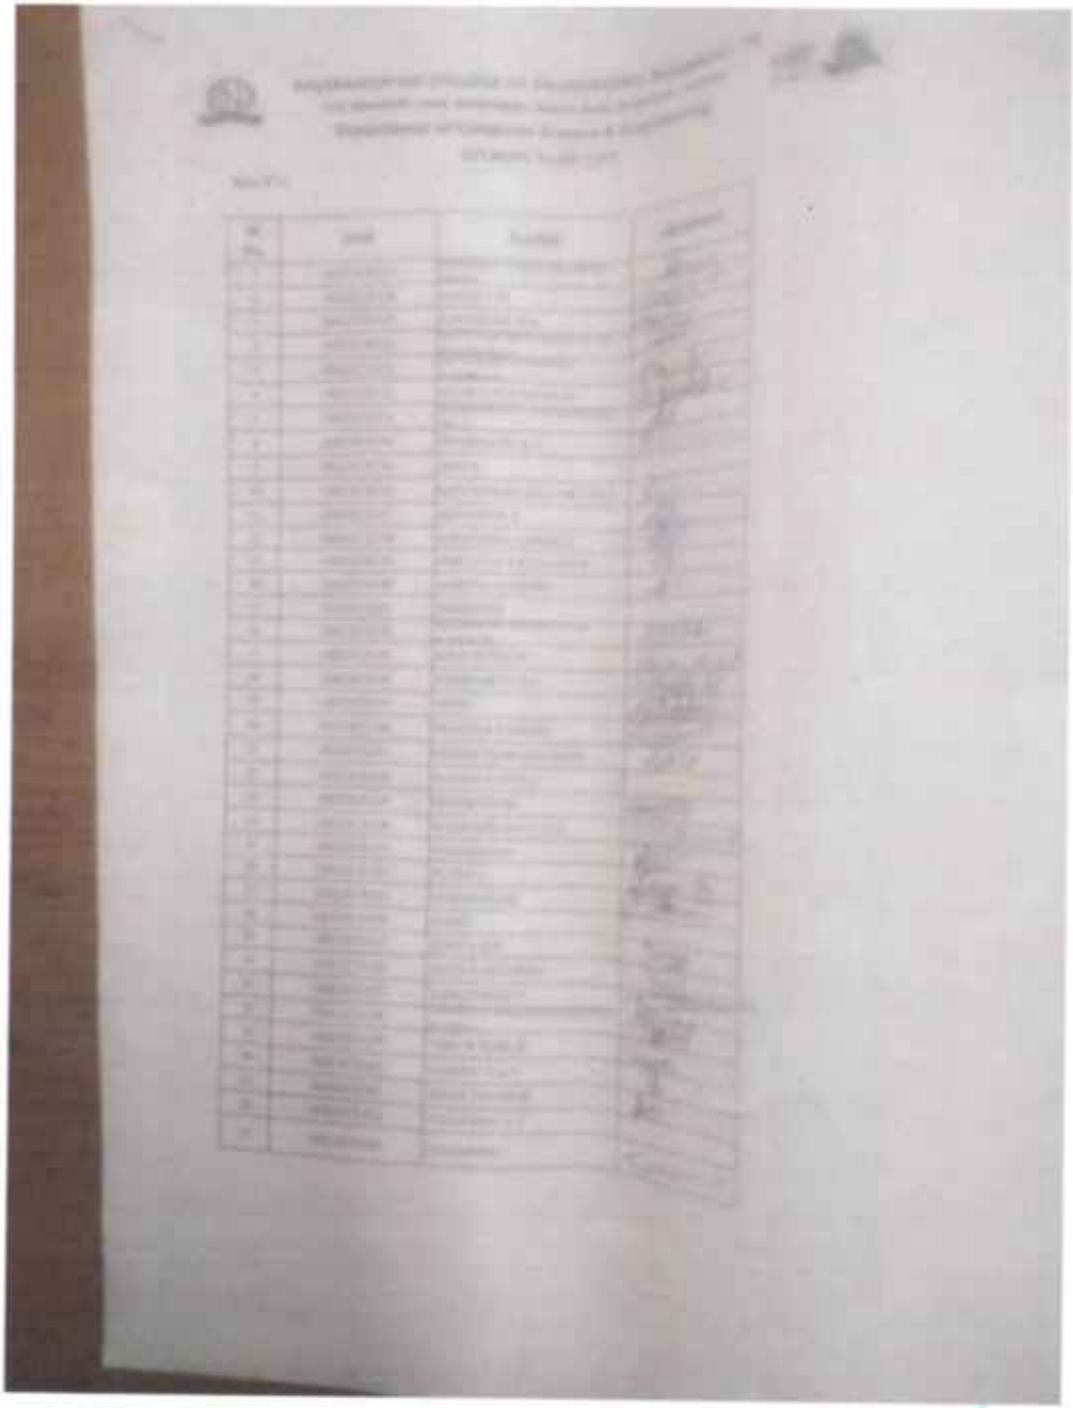

. • There we saw a CNC machine giving a design for a butterfly product

. • There we asked the operator how this works

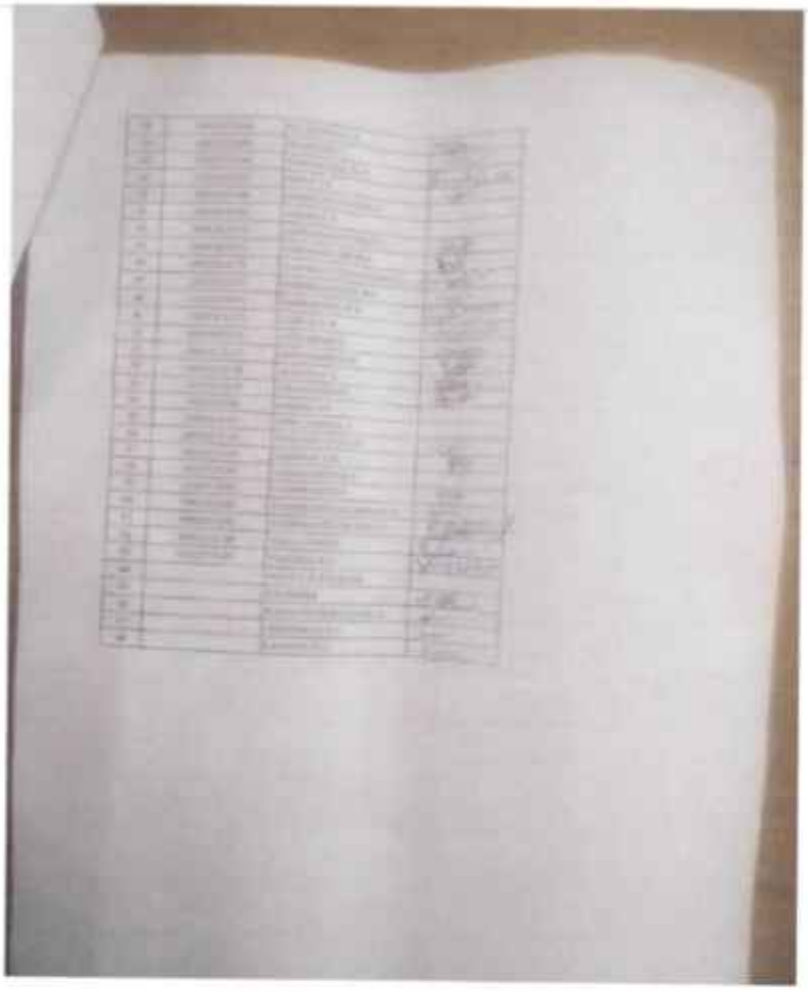

. • The person explained that the remote showing x-axis is the axial line moving in x or horizontal direction, y in vertical direction and z-axis is for how much depth it goes inside the wood.

• They use the software called Corel Draw and design the product and copy it to a pen drive and plug it to the remote and then the operation is carried out.

REPORT OF INDUSTRY VISIT

Report of visit to M/s Bharath Arts and Crafts, Channapatna, Ramanagara (Dt) **on Thursday, 27th of November 2024 with respect to the subject of VTU activity plan Social Connect Responsibility Activity for II Year III Semester students of Computer Science and Engineering.**

Students gained information about Channapatna toys production, dyes to color the toys, eco-conscious etc.

The following faculty members are arranged, coordinating, and accompanying the students

1. **Mrs Ojashwini , Assistant Professor- CSE**
2. Ms Mohana Divya Assistant Professor – **CSE**
3. Mr. T Auntin Jose Assistant Professor – **CSE**

Students witnessed the various handmade wooden toys

Information collected during the visit at M/s Bharath Arts and Crafts, Channapatna, Ramnagara (Dt)

• As we all know channapattana is famous for manufacturing toys that are made up of wood

. • We first visited the toys store in channapattana and learn about the various handmade manufacturing procedures for making wooden toys and purchased a few toys.

• All toys were very catchy and felt like buying everything in the store. • When we discussed with the working staff there in the toy store, they gave the information about the various types of wood and the making procedure of wooden toys.

• All the toys were made in different kinds of woods like neem, aleemara and rosewood and many more.

• Another wood , they import it from 50 km away from channapattana which is a very unique tree

Principal
RAJARAJESWARI
COLLEGE OF ENGINEERING
Ramohalli Cross, Bengaluru-7

The toys or products manufactured were not only playing kits for children but also key chains, home décor items, kitchen set items, bangles, showcase dolls, and also education-related toys or playing boards were also there.

• The colors that they apply to the toys are natural colors from turmeric and many more

. • Then, we visited channapattana arts and handicrafts industry

. • In industry, they bring the raw materials different types of wood and start to manufacture different types of shapes for desired products

. • There the machine used to give finishing to the product or surface finishing was by using salt paper and keeping the work piece to be smoothed in the belt driven mechanism.

• The belt keeps rotating at a speed (rpm) where the work piece is kept to rotate, the worker starts to give surface finishing to the object by rubbing it to its surface using salt paper.

• And giving color to the object is of the same procedure, for that process they use natural colors like an ancient leaf called taalegari which gives green color.

• And finally giving it a finishing touch the process completes and the product is ready to sell

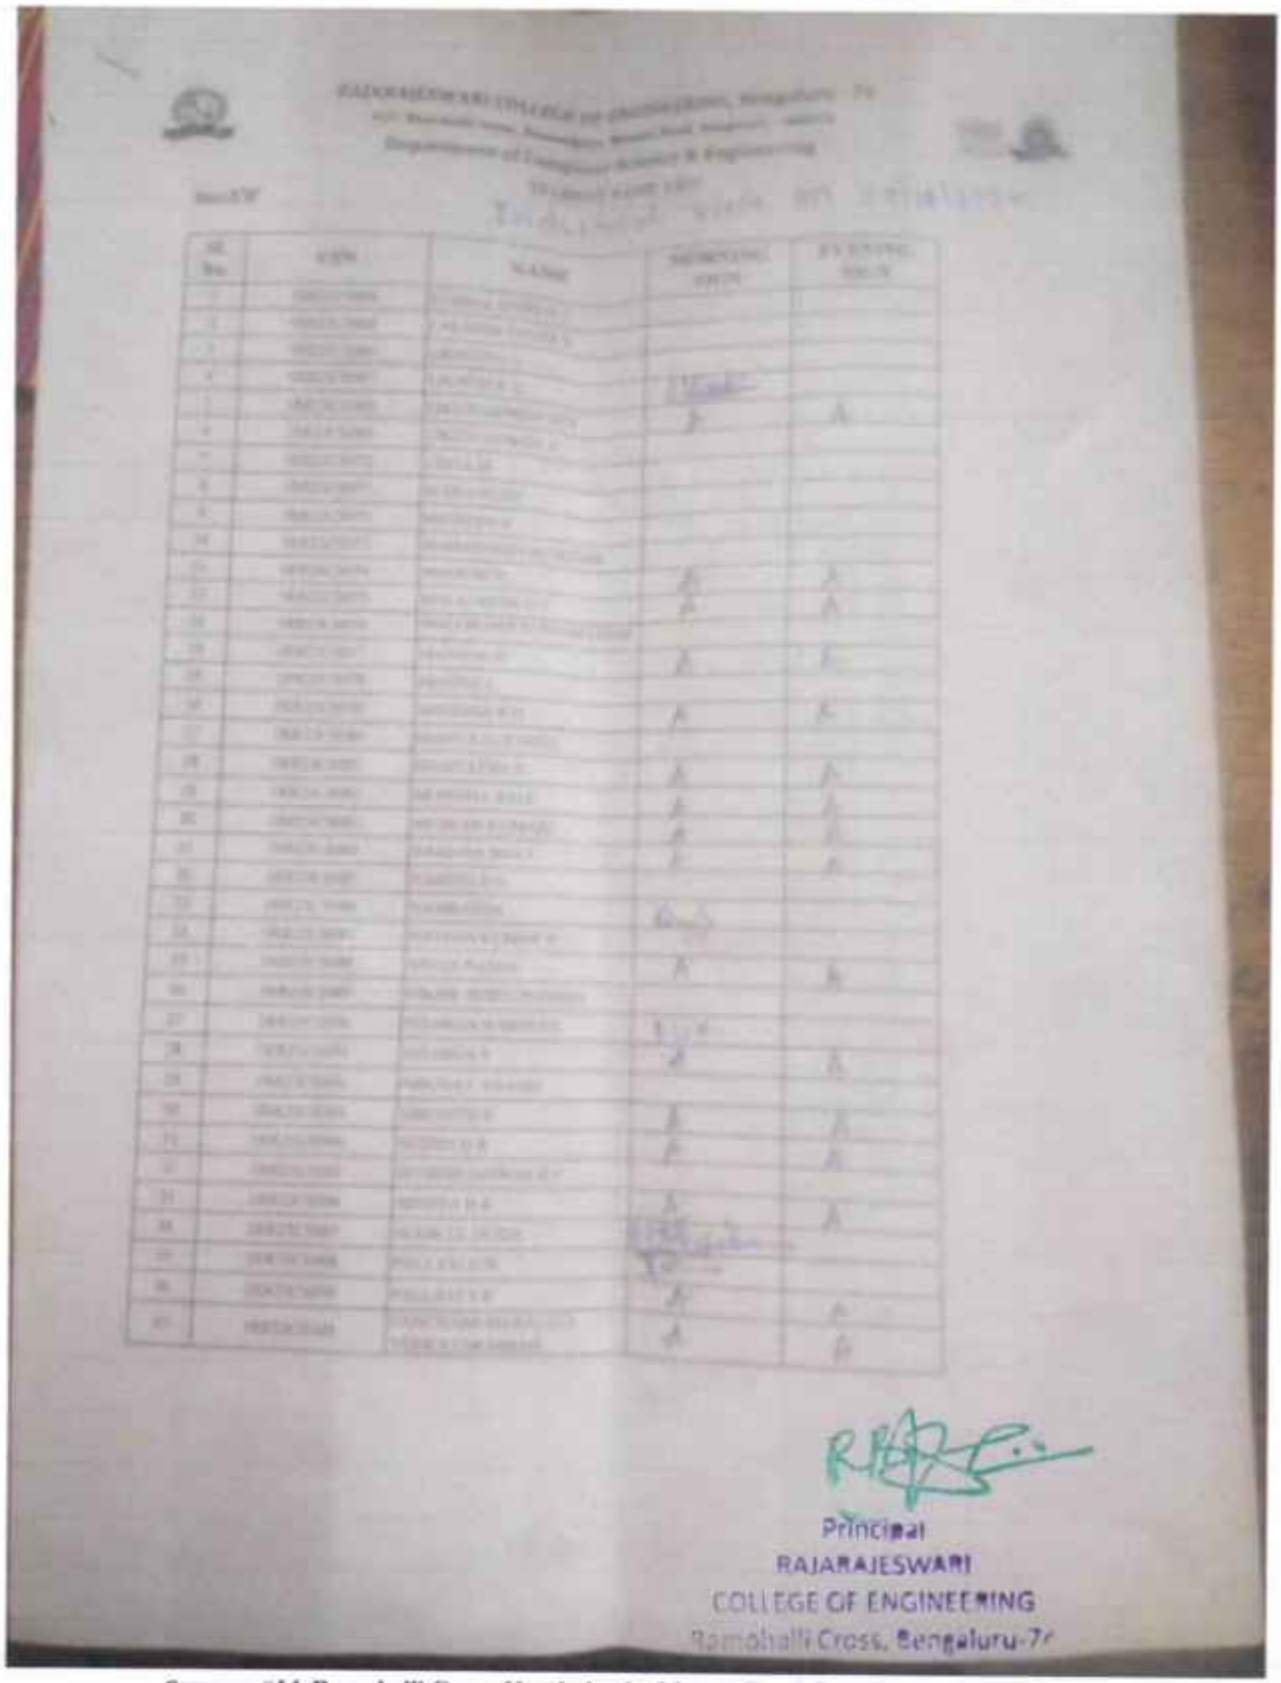

. • There we saw a CNC machine giving a design for a butterfly product

. • There we asked the operator how this works

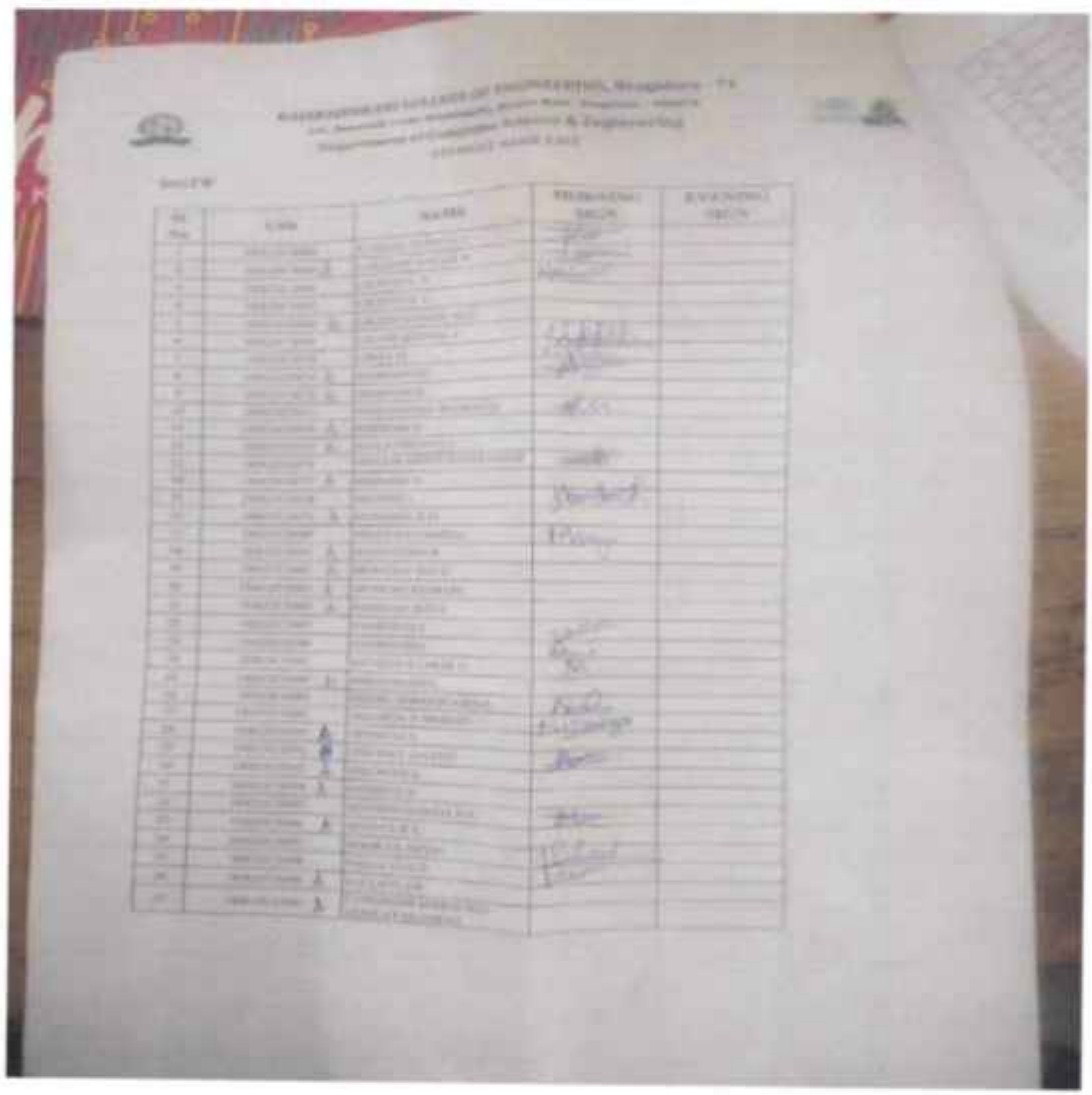

. • The person explained that the remote showing x-axis is the axial line moving in x or horizontal direction, y in vertical direction and z-axis is for how much depth it goes inside the wood.

• They use the software called Corel Draw and design the product and copy it to a pen drive and plug it to the remote and then the operation is carried out.

Report on "Industrial Visit"-2025

NAMEOFTHEDEPARTMENT: Department of Computer Science and Design

1. Type Event : Industrial visit- KarnatakaDairyDevelopmentCorporation

2. Venue : KarnatakaDairyDevelopmentCorporation (KDDC).
BAMUL, Kanakapura, Bengaluru 562117

3. Dates of the programme : Thursday17th April2025

4. Time : 9.00am to 3.00pm

5. Staff Coordinator : Dr.M.Selvi,
Department of Computer Science &Design
Rajarajeswari College of Engineering

Prof.A.Rubithra
Department of Computer Science &Design
Rajarajeswari College of Engineering

6. Students attended : IV Semester students of CSD department

7. Outcome of the programme :

Students gained information about the following:

- Karnataka Dairy Development Corporation, commonly known as BAMUL (Bangalore Milk Union Limited), dairy cooperative in Karnataka, India. Gain the significant role in the state's dairy industry by promoting milk production, processing, and marketing. BAMUL is part of the cooperative movement in India and is known for its brand "Nandini," which offers a range of dairy products like milk, butter, ghee, curds, and more.
- BAMUL aims to enhance the livelihood of dairy farmers by providing them with a reliable market for their milk, fair prices, and support for modern dairy farming practices. The cooperative focuses on ensuring the quality and safety of its products while also promoting sustainable practices in the dairy sector.

REPORT OF INDUSTRY VISIT

Report of visit to Art of Living for a visit ,Bengaluru,Karnataka on thursday, 26th September 2024 with respect to the subject of VTU activity plan based of 1st - semester students of Computer Science and Design

Students gained information about Mindfulness and Presence: Embracing the present moment helps you appreciate life more deeply. Practicing mindfulness can reduce stress and enhance your overall well-being.

Balance and Harmony: Striving for balance in different aspects of life—work, relationships, and personal interests—promotes a sense of harmony and fulfillment.

Self-Discovery and Growth: The art of living involves continuous self-exploration and personal growth. Understanding your values, passions, and purpose enriches your life experience.

Connection and Community: Building meaningful relationships and nurturing a sense of community contributes significantly to happiness. Shared experiences and support systems enhance life's richness.

Gratitude and Positivity: Cultivating gratitude helps shift your perspective towards the positive aspects of life. Regularly acknowledging what you're thankful for can lead to increased happiness and resilience.

The following faculty members are arranged, coordinating, and accompanying the students

Report on Industrial Visit to Bamul
Organized by MBA Department

Date: 14/03/2025
Venue:BAMUL PROJECTS, KanakpuraShivanahalli
Organized by: Department of MBA, RajaRajeswari College of Engineering

The **Department of MBA** successfully organized aIndustrial visit**to Bamul on 14/03/2025**, toestablish a link between theory taught in a classroom and actual practical concepts.Bridge the widening gap between theoretical learning and practical exposure by giving students first-hand exposure to identify the inputs and outputs of different business operations and processes performed at the workplace.

Objective:

- Demonstrate the career prospects available in their industry to the students and also to pick exceptional candidates for their company.
- Create a strong bond between the company and the organization that helps the industry to recruit candidates from the college by conducting placement programs.

Key Highlights:

- Interactive session with participants
- Industrial Exposure

Participants:

The Workshop witnessed enthusiastic participation from **MBA 3rd semester students** who actively engaged in discussions and knowledge-sharing sessions in Industrial Visit.

Conclusion:

The Industrial Visit successfully enriched the participants' understanding the importance of widening gap between theoretical learning and practical exposure. The**Department of MBA** extends heartfelt gratitude to the esteemed speakers, organizing committee, and attendees for making the event a grand success.

Industrial Visit to BAMUL PROJECTS, KanakpuraShivanahalli
Organized by MBA Department

Date: 12/03/2025
Venue: BAMUL PROJECTS, KanakpuraShivanahalli
Organized by: Department of MBA, RajaRajeswari College of Engineering

The **Department of MBA** successfully organized aIndustrial visit**to Bamul on 12/03/2025**, toestablish a link between theory taught in a classroom and actual practical concepts.Bridge the widening gap between theoretical learning and practical exposure by giving students first-hand exposure to identify the inputs and outputs of different business operations and processes performed at the workplace.

Objective:

- Demonstrate the career prospects available in their industry to the students and also to pick exceptional candidates for their company.
- Create a strong bond between the company and the organization that helps the industry to recruit candidates from the college by conducting placement programs.

Key Highlights:

- Interactive session with participants
- Industrial Exposure

Participants:

The Workshop witnessed enthusiastic participation from **MBA 1st semester students** who actively engaged in discussions and knowledge-sharing sessions.

Conclusion:

The Industrial Visit successfully enriched the participants' understanding the importance of widening gap between theoretical learning and practical exposure. The **Department of MBA** extends heartfelt gratitude to the esteemed speakers, organizing committee, and attendees for making the event a grand success.

1. TYPE OF EVENT : Industrial Visit

2. TITLE OF THE EVENT : Industrial Visits to "Infosys" Mysore

3. EVENT SCHEDULE : 21/09/2024

4. VENUE : "Infosys" Mysore

5. TARGET PARTICIPANTS : 2nd SEM and 4th SEM MBA students

6. NUMBER OF PARTICIPENTS : 132

7. OUTCOME OF THE PROGRAM:

1. Students who visit Infosys in Mysore, India have had a variety of experiences, including learning about the IT industry, seeing the campus, and interacting with employees.

2. Learning about the IT industry: Students have learned about the importance of learning courses outside of their regular curriculum, such as Power BI, which can help them in interviews. They've also gained knowledge about the various streams available in the IT industry.

3. Seeing the campus: Students have toured the campus and seen the different buildings, including the Global Education Center (GEC-1), the Origami Building, and R&D labs.

4. Interacting with employees: Students have had the opportunity to interact with employees and observe how the workplace functions.

5. Gaining awareness of industry practices and regulations Students have become more aware of industry practices and regulations.

5. Improving interpersonal skills and communication techniques. Students have enhanced their interpersonal skills and communication techniques.

6. This visit provided our students with an invaluable experience, bridging the gap between theory and practice, and preparing them for a bright future in the industry!

1. TYPE OF EVENT : Industrial Visit

2. TITLE OF THE EVENT : Industrial Visits to "Chanpatna Craft Park"

3. EVENT SCHEDULE : 20/12/2024

4. TARGET PARTICIPANTS : 1st SEM MBA Students

5. NUMBER OF PARTICIPANTS : 55

6. OUTCOME OF THE PROGRAM: The primary objective of the industrial visit was to expose the MBA students to the intricate craftsmanship and business aspects of Channapatna toys. This visit aimed to bridge the gap between theoretical knowledge and practical application by offering students an opportunity to witness the entire toy-making process, from wood selection to the final lacquering.

Students gained a deeper appreciation for the skilled artisans who thoroughly create these toys using traditional techniques passed down through generations.

Report on Industrial Visit to ISRO

We are thankful to Group Director, Programme, Planning & Evaluation Group and U R RAO Satellite Centre for giving opportunity to our students for visiting their esteemed campus. We extend our gratitude to Management, Principal of RRCE for supporting us in conducting such learning activities.

Details of Members Visited:

Date Of Visit	Semester	No. Of Students	No. of Faculty Members	Timing
23-09-2024	2	137 (MCA & BCA)	6	*Entry: 09:00 A.M.* *Exit : 12.00 Noon*
Total no. of visitors = *137+6* = 143				

Objectives of the Industrial Visit:

- Industrial visits help students pursuing professional education gain hands-on experience in executing industry operations.
- Industry visits bridge the gap between theoretical training and practical learning in a real-life environment.
- Industry visits provide opportunities for active/interactive learning experiences in class as well as outside the classroom environment.
- With industry visits, students can better identify their prospective areas of work in the overall organizational function.
- Industry visits help enhance interpersonal skills and communication techniques.
- Students become more aware of industry practices and regulations during industry.

On 23rd September, 2024, Monday, MCA 2nd and BCA 1st Semester students along with the 6 faculty members left the College campus by bus at 09:00 am. It reached ISAC campus on Old

Airport Road at around 10:30 am. After finishing reception formalities, everyone was given a pass and entered the ISAC exhibition hall.

Students got the Exposure on:

- Different kind of Satellites
- Antennas
- Launch Vehicle Models
- Various Subsystems of Rockets and Spacecraft
- Museum
- Video on Chandrayaan Launch
- History of Indian Space Programme

In the visit, students had a visual exposure about different kinds of satellites and various parts. During the visit the UR Rao Satellite Centre Faculty has given the demonstration about Satellite subsystems, Antennas, Launch Vehicles, On board systems, Propellant Tanks and Satellite Assembly in clean room. The students were expressed that this program was highly useful to them to understand the journey of Indian Space Programme and as well as to gain the knowledge on Satellite sub-systems. The visit finished by 01.00pm after taking the opinion and feedback from students.

- After returning the passes, we boarded the bus at 1:30 pm. The bus reached campus at around 3:00 pm. No photographs were taken as photography was strictly not allowed inside UR Rao Satellite Centre.

In charge : **Dr. Muruganadham S K**

Participation Staff & Student : First Year MCA 85 Students & BCA 5 Students, 6 Faculty members, 2 Lab Tutors.

About the Program :

This report summarizes an industrial visit to Rubixe Technologies. Key activities included workshops on emerging technologies like AI/ML and IoT, sessions on resume building and interview skills, and insights into industry best practices.

Key Learning's:

- Gained practical knowledge of industry-relevant technologies.
- Enhanced professional skills crucial for career success.
- Experienced the work environment and culture of a leading IT company.

Conclusion:

The visit provided valuable exposure to the IT industry and strengthened our understanding of real-world applications of academic concepts.

Subject: **Industrial Visit to Pace Digitek and Lineage power Sestems Pvt Ltd, Kumbalgodu, Bengaluru**

All the students of 2nd year/4th semester of B.E Robotics & Automation, are hereby informed that an industrial visit **Pace Digitek and Lineage power Sestems Pvt Ltd,** located at **Kumbalgodu, Bengaluru,** has been organized on **20th March 2025**

The objective of the visit is to provide students with practical exposure to industrial operations, enhance their understanding of real-time processes, and bridge the gap between theoretical knowledge and practical application.

Details of the Visit:

- **Date: 20th March 2025**
- **Departure Time:** 1.30 pm to 4 pm
- **Meeting Point:** Class room No 102
- **Industry Name:** Pace Digitek and Lineage power Sestems Pvt Ltd
- **Address:** Kumbalgodu, Bengaluru,
- **Faculty Coordinators:** Dr. Radhakrishna R K, Dr. Satheesha V
- **Eligibility:** 2nd year/4th semester
- **Dress Code:** Formals/ Shoes Mandatory

Note:

- Attendance is mandatory for all students participating in the visit.
- Students are expected to maintain discipline and follow safety instructions during the visit.

For further queries, students may contact the faculty coordinators mentioned above.

We look forward to your active participation in making this visit a success.

Report on "Industrial Visit"- 2025

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Type Event : Industrial visit

2. Industry Name : PACE Digitek and Lineage Power Systems Pvt Ltd, Kumbalagodu Industrial Area, Bengaluru.

3. Dates of the programme : Thursday, 20th March 2025

4. Time : 1.30 pm to 4.00 pm

5. Staff Coordinators : Dr. Satheesha V
Associate Professor and HOD R&A
Department of Robotics and Automation
Rajarajeswari College of Engineering

Dr. Radhakrishna R K
Associate Professor
Department of Robotics and Automation
Rajarajeswari College of Engineering

6. Students attended : 4th Semester students of R&A Department

7. Outcome of the programme:

Students gained information about the following:

- About the range of products and services, including DC SMPS, DC-DC Converters, Accessories, and Solutions like Remote Monitoring, Hybrid Power, and Cooling Solutions etc. Also, gain knowledge about Power Systems, energy management solutions (Battery), power distribution and management systems, and technical support given to telecom industry.

Rajarajeswari College of Engineering

6. Students attended : 5th Semester students of R&A Department

7. Outcome of the programme:
Students gained information about the following:

During our industrial visit to Janatics India Pvt. Ltd., we gained valuable insights into their advanced manufacturing processes and cutting-edge technologies used in pneumatic systems. Janatics, established in 1990, is a leading manufacturer of pneumatic components and automation products, providing solutions for industries such as automotive, manufacturing, and packaging. We observed the company's commitment to producing high-quality valves, actuators, filters, and regulators, along with their focus on innovative technologies to meet industry demands.

We were particularly impressed by Janatics' integration of **IoT for Predictive Maintenance**, allowing real-time monitoring of pneumatic systems via sensors and cloud platforms. This technology enhances system reliability by predicting failures and optimizing maintenance schedules. Additionally, we learned about their development of **Energy-Efficient Pneumatic Components**, which reduce energy consumption, making systems more sustainable and cost-effective.

The visit also highlighted their use of **Smart Sensors and Control Systems** for precise operation, with sensors monitoring pressure, flow, temperature, and position to provide accurate feedback for automated control. We saw firsthand how **3D Printing** is utilized to create complex, customized pneumatic components, speeding up prototyping and reducing lead times. Lastly, the integration of **Electropneumatic Technology** was demonstrated, combining electrical control with pneumatic systems to improve efficiency, precision, and reduce human error in industrial operations.

Subject: **Industrial Visit to Karnataka Dairy Development Corporation (KDDC)**

All the students of 1st year/ 1st semester of B.E Robotics & Automation, are hereby informed that an industrial visit **Karnataka Dairy Development Corporation (KDDC),** located at **Kanakapura,** has been organized on **8th October 2024**

The objective of the visit is to provide students with practical exposure to industrial operations, enhance their understanding of real-time processes, and bridge the gap between theoretical knowledge and practical application.

Details of the Visit:

- **Date:** 8th October 2024
- **Departure Time:** 9am
- **Meeting Point:** Class room No 305
- **Industry Name: Karnataka Dairy Development Corporation (KDDC)**
- **Address:** BAMUL, Kanakapura, Bengaluru 562117
- **Faculty Coordinators:** Dr. Vishwanath K C, Prof. Rathiraj, Prof. Bhavana A P
- **Eligibility:** 1st Year/ 1st Semester
- **Dress Code:** Formals

Note:

- Attendance is mandatory for all students participating in the visit.
- Students are expected to maintain discipline and follow safety instructions during the visit.

For further queries, students may contact the faculty coordinators mentioned above.

We look forward to your active participation in making this visit a success.

7. Outcome of the programme:

Students gained information about the following:

- Karnataka Dairy Development Corporation, commonly known as BAMUL (Bangalore Milk Union Limited), dairy cooperative in Karnataka, India. Gain the significant role in the state's dairy industry by promoting milk production, processing, and marketing. BAMUL is part of the cooperative movement in India and is known for its brand "Nandini," which offers a range of dairy products like milk, butter, ghee, curds, and more.
- BAMUL aims to enhance the livelihood of dairy farmers by providing them with a reliable market for their milk, fair prices, and support for modern dairy farming practices. The cooperative focuses on ensuring the quality and safety of its products while also promoting sustainable practices in the dairy sector.

Sub: "Industrial Visit to Toyota Kirloskar" Reg

Respected sir,

With reference to the above subject, the department of Robotics and Automation has organized industrial visit to the company **Toyota Kirloskar, Bidadi** plant on 15th May 2025 for our 6th Semester Students. For the same kindly provide the bus facility on the mentioned date. The details of the visit mentioned below.

Company name	: TOYOTA Kirloskar Motors
Place	: Bidadi Industrial Area
Coordinator	: Dr. Radhakrishna R K
Date & Time of Visit	: 15th May 2025 at 9 am
Strength	: 29 + 3 Faculty

Thanking you

GUIDELINES TO BE FOLLOWED

Date: 15th May 2025
Time: 09:00AM to 2:30PM
Location: Plot No 1, Ramanagara, Bidadi Industrial Area, Bidadi, Bengaluru, Karnataka 562109
Chizu (Map) - https://maps.app.goo.gl/6LsXRL7fxNBNbFpJA

Guidelines to be observed:

1. **Dress Code should be business casual – Full sleeve.**
2. **Shoes is mandatory for all Students & Faculty.**
3. **Safety is our top priority. Therefore, please make sure to adhere to all outlined safety guidelines.**
4. **TKM is plastic-free and non-smoking facility.**
5. **Capturing photos and videos is strictly prohibited.**
6. **Internal Movement Non A/C shuttle bus is provided.**
7. **For your safety, please stay on the designated pathway. (Stop, Look, Go)**
8. **Kindly ensure you're on time as per the allocated time.**

Upon arrival, please check-in at the reception and collect visitor badge. We will start with a brief overview of our operations, followed by a guided tour of plant visit.

If you need any further assistance or have any questions before your visit, please feel free to reach out to me.

We look forward to welcoming you and providing an insightful experience of our operations.

Date: 12/12/2025

CIRCULAR

Subject: **Industrial Visit to Bharath Arts and Crafts, Channapatna Craft Park, Ramnagara(Dt),**

All the students of 2nd year/4th semester of B.E Robotics & Automation, are hereby informed that an industrial visit to **Bharath Arts and Crafts, Channapatna Craft Park,** located at **Ramnagara(Dt),** has been organized on **14th December 2024**

The objective of the visit is to provide students with practical exposure to industrial operations, enhance their understanding of real-time processes, and bridge the gap between theoretical knowledge and practical application.

Details of the Visit:

- **Date:** 14th December 2024
- **Departure Time:** 9 am to 4 pm
- **Meeting Point:** Class room No 102
- **Industry Name:** Bharath Arts and Crafts, Channapatna Craft Park
- **Address:** Ramnagara(Dt),
- **Faculty Coordinators:** Dr. Ramesh C, Dr. Satheesha V
- **Eligibility:** 2nd year/4th semester
- **Dress Code:** Formals/ Shoes Mandatory

Note:

- Attendance is mandatory for all students participating in the visit.
- Students are expected to maintain discipline and follow safety instructions during the visit.

For further queries, students may contact the faculty coordinators mentioned above.

We look forward to your active participation in making this visit a success.

Report on " SCR activity – 2025"

1. Type Event : Social Connect and Responsibility activity
   Industrial Visit
2. Name of the Industry : **Bharath Arts and Crafts, Channapatna Craft Park, Ramnagara (Dt)**
3. Date of visit : Saturday, 14th December 2024
4. Time : 9 am to 4 pm
5. Staff Co Coordinators : Dr Satheesha V
   HOD R&A and Associate Professor
   Department of Robotics and Automation
   Rajarajeswari College of Engineering

   Dr.C.Ramesh
   Dean – Infrastucture and Professor, R&A
   Department of Robotics and Automation
   RajaRajeswari College of Engineering
6. Students : 03rd sem, Robotics and Automation
7. Outcome of the Programme:

- During our visit to the toy store in Channapattana, students learned about the intricate handmade manufacturing process for wooden toys, including the various types of wood used and the techniques for crafting them.
- The store had a wide variety of toys, and each one was unique and appealing, making it difficult not to want to purchase everything on display.
- Conversations with the staff at the store provided valuable insights into the different kinds of wood used in toy making, such as neem, aleemara, rosewood, and others, along with the specific manufacturing processes for each.
- The store also imported a rare wood from a unique tree located 50 km away from Channapattana, adding to the exclusivity of the products.
- In addition to traditional children's toys, the store offered a diverse range of products including keychains, home décor items, kitchen sets, bangles, showcase dolls, and educational toys like playing boards.
- The vibrant colors applied to the toys were made from natural sources, such as turmeric and other plant-based materials, reflecting the eco-friendly approach of the manufacturing process.
- Our visit to the Channapattana arts and handicrafts industry revealed the use of raw materials to create various product shapes, with machines providing the surface finishing. This was done by rubbing the workpiece against salt paper in a rotating belt-driven mechanism.
- Students also observed a CNC machine used for precision designs, such as a butterfly shape. The operator explained how the machine uses Corel Draw software to design, which is then transferred to a pen drive and operated via a remote control, adjusting the axes (X, Y, Z) for precise carving and depth.

-Report prepared by Dr.M.Karthikeyan, Dy. CoE and Professor, R&A

Date: 04/04/2025

Report on industrial visit to 220KV/66KV receiving station Somanahalli, Kanakapura Road, Bangalore on Friday, 4th April,2025 with respect to the subject TRANSMISSION AND DISTRIBUTION of 4th -semester students of Electrical & Electronics Engineering.

The following faculty members are arranged, coordinating, and accompanying the students.

1. **Mr. Shivalingaih K L, Associate Professor-EEE**
2. **Mrs. Shwetha R, Assistant Professor-EEE**
3. **Mrs. Ramya R, Assistant Professor-EEE**

Company Profile

Station for the 220KV/66KV Sommanahalli substation would typically cover the substation's purpose, key components, and the organization's role in the power grid. It might include information about the substation's location, its role in the transmission and distribution of electricity, and any unique features or technologies it employs. The presentation would also likely cover the company's history, mission, and its commitment to providing reliable and efficient power services.

Elaboration:
1. Substation Overview:

Purpose:
The presentation would start by clearly stating the purpose of the 220KV/66KV Sommanahalli substation, which is to step down high-voltage electricity from the transmission network to lower voltages for distribution to various consumers.

Location:

The substation's location within the power grid would be mentioned, highlighting its strategic importance in the transmission and distribution network.

Key Components:

The presentation would describe the main components of the substation, such as transformers, circuit breakers, busbars, and protective relays, explaining their functions and importance.

Technical Specifications:

Relevant technical specifications about the substation, such as the voltage levels, transformer capacities, and protective schemes, could be included.

2. Company Profile:

Company's History and Mission:

The presentation would likely provide a brief history of the company, its mission statement, and its commitment to reliable and efficient power services.

Role in the Power Grid:

The presentation would explain the company's role in the power grid, emphasizing its

Principal
RAJARAJESWARI
COLLEGE OF ENGINEERING
Ramohalli Cross, Bengaluru-74

responsibility for transmitting and distributing electricity across the region.

Substation's Significance:

The presentation would highlight the significance of the 220KV/66KV Somanahalli substation in the overall power grid infrastructure and its contribution to the reliable supply of electricity.

Future Plans:

The presentation might also include information about future plans for upgrading or expanding the substation or the company's commitment to innovation and technology.

3. Key Components of a Substation:

Transformers:

These devices step down the voltage from the transmission lines to lower levels for distribution.

Circuit Breakers:

These protect the substation and surrounding equipment from damage during faults.

Busbars:

These are the main conductors within the substation that carry electricity from incoming lines to outgoing feeders.

Protective Relays:

These devices monitor the substation and automatically isolate faulty sections of the grid to prevent damage.

4. Organization and Management:

The presentation might include information about the company's organizational structure, management team, and its commitment to safety and quality standards.
It could also highlight the company's initiatives in areas like environmental sustainability, community engagement, and employee development.

In summary, a company profile presentation for the 220KV/66KV Somanahalli substation would provide a comprehensive overview of the substation's purpose, key components, the company's role in the power grid, and its commitment to reliable power services.

Information collected during the visit at 220KV/66KV receiving station Somanahalli, Kanakapura Road, Bangalore by students

- The Somanahalli 220/66/11 kV Receiving Substation in Bangalore plays a crucial role in Bangalore's power distribution system.
- Substation receives power at 220 kV, steps it down to 66 kV, and then further to 11 kV for distribution to various areas.
- The Somanahalli 220/66/11 kV Receiving is operated by KPTCL (Karnataka Power Transmission Corporation Limited).
- Initially, we were taken to the receiving station control room, the technical specifications on daily maintenance and control parameter were explained to the students by the AEE(Assistant Executive Engineer).
- They also explained about a single line diagram of the substation.
- Substations, essential components of the electricity grid, contain various pieces of equipment to facilitate the transfer and transformation of power. Key components include transformers for voltage conversion, circuit breakers to protect the system, and bus bars for power distribution.
- Other important elements include insulators, lightning arresters, control systems, and various protective devices.
- Then we visited taken to yard and Engineer explained about the power receiving and power distributed to different areas in Bangalore.
- This substation handles a significant amount of power, with daily unit consumption reaching 3 million and peak loads of 176 MW.
- A portion of this load is handled at 66 kV, and the remaining is at 11 kV.
- The substation is connected to other power lines, including lines from Peenya and other areas.
- The substation is also involved in the "hot line maintenance" of power lines, allowing for maintenance work to be done without interrupting the power supply.
- The substation houses a variety of equipment, from older models to newer technologies, reflecting the evolution of substation technology.
- We learnt about the working of receiving station.

Seminar Report

Title of the Seminar: *Prototype/Process Design and Development*
Date: 27th March 2025
Time: 11:00 AM – 12:30 PM
Venue: Aryabhatta Seminar Hall, RRCE
Organized by: Department of CSD & RRIIC

Introduction:

The seminar on **"Prototype/Process Design and Development"** was organized to provide students and faculty with insights into the importance of prototyping in the innovation and product development process. The session aimed to educate attendees on best practices, challenges, and methodologies involved in designing and developing prototypes.

Resource Person:

The session was conducted by **Mr. Lokesh,** an esteemed mentor at **IIC, RRGI,** and the **Founder & Startup Consultant** at **Agasthiya Academy, Bangalore.** With extensive experience in startup consulting and innovation, he provided practical knowledge on various aspects of prototyping.

Key Takeaways from the Seminar:

- Importance of **prototyping** in product development.
- Different **stages of process design** and iteration.
- Challenges faced in **prototype development** and how to overcome them.
- Industry practices and real-world examples of successful prototypes.
- Q&A session where students actively participated in discussions.

Conclusion:

The seminar was highly informative and beneficial for students and faculty alike. Mr. Lokesh's expertise helped in understanding the significance of process design in the real-world industry. The event concluded with a vote of thanks, appreciating the efforts of all involved.

Overall, the seminar was a great success and an enriching learning experience for all participants.

Report on Poster Presentation on "Biology for Engineers"

Name of the Department: Dept. of CSE [IoT, Cybersecurity including Blockchain Technology]

1. **Type of Event:** Poster Presentation on "Biology for Engineering"
2. **Venue:** Room 220, 2nd Floor, RRCE, Bangalore
3. **Date & Time:** 18.7.2024, 1.30PM to 4.00PM
4. **Jury members:** Dr. Sudhakara A, Professor & Head, Dept. of Chemistry
   Dr.K.S.Krishna Kumar, Professor & Head, Dept. of Physics
   Prof. Manasa G V Kumar, Assistant Professor, Dept. of CSE
5. **Staff Coordinators:** Prof. Ghouse Pasha, Asst. Professor
6. **Students attended:** 4th Semester (62 students)
7. **Outcome of the Progamme:**
   - The students prepare the posters based on their topics in creative, innovative methods by using sheets, electronic gadgets etc.
   - Individual students presented their concepts in front of the jury and departmental faculty members.
   - The students learned the basic concepts of biology for engineering on Brain, Nervous System, Heart, Kidney, Lungs etc.
   - Finally jury members selected the best three posters.

Basic training in fire prevention and fire fighting

NAME OF THE DEPARTMENT: Department of Robotics and Automation

1. Name of the Training : Basic training in fire prevention and fire fighting

2. Date of the Training : 14th May 2025\

3. Organised by : R.A. MUNDKUR FIRE AND EMERGENCY SERVICES ACADEMY
BANNERUGHATTA ROAD, BENGALURU - 560 029.

4. Venue : RajaRajeswari Medical College and Hospital, Kambipura, Mysore Road, Bangalore.

5. Faculty members attended :

1. Dr.C.Ramesh
Dean (Infrastructure Planning and Support)
Professor
Department of Robotics and Automation

2. Sub Lt.Dr.Thanuj Kumar. M
Associate Professor
Department of Robotics and Automation

3. Dr.Radhakrishna R K
Associate Professor
Department of Robotics and Automation

- Report prepared by
Dr.M.Karthikeyan
Deputy Controller of Examinations
Professor
Department of Robotics and Automation

Professor & Head
Robotics and Automation Engg
