

CRITERIA – 6.1

AY 2024-25

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution.

Vision

To provide an open opportunity to the young generation for evolving their core competencies helping them to build their career as Global professionals to be an Autonomous Institution by achieving excellence in the field of higher education.

Mission

To consistently strive for Academic Excellence to become a leading Institution in the field of Engineering, Management, and Research to produce competent and ethically sound manpower for the benefit of Industry, Society, Nation, and the Global Environment.

The institute has adopted best practices in Governance & Leadership, by way of having clear Vision & Mission statements where it is committed to impart quality education in order to empower youth and women and aims to deliver engineering education through the effective teaching-learning process and update their knowledge & skills to match the global industrial and technological development through defined objectives.

The Governing council conducts meetings regularly in order to have effective implementation of the policies to monitor the value addition in the academic processes. The governing council approves the strategic plan, vision and mission, and budget based on the strategic plan framed by IQAC cell headed by the principal of the institution.

IQAC monitors the functioning of all the committees relevant to the teaching-learning process, student enrichment, and overall development of the institution to identify areas of improvement and suggest the necessary action plan.
